CHURCH REPORTS

NOTES:

ANNA FIRST

Dr. Stan Toler, Dr. Jim Spruce, Delegates and Friends,

I bring my 11th report for Anna, my 33th report as a Nazarene Elder. This has been a wonderful year and the Lord has blessed. We have received (26) members by profession of faith and baptized (9) and dedicated (1) baby. We were also able to pay all budgets and dues in full.

We had a wonderful fall revival with Evangelist Larry Hucker and a great revival with Evangelist Bill Ulmet. We prayed with a number of seekers during these meeting.....Praise the Lord!

As Pastor, I am honored to have served with wonderful laymen for over a decade now. I also thank the Lord for my Associate Pastor, Larry Barnhart and his wife Judie who is one of the best anywhere. Larry will be ordained in this year's District Assembly.

Our Church Secretary, Verna Fuller is very competent and meticulous as she serves the Lord and our church. She is a big help to me through the year, she is just the best.

Our platform personnel make it a joy to worship. Larry Fuller our Song Leader and Sunday School Superintendent serves us very well. We are also blessed with wonderful keyboard talents, Betty Odum, Rin Ray, Debbie Mays, Sandy Partridge, Sheena Neely and Yvonne Graham. Thank God for the Blessed Holy Spirit and for people who are willing to listen and obey that still small voice of the Holy Spirit.

Our church continues to be Mission driven as our NMI President Nancy Smith leads us in wonderful, thought-out services that inspire us to support the work of world evangelism.

Our NYI, Nazarene Youth international was led by Mary Clayborne and a group of laymen that want to see our young people saved. In a recent Lock-in I had the wonderful privilege in leading (7) teenagers to the Lord and they have begun discipleship studies.

Our Veteran's Day Service just continues to be outstanding and is expanding. Phil Ray and Leonard Sadler are a great team who are meeting the needs of our local veterans. On Veteran's Day Sunday we had 277 in attendance.

Marilyn Elkins leads us in Trunk or Treat and VBS is still a wonderful out-reach ministry to the children in our community. Leonard and Connie Sadler have served our seniors in Prime Time activities giving our seniors a little more to enjoy during their Golden Days.

I also want to recognize Chad Brooks and Terry Wiseman Jr. as they led our men's Ministry this year. I don't know how many ducks made it through Southern Illinois, but a few were invited to dinner.

I also want to recognize a brand new women's ministry called "The Aprons Society" led by Tedra Miller. This ministry hit the ground running and the impact of this outreach has been tremendous. Each of our ladies have aprons provided by Tedra which are embroidered with this idea that Christians should be wearing aprons READY to serve rather than a bib waiting to be served!

As Pastor, I would also like to recognize there are many that serve behind the scenes. We could not function as a church without you! I applaud you and one day the Creator and King will say "Well Done". It will be worth it all, when we see Jesus!

In closing, I am still in love with the Anna Nazarene Church. I still sense "the move of God" as others do, and I know the Lord has something special for the Anna Church if we will just stay faithful and hold steady.

Respectfully Submitted
Pastor Richard Keeley

ARCOLA FIRST

Dear Dr. Toler, Dr. Spruce and members of the Illinois District Assembly, Grace and peace to you from God and our Lord Jesus Christ. Praise God from whom all blessings flow; praise him all creatures here below. God, who was and is and is to come, is forever to be praised! God is faithful and in him is not even a shadow of turning. His love and grace continues to be manifested at and through Arcola First Church.

We strive to lift up the name of Jesus and praise him to the best of our feeble efforts. May he be praised both now and forevermore!

In the past year we have gained a few and lost a few; we have lost some and buried others. Through all these changes we continue to trust him who changes not.

I personally have been through the Bible four times in the past year and am currently leading our congregation in a study of the early Church. We hope to learn from their failures and successes on the spiritual front.

- * We have made some minor improvements on the building structure and plan to do more this year.
- * We have grown in grace and knowledge of our Lord.
- * We have made some minor changes in worship to accommodate the needs of the congregation.
- * We have met and overcome some major challenges this year.

We will work 'til Jesus comes; we will proclaim the good news of the gospel, the unsearchable riches of Christ, and the power of the Holy Spirit until that great day!

Our hearts well up in gratitude to our God, our District, Dr. Spruce and Rev. Haynes for their leadership.

We believe this coming year will be the best ever! Praise the Lord!

AUBURN

Dr. Toler, Dr. Spruce, fellow pastors, delegates and friends of this assembly, I bring you my seventh report as pastor and the 106th annual report of the Auburn Church of the Nazarene.

The past year has been challenging and rewarding. The fields are certainly "white unto harvest" in our community and there is no lack of demand for the ministry we are able to bring.

Our Wednesday night Sunday School program continues to flourish with good numbers of children and teens attending. We have been blessed with the conversions of several people and the addition of 9 new church members. We continue to preach and teach the amazing saving and sanctifying grace of God and His message is making a difference!

In the new year we plan to further develop our Wednesday Night program in order to reach and win the families of the children who regularly attend. We also plan to hold some ministry events in Divernon in an effort to reach new families from that community. We also are committed to assisting the church plant in Jacksonville.

Our challenges lay in raising financial support and in raising up new workers for our ministry. Since we failed to pay our budgets in full this past year, we have made several adjustments to lower expenses and raise income. One of those adjustments presents me with the challenge of entering into a bi-vocational phase of ministry. So, the need is great, the workers are few, and the money is even less. Nevertheless, we press on counting it a high privilege to spend ourselves and to be spent for cause of the One who has called us and given Himself for us.

Faithfully,

Pastor Brian Hay

BEARDSTOWN

It is with great joy in the Lord Jesus Christ that I write this annual report. As I review the past year I cannot help but realize how much God has chosen to do among us. I rejoice in the marvelous spiritual growth that is exceedingly evident.

We have had some struggles this year. However, anytime that God is at work, we can expect Satan to work as well, for it is his desire to thwart the work of God on every level. So it was with each spiritual attack, God has proven Himself to be our Help and Guide, our Savior and Sustainer. To God be all of the glory as He continues to call us to put away the past and die to our personal ambitions and allow Him to work in and through us to accomplish His goals.

God has been doing this as we had such a great revival with Rev. Nathan Covington. We learned so much about how to pray and how God works through prayer. Each Wednesday evening we have been committing what we learned to practice as a large group have been committed to attending and praying. It is also on Wednesdays that we have seen such knowledge displayed in the Bible reading reports as many on Wednesday evenings have been sharing what God has been revealing to them in His Word.

It is my firm conviction that God has a great work to be done through us, the congregation of the Beardstown Church of the Nazarene: A work that will be monumental in the history as well as the future of this church, if we will remove ourselves from the stage of importance and allow God to be Lord of all, to allow God to be the sovereign authority in this church, a church that starts in each of us. We are striving to be a people who are a blessing to God!

This is why I am so excited about the new prayer ministry. I believe that God wants to use this prayer to ignite a spiritual awakening among the people of Beardstown.

Respectfully submitted,

James M. Craig, Jr.

BEARDSTOWN HISPANIC
INFORME PASTORAL (Mayo 2010)

Estimados hermanos, les saludo a todos cordiamente en el nombre de nuestro Señor Jesucristo. Gracias doy primeramente a Dios que por su infinita gracia que me ha permitido venir a este país dándome la oportunidad y privilegio de poder servir con mi familia en el Ministerio Pastoral de esta hermosa iglesia, para mí es un gusto y a la vez un desafío grande llevar a cabo la obra del Señor, estoy seguro que con la ayuda de Dios y la de todos ustedes iremos creciendo más y más! Dios ha sido fiel hasta el momento y lo seguirá siendo porque ésta es su obra. Por lo cual agradezco de todo corazón a cada uno de ustedes que son de esta gran familia de la fe, por su apoyo constane en el ministerio que el Señor nos ha encomendado.

Durante estos 10 meses que hemos iniciado el Ministerio pastoral hemos vivido momentos de bendición y también hemos tenido algunas pruebas, como toda iglesia. Sin embargo, la mano de Dios se ha manifestado de manera ponderosa.

A continuación presento mi informe, el cual lo he dividido en algunas áreas.

ACTIVIDADES PASTORALES

- A. Predicación
- B. Visitación y Conserjería
- C. Varias Actividades y Celebraciones Especiales
- D. Disciplinas espirituales
- E. Ministerio de Alabanza
- F. Ministerio de Eventos Sociales y Especiales

AGRADECIMIENTOS ESPECIALES

Agradezco a Dios por su ayuda constante. Aún en los momentos más difíciles me ha dado fuerzas para continuar en la tarea que me ha encomendado.

Agradezco de manera especial a mi esposa Jackeline y a mis hijitos Luis y Ruth, quienes han tenido que sacrificarse anhelando mi presencia constante con ellos, cuando he estado en las actividades del ministerio.

Agradezco a cada uno de ustedes, mis queridos hermanos, por su apoyo y acompañamiento en la tarea de la iglesia y en los momentos que más los necesité. Deseo que ustedes sientan la carga de ganar a otros para Cristo porque su venida está pronta.

Agradezco a los Hnos. Churck y Carol por su entrega y dedicación desinteresada en la obra del Señor, ya que antes de mi venida supieron ser perseverantes en la iglesia tanto con sus oraciones, presencia y trabajo en la misma.

Estoy agradecido, a ustedes hermanos de la Junta Directiva, por su ayuda total en cuanto a los asuntos materiales y espirituales que han provisto para la familia pastoral: Arreglo y amoblamiento de la casa pastoral, adquisición del vehículo pastoral, los presentes que nos hicieron llegar ustedes y toda la iglesia de cosas del hogar, por el cuidado que sentimos que nos brindan en todo momento.

BELLEVILLE EMMANUEL

It is with a humble and grateful heart that I bring to this Assembly my fourth report as pastor of Emmanuel Church. It is a privilege to serve our Lord in pastoral ministry. My prayer is that my life will always bring honor and glory to the church and most of all to our Lord and Savior Jesus Christ.

Our focus as a congregation continues to be to make Christlike disciples by:

- 1) Worshipping with united hearts
- 2) Spreading the gospel
- 3) Helping to lead others to salvation
- 4) Nurturing spiritual growth
- 5) Providing discipleship through purposefully developing opportunities to witness and disciple

We are thankful for increases in Sunday School attendance and responsibility list, Sunday Morning Worship, 5 new Christians that were baptized, 7 new members by profession of faith and all budgets paid in full. Truly, God has been good to us!

On December 3, 2010, we had 268 gallons of water (thanks to a broken water line) throughout the back of the sanctuary, foyer, restroom and 3 classrooms, causing \$46,000.00 damage. Thanks to the insurance company, repairs and improvements were made. Stop by and see how nice things look.

This has been a difficult year financially; flood, sewer line collapse/repair, and decrease in church income. But God has proven Himself faithful!

We are thankful to:

The Illinois District, for new tables and chairs for our fellowship hall.

Collinsville Good Samaritan Church, for a 23-passenger bus (to replace our aging van).

Jim German and Dave Bailey from the Decatur Parkway Church, who came and finished the restroom in the upstairs Sunday school area.

Once again God has been so good to us!

The Angel Food Ministry program is ministering to around 40/50 families each month. Along with this ministry we have endeavored to reach out to the West Side of Belleville and the surrounding areas in the following ways:

- ◆ Back to School Supplies
- ◆ Young Adult Dinner/Bible Study
- ◆ Fall Festival with the "Hampel Family Circus"
- ◆ Trunk or Treating
- ◆ Vacation Bible School
- ◆ Veterans Day Celebration
- ◆ Children & Youth Ministries

There is still much to be accomplished in reaching the lost of our area, obstacles and challenges lay before us, but, "Nothing is impossible when you put your trust in God!"

"I tell you the truth, If you have faith as small as a mustard seed, you can say to this mountain, Nothing will be impossible for you." Matthew 17:20

BELLEVILLE FIRST

It is my privilege to bring my sixth report as the lead pastor of Belleville First Church. Our focus as a congregation is to make Christlike disciples by:

- 1) Introducing people to a life transforming relationship with Jesus.
- 2) Enfolding people into the Body of Christ through significant relationships.
- 3) Empowering people to serve in God's Kingdom.
- 4) Growing people mature in Christ (holiness of heart and life).

Our Work and Witness trip to Haiti in February was a highlight of this past church year. We partnered with Detroit (MI) First Nazarene to participate in two significant building projects in the village of Damassin and the urban setting of Cite Sole` in Port-Au-Prince. It was a heart-wrenching experience to see and hear about the destruction which has left an indelible mark on Haiti. We were deeply impressed by the Nazarene people we met who are daily making a difference in the scarred lives and landscape that surrounds them. The church is alive, well, and thriving in Haiti.

This has been a challenging year in the life of our church family. We said goodbye to over 60 people who moved from the Belleville area to points as far and wide as Alaska to Florida, and many points in between. Several of these moves were our military families from Scott Air Force Base. Military personnel and their families have been an important part of our congregation's history and character. They bring a culture of service and leadership to our church; it is difficult to say goodbye to them. I have gained a profound respect for the ways in which they serve our country.

In spite of significant transitions, Belleville First is a healthy congregation that is continuing to reach out to our community. We have several new families that are choosing us as their spiritual family. We have begun a community ministry initiative in partnership with the school district in our church neighborhood. This spring we completed a pilot program in mentoring middle school students, and participated in a tutoring program in the elementary school. This summer we will partner with the school and a few area churches to provide a summer lunch program for children. These ministries are helping us build relationships and increasing our presence in our community.

Belleville First has strong lay-leadership. I am blessed to pastor a congregation that believes in and lives out the "priesthood of all believers."

I am grateful for the daily partnership of the Soulias, Avrums, and my wife, Lynne. They go well beyond the call of duty to serve the church.

In His Service,

Craig Dillman

BELLEVILLE KOREAN

Dr. Toler, Dr. Spruce, members and friends of the assembly,

Greetings in the name of our Lord Jesus Christ! I am privileged to serve at the wonderful Korean Church of the Nazarene. I praise the Lord Jesus for His faithfulness to us and thank Him for every accomplishment. We continue to seek the Lord's guidance when we serve the church. We will follow the direction of the Holy Spirit. We will do our best for the glory of God. Our church is focusing on serving, dedicating, and training.

The direction of the ministry is as follows:

1. Bible-emphasis: Home-cell group for Bible study on Thursday nights. Bible study class meetings on Tuesdays and Wednesdays. Individual Q.T. (quiet time) with Bible meditation books ("Living Life" for English speakers and "Spring Water of Everyday" for Korean members)

2. Prayer-emphasis: Early morning prayer worship during the first week of the month.

3. Evangelism-emphasis: Rev. Jami began to lead the English-speakers with an English sermon and bible study. Cross-cultured couples are happy to serve the church together. Our church will be the resting place for the exhausted souls. I have also committed myself to deliver sermons for the spiritually young souls while bringing something new for the spiritually mature members of our congregation.

4. Mercy Ministry: We take special care for the needy in our community as well as serve the Nazarene Compassion Ministry and World Vision. We have a Lily-cell group for the seniors in our congregation.

This year brings changes to our church as we will be doing some updating to our church building and the parsonage. We will be replacing all windows and siding that are projected to be completed in June. We are praying on the remodeling of the front side of our church. We are eager to revive His church. We will welcome the challenges ahead and will keep going towards the good of His church. It is God who works in us to will and to act according to His good purpose. We will fight the good fight and keep pressing on without hesitation. We will be faithful to the calling as His good soldiers of the Cross.

My prayer is to remain consistent and to increase my effectiveness for His purpose and calling. With our best effort along with God's grace, mercy, and love, we will continue to move forward. I am blessed to serve His church.

Respectfully Submitted,
Paul Shin

BENTON

Dr. Toler, Dr. Spruce, fellow pastors, members and friends of the Illinois District Assembly. I bring my 4 report as pastor of the Benton Church of the Nazarene and my 20th report as a pastor in the Church of the Nazarene.

The positives for this year was a VBS with a total enrollment of 86. A family of 5 has remained an active part of the church as a result of the Bible School. Our NYI continues to meet on Thursday evenings and continues to grow—averaging now around 13-15.

For 3 years now we are able to report all budgets paid in full. We still meet every Wednesday evening just for a time of prayer—believing that prayer is one of the keys to the revival we want to see and experience in Benton.

The Vision Ministry Team has met many times this year as we endeavor to grasp the vision that God has for the church at Benton. Out of those meeting came a new Mission Statement.

Reaching up to God, out to others and across to one another—with a heart Like Jesus.

I thank the Lord for a wonderful wife and family and for giving me a place to serve Him on the Illinois District.

BETHEL COMMUNITY

"Come to the church in the country. We are the lighthouse in the community" The spirit of the Lord is in every service and YES, we still have 2 revivals a year.

We had a great VBS with many children and adults from our community. Our Caravan leaders worked hard to teach our groups of children the Bible verses and how to live a Christian life. We hold our midweek adult prayer meeting during Caravan time. We have a small prayer group, but we know our prayers reach a mighty God.

We are a small holiness church with a big heart for lost souls.

This past year has been a year of seeing a moving of the Holy Spirit through a conference series with Eric Barger of *Take A Stand Ministries*, who presented several stirring and informative sessions on topics from the Emergent Church to Cults invading the American church; and a wonderful time of revival, renewal and refreshing with Rev. Dwayne Smith.

This past year has also been a year of change. Pastor Larry Hance, resigned due to his health, had successful heart surgery and is recovering very well. The congregation, during the interim, has shown great perseverance, unity and focus moving forward in ministry and the process of seeking a new pastor. Rev. Bud Hance and wife Sandy are coming in mid-June as pastor. The parsonage is in the process of being refurbished for the Hances.

It has been a joy for me to be the supply pastor in this interim period. I have found Bethel Community Church to be wonderful people easy to work with, easy to love and who love the Lord and their church. They have been very gracious to Annette and me. Thank you Bethel for letting us share with you.

CARBONDALE NEW BEGININGS

Dr. Toler, Dr. Dace and District Family

Over the last year we have seen our numbers drop. In 2008 we had an average Sunday morning worship of 59, in 2009 it was 54 and in 2010 the average was 49. This year we have dropped to 45 for an average. With this drop we have also seen a drop in revenue and a drop in those who are either willing or able to serve the Lord through church outreach. I sat and tried to think about what to say about this past year and about where New Beginnings is going, but all I could think of was where we have been; and why we seem to be declining.

I must say that this last year has been a rocky one for me and New Beginnings. We have lost several people, some from the core group that came to form this church and others who have just drifted away. Some have gone to other churches and others have just quit going to church; no matter how many times I go and invite them back to church, they have failed to return. I have questioned myself several times this year about resigning and allowing someone else to come and lead this church, but each time that I do that, God shows me that He is not done with me here.

Since we are not growing numerically, then I must accept the blame; and with it comes the lack of financial resources to keep the doors open. After we paid our budgets, we were completely broke and we do not have any money to function on. I am sorry to paint such a bleak picture for you, but it is the truth. I have done what I can do to keep this church open financially, but if the trend that has occurred over the last three years continues, then we may not survive. This is why I challenged every person in the church, whether they are a member or not. I challenged them to bring one person into this church over the next year and to disciple them on what it means to be a Christian through prayer, Bible study, Christian service and giving. God calls each of us to go out into the world and bring in the lost sheep and He also calls each of us as Christians to give sacrificially.

If we at New Beginnings will live by these four ideals in our own lives and pass it on to our children and to someone that we are discipling for Jesus, then by this time next year, we will not have enough seats to hold the people. I truly believe this and I have encouraged everyone to take the challenge of bringing into New Beginnings over the next year one person who they will agree to disciple; and I have reminded them this means that they must live by these Christian ideals themselves.

I know this has been hard to read, but I assure you that it has been harder for me to deliver. I just pray that you have received this report in the way that it was intended--out of love and worry for our New Beginnings. Unlike the Federal Government, we cannot continue to do the same things, the same ways, and expect a different result. We cannot print more money or just start a new program, we must do what we have all been called to do, go and make disciples of every nation, baptizing them in the name of the Father, the Son and the Holy Spirit.

It is my prayer that the people of New Beginnings will take up this challenge and that the Lord will use His people to correct these problems.

CARLINVILLE

Dr. Toler, Dr. Spruce, Assembly Friends and delegates

This is my fifth report as Pastor of the Carlinville Church of the Nazarene. Our commitment to all who the Lord allows us to minister to is that we help them discover God's plan. Now that commitment is not only for the community around us but it is also a commitment from our church to always be exactly where God wants us to be.

This year we have seen many new faces come in and become regulars; we took in 6 new members, opened a Food Pantry where we serve almost 100 people every Saturday, restructured Wednesday evening services to create more opportunities for people to gather together and learn from God's word, hosted our own Kid's camp, hired a part time Youth Pastor, and we continue to share the love of Jesus to any who we have contact with.

We give praise to Jesus for all that He has done and all that He continues to do. In this year's annual meeting Ken Kinney who has been part of our church for 16 years said that 4 years ago we only *DREAMED* of having 60 people in the church and now we are there. There is an excitement at the Carlinville church about what God is up to and we are not distracted by numbers other than we know those numbers represent souls and since souls matter to Jesus, you better believe they matter to us! We continue to see changed lives and every service we see people seeking God's plan and all He has for their lives. God is good I am excited and I know that He has great plans for the future of the Carlinville church.

CARMI

I submit my Fourth report for the Carmi Church:

We are seeing the end to physical improvements at the Church, with just one more project; we are ready to launch out in the city with Evangelistic zeal. It was my goal to make our facilities presentable before starting our outreach campaign, and we are about there.

In the midst of that, new Families are visiting the Church on a regular basis, and God is faithful to visit also. Two Revivals this past year have really boosted the excitement around the Church. I am having some of the greatest times of my Ministry, as Pastor of the wonderful people of Carmi.

I am struggling with some health issues that I hope can be resolved real soon. It is my joy to serve my Lord and the Church at Carmi.

Pastor's report May 2010 to April 2011

Happenings this church year include highs and lows, struggles and peace. Each happening has its place, working together to remold and reshape us as individuals and as a church. We have much to be grateful for.

Pastor Mark Copley finished his 8 year pastorate at Casey the first of November. Thank you, Mark, Candy, and Bethany for your ministry to the congregation and to the community. God bless your work on the District.

Lloyd Simpson became interim speaker during the months of waiting for the calling of a pastor. Thank you Lloyd and Gail for your faithfulness to our congregation. You are appreciated.

Thank you Doug Haynes for answering the many questions asked and guiding us through this time of transition.

Thank you District Superintendent Dr. Jim Spruce, for your trips and for presenting to us the one who has accepted the challenge to become our pastor.

Thank you Pastor Allen Ebbler for accepting us as your next "Shepherding Assignment". You became our pastor, officially, June 19. It was our privilege to welcome you and Vicki to our Church and into the great community of Casey, Illinois.

God bless you, and Vicki, and the congregation, in the joys of becoming workers together, "with God"!

CENTRALIA

Dr. Toler, Dr. Spruce, and the Illinois District Assembly.

Greetings from the Centralia Church of the Nazarene. At the time of this report, I have completed my 10th year of ministry in Centralia, and am well through my 11th. We continue to enjoy a wonderful pastor/congregation relationship. In addition, I am truly blessed to have a church board willing to evaluate the *status quo* on a continual basis to determine how we can be most effective in building the Kingdom of God.

While the economy has been bad, the Centralia church has remained on stable financial footing. Finances have dropped somewhat over previous years, but overall the level of giving has allowed us to keep current in all financial obligations, including paying our denominational apportionments. The board and I have determined that we must be wise stewards of the monies that are given, and part of that stewardship involves the continued support of the denominational works beyond the city limits of Centralia.

I recently completed a Master's degree in Organizational Leadership, a course of study which has equipped me with much knowledge for becoming a better leader. I have shared many points of interest with the board, and together we have attempted ministry from a more purposeful and more cautious approach thus allowing us to use the resources at our disposal more wisely.

Recently, the board and I dissected the church's mission statement," Evangelizing, educating, and encouraging individuals to have a meaningful relationship with Jesus Christ". Our conclusion was that this is still our mission in Centralia. As we go forward, we will continue seeking God's direction for executing this mission in our area. I look forward to seeing what God will accomplish in our community through the Centralia Church of the Nazarene.

Respectfully submitted,
Pastor Tim Mondy

CHAMPAIGN FIRST

Greetings in the name of our Lord! This year we have continued to work on the vision God has given us to show our love for God and for people by helping them get connected to God, to a group, and to a team. We believe God is faithful to finish the work he has started here at Champaign First.

We continue to look for opportunities to get to know people and to lead them to the Lord. In addition to other outreach events some of our members sponsored a 100' by 150' all church garden last summer that allowed us to get to know our neighbors and get to give away a lot of vegetables. We also continue our efforts to help people become involved in small groups and ministry teams.

This year, especially since January, I have felt the Lord continually pressing for us to go deeper. Several times I have been studying during the week and have been led away from my preaching schedule only to get confirmation after the service that God had something special planned. Often our altars have had seekers and God is working! About three months ago God sent us a man who hasn't been in church for years. At the end of the service he was at the altar and he and his family have been on the second row since. I often have someone share with me how God has changed their life in some way during a Sunday School. I am not really sure where God is going with this, but I can't wait to see what he has planned.

We are blessed with a wonderful board and ministry team here at CFC. I want to say thank you to Pastor Cory and Rachel Swinderman who have worked so hard to see the vision accomplished. Thank you to our secretary Dee who constantly finds ways to get things done even though we had to cut her hours. And of course, thank you to my wife Janet who puts the spark in everything while I continue to plug along. I am excited to see what God has planned for us this year as we work shoulder to shoulder in His Kingdom.

In Christ,
Pastor Jim High

CHAMPAIGN NEW DAY

Dr. Toler, Dr. Spruce, Delegates and friends of this Assembly. This is my 9th report for New Day Community Church of the Nazarene and my 8th year of being a bi-vocational Pastor.

We are now into our second year of being "Homeless." As many of you will remember a few years back we sold our property to get out from under the tremendous debt load that we were strapped with. We leased our old building for three years and chose not to renew our lease and began looking for a new place to Worship. For 17 months now we have been renting two rooms from The Refinery in Champaign. Every Sunday morning we set up for Worship and tear down afterwards. We have been forced to be as creative as we possibly can be to have a Worship service, Children's Church and Teen ministries. We have access to the building from 8:00 AM till Noon and we cram as much into those four hours as we can. With all of the major adjustments, inconveniences and at times hassles, we are convinced that we are in the place that we need to be to fulfill the New Day Dream.

Some highlights to our year are that God is working on some husbands that have either been away from the Lord for years or have never served God. One of those husbands was recently saved along with a friend of his that has been coming for a couple of months.

We believe that God is helping us to turn an important corner that will allow us to continue make progress at fulfilling the New Day Dream.

CHRISMAN

As I share with you my fourth annual pastors report it has been a good year at Chrisman Church of the Nazarene. God has been at work in and through the Church and I'm proud of our people. Numerically we are not where we want to be, however, we have new families that have come to be a part of the Church and are actively involved. Our budgets are paid in full thanks to the continued sacrifice of the people in obedience to the Lord.

We celebrated four people baptized and the sacrament of Communion five times. Small groups on Wednesday evening continue to be an important ministry in our Church. God is doing some great things through the leaders in those groups. He is working to mold and shape people into the image of Christ. He is lifting up leadership and just doing something really special.

We have a continued passion for missions. We hosted two missionaries on Sunday mornings and have overpaid our WEF. We give beyond the WEF to special mission offerings as well and love doing it. We take seriously the Great Commission to reach our lost world and the world around us. We have been actively involved in local compassionate ministries with the Crisis Pregnancy Center and the wonderful work they do as well as meeting other needs in our community.

I believe we have some great leadership and God is truly at work in and through us. I thank God for the privilege that is mine to pastor in Chrisman. I thank God for His grace that allows us to serve Him and I pray that the next time you read this report it will bring even greater glory to God than it does today.

My goals for the coming year: AM Worship—90, Sunday School—65, New Nazarenes—5, Baptisms—10, Entirely Sanctified—5. I believe God can use us to exceed these goals and I'm asking Him to do that.

In Christ,

Pastor Chris Hughes

CLINTON FIRST

I continue to give thanks to God for allowing me to be a part of the ministry of the Church of the Nazarene in Clinton, IL.

It is a blessing to be a part of this church family because of the ways that God is continuing to work among us. Over the past year, we have successfully given and maintained focus to two areas of ministry: (1) Greater involvement in the lives of our children and teens and (2) outreach.

There were several areas in which our congregation became more involved in the lives of our children and teens this past year. Our VBS was every Sunday throughout the summer instead of just one week this year which gave more people the opportunity to be involved. We also had several people step up to help out more in Children's Church with the result that several of our children memorized Psalm 23, the Lord's Prayer, and Philippians 2:5-11. Additionally, several people who are not normally involved in Children's ministry visited the children and teen Sunday School classes in order to build intergenerational relationships with them. In addition to all of this, there have been children's events and several teen outings which many of us have hosted or chaperoned. Perhaps the largest contribution of all to the lives of our teens hasn't even happened yet. In just a few months, three of our teens will be headed to Louisville, KY for Nazarene Youth Congress thanks largely to money and time given through fundraisers by individuals in our congregation.

Our goal of outreach this year included being involved in several community oriented events such as May Days, Clinton's 175th anniversary, concerts on the square, block parties, refreshments for the 4th of July fireworks viewing, a Kid's Carnival on our church lawn, handing out water at the Apple and Pork festival, and Trunk or Treat. We also started several events and ministries which provide the opportunities to invite others to church. We had three "friend days", an event we called "A Taste of Sunday School" after our children's Christmas musical, as well as fellowship nights on the Second Sunday night of every month. We've also recently began a new ministry along with the 4th Wednesday meal we have been providing for several years designed to teach money-saving skills such as cooking, gardening, and budgeting. Our most significant change over the last year has been placing our Sunday School after our morning worship service in an attempt to make stronger connections with those who visit our morning worship service by immediately introducing them to a small group in which they might begin to form meaningful and lasting relationships for Christ.

As we look to the year ahead, we have only one goal as a church. *We will seek God through corporate prayer and the reading of God's Word.* Obviously, our children and teens outreach, and serving others will continue to be an important part of who we are as a church. However, I believe that in this coming year God is calling us to just seek him because he is God and he is worth seeking and to trust that in seeking him he will provide everything else that we need. I believe that a year from now we will be able to look back and give God all the glory for the great things he has done.

COLLINSVILLE GOOD SAMARITAN

Since arriving in Collinsville in May 2010, my family has been warmly embraced by a loving and most gracious congregation. This past year we've grown to know and love this dear faith family.

The 2008 Church Health Assessment conducted by New Church Specialties served to guide much of our conversations and work this past year. This intensive study of our congregation health included a church health survey which revealed several significant congregational health concerns.

Three specific areas of concern include 1) leadership development, 2) developing effective structures for ministry (communication, programs, etc.), and 3) healing relationships. Other notable concerns expressed through the assessment survey include: very little 'outreach' ministry in the immediate community, the realities of an aging campus/facility in need of much repair and update, and consistent decline in attendance every year since 2004.

Obviously, this isn't the kind of health report we want to hear (or want others to read). However, we have a congregation that is hungry for the Spirit of God to transform and use us to reach people for Christ. God is doing new things among us.

A few key initiatives and highlights for this past year include:

1. 10 new families were enfolded into our fellowship this past year, 9 people were baptized, and 7 became members.
2. With greater emphasis on missions education through our September Faith Promise Weekend events, we exceeded our goals for giving to others.
3. Ministry partnerships have been formed with several already-existing area agencies like the Collinsville Food Pantry and Faith In Action. Christmas presents and school supplies were provided for several deserving families with students attending the Middle School across the street.
4. In January our '*Common Ground*' home-based, small group ministry was launched. Over half the congregation has been enfolded into one of these intergenerational care groups which help to promote intimate relationships, care for one another, and enfolding others into the life of the church.
5. The development of a trimester ministry leader forum for the purposes of encouraging, equipping, and communicating with all lay leaders together. This also has become a prime platform for health assessment discussions.
6. The adoption of concise mission statement to guide our refocusing process and strategic ministry planning.
7. Our daughter Compassionate Ministry, *Good Samaritan Ministries* in Washington Park, continues to grow. We were able to hire a part-time Center Director. Midweek children's and adult programming has also been added.
8. We welcomed a new ministry staff member in Sharon Autenrieth, our Director of Christian Education.
9. Our campus has received a minor facelift with new paint to many rooms, clear signage throughout the building, etc...

Major goals for this coming year include:

1. Development of a strategic plan for truly becoming an indispensable resource in our surrounding community
2. A thorough full-campus assessment of our campus facilities in light of our ministry goals and needs
3. Continued congregational leadership development

DECATUR OAK GROVE

Dr. Toler, Dr. Spruce, Members and friends of the Illinois District Assembly,

It is indeed my privilege to report as the interim pastor of the Decatur Oak Grove Church of the Nazarene. Even though my time at Oak Grove began two months before the end of the church year, I can say that 2010-2011 has been a good year for the church.

Many good things have happened this year. The fall Youth Revival w/ Big Chap saw well attended services. On the heels of the fall revival, Oak Grove had a great turn out from the community for their Trunk or Treat. At Thanksgiving time, the church packed baskets for needy families in the neighborhood. For the Christmas season, the church provided Gifts for needy elderly in the community. The year wrapped up with a spring revival with Evangelist Lloyd Simpson.

Besides discipleship and missional outreach events, Oak Grove was able to accomplish some much needed upgrades to the facility. Furnaces and roofing were replaced, landscaping was redone and a major asbestos abatement project was completed. The Oak Grove people worked hard this year and they deserve a pat on the back for their efforts!

The hardest part of the year was obviously saying good bye to their dearly loved pastor, Rita Briggs. They miss her deeply but wish her well in her new endeavor.

It has been an honor to serve the Oak Grove people. I see great potential in this congregation and look forward to seeing what God has in their future.

Respectfully submitted,

DECATUR PARKWAY

Dr. Toler, Dr. Spruce, Members and Friends of this Assembly:

It is a privilege to serve the Lord at Parkway. Praise the Lord Jesus for His faithfulness and for every accomplishment this year. Our people have been faithful in the midst of difficult days. Thank God for each one of them.

Again at Christmas time the choirs of Trinity, Oak Grove, and Parkway joined together to perform a wonderful Christmas musical directed by Pastor Ron Black. The musical was presented on two evenings with Parkway and Trinity being the host churches. Each service was a special time of worship and praise, blessed by the Holy Spirit. Thanks to the choirs and Pastor Ron Black who worked together to lift up Jesus in song. Pastor Ron continues to lead our people in worship and praise that blesses our hearts and lifts our spirits.

In the spring nine of Parkway's people ventured on a Work & Witness trip to Florida at the Missionary Village in Bradenton. David Bailey and his team worked together to make a difference. This year our team of workers traveled again to Palmetto, FL to assist Pastor Bruce McEwen to help paint the outside of his church building. What a joy it is to know that we could lend a helping hand to assist fellow servants of Christ in the state of Florida. Thank you Parkway W & W Team!

In August we hosted a fall revival with Billy Huddleston and Brian Arner. Every service was filled with powerful, spiritually uplifting music and anointed preaching. The blessing of the Holy Spirit was present each night. Thank God for His faithfulness and the faithfulness of God's people.

In September Parkway celebrated its 60th Anniversary of ministry for God and the Church of the Nazarene. Dr. Stan Toler was our special guest and speaker for the morning service with Dr. Jim Spruce speaking in the afternoon. Each service was highlighted with great music. Former members and pastors were present to celebrate and enjoy reminiscing about times past.

I love the Lord today and desire to serve Him to the best of my ability. My prayer for Parkway is that God will shake us, shape us, motivate us, and use us to make a difference for Christ.

DECATUR TRINITY

Greetings to all who read this report.

The word that sums up our year at Decatur Trinity is 'growth.' Although our finances have slipped a little as our church is not exempt from the ravages of the tough economy, in every other aspect, we have grown. We have surpassed our attendance goal for Sunday Morning Worship. We wanted to average 50 when in fact, we averaged 51. We also went up in Sunday School going from 38 to 41. But the growth that is most evident is spiritual growth.

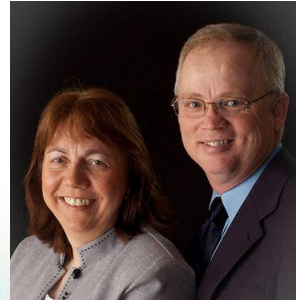

We had another great revival with John Juneman from Nashville, TN. It was the first time in my ministry that we used the same evangelist two years in a row. Pastors, check into having Dr. Juneman as your evangelist and get saturated in God's Word. Bob and Jennifer Wilkerson were our song evangelists and did a great job.

The Spirit of God moves more freely in our services and the love the congregation has for God and each other is a reflection of the Spirit's moving. We have also paid all our appropriations in full. It is our prayer that we continue to grow in Spirit, number, and love for our Lord and each other in the church year to come. All the glory goes to God!

DECATUR WEST SIDE

Dr. Stan A. Toler, Dr. Jim Spruce, members, and friends of this assembly: This will be my fourteenth report at Decatur West Side, and my thirty first as a Nazarene pastor.

As I reflect back on this year we have had our challenges, but also we have enjoyed God's victories as well. One victory can erase those areas that the enemy tries to defeat us in. We have not seen everything happen that we had hoped and prayed for but we continue to trust the Lord for all He is doing here. As you know, it is not always easy to go the path the Lord has laid out for a church or a person. We often have our plans and God helps us to stay the course with Him. I have come to realize that God's plans are always best.

The spirit of the church continues to be strong and we sense the evidence of that in our services as well as times we just gather to be together. There is a lot of good harmony going around. From my point of view we have become much more healthy than we have been in a long time. One of the goals that I set when I first came to West Side was to reach a younger congregation. Over the years we have become much younger as a whole while I have become older. We thank the Lord for His favor upon us.

This report reflects what God is doing at West Side and the people that make up His great church. A special thanks goes to Russ Burch our Minister of Music who leads our music and worship team. I thank our staff at our Naz. Thrift Shop for doing a great job as well. I want to also take this time to thank my wonder wife who stands with me and brings encouragement all through the year. Then I want to thank the Lord for being my Savior and redeemer. The responsibilities of a pastor continue to change, but God provides the added wisdom and strength that is needed.

DU QUOIN

Dr. Toler, Dr. Spruce, Members and Friends of this Sixty-Eighth Assembly of the Illinois District:

This is my fourth report of our ministry to the very loving and faithful people of the DuQuoin Church of the Nazarene. It has been a good year. We can report new people coming and some finding Jesus as their personal Savior. God has opened some new homes to us recently.

The community has many young people and young adults engulfed in alcoholism and drugs. Through personal soul-winning God has led us to some of them and several have come seeking a new way of life. They have prayed in various places as well as our altar. Discipleship is a continued challenge. Love and compassion will endure.

My wife Joan, continues to provide the music and encouragement to my ministry with the DuQuoin Church. She is also active in helping me with the WOW Bible Study that we lead at the LaClede Church on Sunday evening.

God is still our strength and help in the ministry of these two churches. We praise Him for added encouragement this year. We want to express our gratitude to Dr. and Mrs. Spruce, DuQuoin Church, LaClede Church, Salem Grace Church and to all our many friends who prayed, sent cards and expressions of love during the loss of our home by fire. God has been faithful. He protected us and has supplied our every need. To God be the glory.

DUPO BLUFFVIEW CHRISTIAN CENTER

The church this year has seen a great deal of spiritual growth and a slight increase in attendance. We however have suffered greatly financially with several losing their jobs and many being cut back, as well as experiencing and increase in expenses. The good news is that in the last two months we have seen a huge change in our finances which we hope and pray will continue so we can get back into the game so to speak in supporting the district and meeting our obligations, of we have failed miserably this past year.

The church board as well as members have vowed to a renewed commitment in doing our part to support the Nazarene denomination and district in all areas. Also a renewed commitment to the community in local outreach.

We will continue to be missional minded in reaching lost souls, and following Gods words of the great commission.

I have made it a priority to preach on Holiness almost every Sunday, and encourage the congregation to seek holiness, keeping with our Wesleyan Heritage. May God Bless the Church of the Nazarene as we continue to seek and preach His word.

EAST ST. LOUIS RUSH MEMORIAL

I am pleased to submit my fifth report to the District as pastor of the Rush Memorial Church of the Nazarene. God continues to bless our efforts as we build relationships with a community that seems to have lost all hope in having any kind of relationship with a loving, merciful, and forgiving God.

God, through our compassionate ministry has made a way for us to reach out to the homeless community and all others who are in need, to build relationships with them to lead them to a personal relationship with Him. Our church has and always will be a beacon of hope for those who are lost to find their way back to salvation. A gift that only comes through Jesus Christ.

God continues to bless our church, as we faithfully serve Him. One of our members enrolled in the Continuing Lay Ministry study course, recently completed her first year of study. We know God will bless her in her efforts to glorify Him.

In our Bible study and prayer meeting we continue to pray and search the Scriptures for the truths of God's Word as it relates to each of us living a life that will glorify and please Him. God continues to bless our efforts as we seek to glorify Him each and every day.

As we continue to build bridges in the community through our compassionate ministry, we leave the confines of our church walls every Thursday to go out on the streets to take the Gospel of Christ to people who will never enter the doors of a traditional church. We have entered our tenth year of ministering to people who live on the streets. God has allowed us to build relationships and trust with the people we come in contact with. We truly believe people will be saved through this ministry God has given us.

God has allowed our church doors to remain open for twenty-four years. Some people have asked, "How are we able to keep the doors open?" It is by the grace of God and the faith we as a congregation have in a loving God who is worthy to be praised. Although we are a small church, God has empowered us to reach out to the surrounding community with His Word and His love to plant and water so the Holy Spirit can bring people into a personal relationship with Him.

I'm reminded of Gideon, in the book of Judges. God told Gideon he had too many men and to take them down to the water where he would separate them. God did this, so the other nations would know it wasn't the number of men Gideon had that would give him the victory, it was God. Having a small congregation we realize it's not about the number of people we have, it's about the presence of God empowering us through the Holy Spirit to do the work He has given us to do. In God's time the people will come, all we have to do is continue to lift Him up.

We faithfully believe people will be saved here at Rush, as God allows our lives to show evident of the hope we have in Him. We pray people will want the same thing we have. A personal relationship with Him.

EDGEMONT GRACE

This is my eighth pastor's report to the assembly. During my tenure it has been my privilege to serve the people of Edgemont Grace as pastor. Together we have both seen and experienced God at work at Edgemont Grace. The spiritual growth that a number of our members have displayed in coming to know God more intimately and to share their faith with others has become confirmation that God is at work at Edgemont Grace.

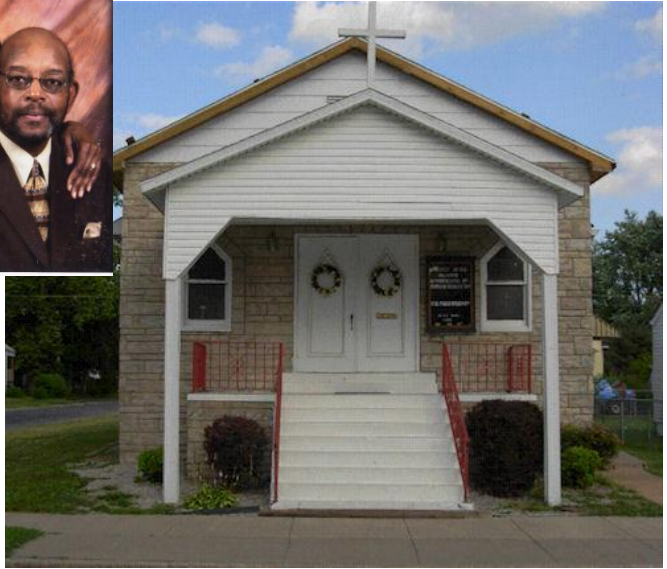

Although the number of members have not increased this year, we are trusting God to add to the church such as He sees fit in the coming years. Our church has experienced it's share of sorrows and delights. Our attendance continues to be a challenge. A few of our long term members are experiencing the adversity of physical aging. These problems have hindered their regular attendance. In addition to their physical problems, are the barriers that our building presents to aged members due to it not being handicapped accessible. There are also a number of members whose employment requires that they work on Sunday. Sadly, one of our members has begun to drift away from their faith and trust in Christ.

Amidst all of those sorrowful challenges, we have had many joyful delights this year. We installed much needed new lighting in the sanctuary. We added new components to our audio system. One of our associate ministers, Rev. Carean Heyliger, was ordained at last year's district assembly. It was a particularly joyful occasion, because she is the youngest daughter of our late pastor, Rev. Carlton Heyliger and Sister Elaine Heyliger.

In our attempt to ensure that we are "funding the mission" electronically, we purchased a laptop computer for our long time church treasurer. Two of our families have had new baby girls added and they have become the joy of our church family. As we reflect on the year which has past, we are grateful to God for His faithfulness to us in every area of our church and individual lives. We know that He is working all things according to His plan and purpose for His people at Edgemont Grace.

FAIRFIELD FOUNTAIN OF LIFE

This is my 39th report as Pastor in the Church of the Nazarene. Twenty seven of which I have served on the Illinois District. This is my third report for Fairfield Fountain of Life Church. It is so wonderful to see our new ones growing and joining into the church.

1. Mrs. Phyllis Nixon had a great testimony! She shared on Wednesday night how God has delivered her from cigarettes. Praise God! She wants to join our church.
2. Leaking roof and messes inside. Donald and Connie French donated the funds and found the laborers. The church rallied to raise the funds for the labor! "Now no leaking roof!" Praise the Lord!
3. The church furnace went out. It was very old and outdated and not very dependable! Sounds like a few Nazarenes I know! The cost to fix the old dinosaur was well over \$5,000.00. With much prayer and researching by Ronnie Pollard we saw God work a great result. A new furnace, installed by professionals for \$4,000.00. Praise the Lord!
4. Spring Revival with Bro. Bill Ulmet! What a great week. He really blessed our church! Twenty four were there on Sunday and a different singer each night. Bro. Bill is a great man of God!
5. "Ashes To Fire" has been so good! We are planning a sing along concert in late July or August.
6. Church Finances has been a real issue and much concern, yet all bills paid. Pastor never missed a paycheck and budgets are paid. Glory Be To God!

"He is not finished with us yet!" "Oh No." So we charge on for God's glory.

FAIRVIEW HEIGHTS PARKVIEW

The 2010-2011 year at Parkview saw good improvement in our Children and Youth Ministries. These have been areas of need over the past few years. Because of the dedicated efforts of some of our adults we now have 12 to 14 children regularly attending Sunday School and Sunday Worship services as opposed to 1 to 5 a year ago.

Through the creative thinking coming out of our board meetings, the Church offered a children's tutoring program to our community in math and reading on Saturday mornings over a three month period. Through the caring efforts and expertise of two of our adult ladies, ten children received help.

Under the good ministry of Tim Sprinkle we have also seen our ministry to the teenagers make strides forward in numbers and in spiritual growth. Like the children, we now see more teenagers attending Sunday School and Worship services as compared to previous years. There have been spiritual breakthroughs and spiritual growth among our young people. Furthermore, there is greater involvement in the ministry of the church and Christian service outside the church. This is the fulfillment of one of our goals.

The adults of the Church are to be commended for their prayerful and financial support that have been a vital part in the growth of these ministries at Parkview.

Nine people professed their faith through baptism and five became members of the church by profession of faith. While Parkview experienced growth statistically this last year, more importantly, we saw spiritual growth among our people.

FLORA

The poet/preacher George Matheson included this line in what would become a cherished hymn: *"I climbed the rainbow through the rain. . ."* In his own fine imagination, Matheson pictured himself stumbling forward through a storm 'til he actually touched the rainbow with his fingers, grasped and climbed, ultimately catching a view of the clearing horizon. In some ways I feel I have shared Matheson's perspective this past year. Saying good bye to several strong believers and devoted members due to death, as well as the challenges of the current economic downturn, has at times left me shivering in the storm. And yet God is faithful! As Matheson testified, the Lord is helping me to climb the rainbow, to catch a new vision of what he desires to accomplish in and through the church in Flora.

Here are some highlights of the 2010-11 church year. Twelve individuals were baptized. Our youth group is growing, with often more than thirty meeting Wednesday night, and we have completed a new, larger teen room. Passion for our world mission has intensified, including giving over \$21,000 to missions and preparing to send eight individuals on a Work and Witness trip to the Southwest Native American District this August. A Monday night ladies' Bible study has begun with over twenty ladies participating. And, revival services with Danny Spears were marked by the highest participation in recent years and many spiritual victories.

Goals for the new year include: greater promotion of Sunday School as well as starting new discipleship opportunities, especially for men; implementing Nazarene Safe procedures; and outreach into the community especially through "servant evangelism" including working with county health and Red Cross in becoming a fully functional emergency shelter.

GEORGETOWN

Dr. Toler, Dr. Spruce, Members and Friends of this Assembly;

This is my 10th year to report for the Georgetown Church of the Nazarene. Some days I ask myself, "how could you have stayed in Georgetown for ten years?" Other days I wonder where has the time gone. My wife and I have been blessed being a part of this congregation for this length of time.

It has been my privilege to have been their pastor this year. As of February 25th, 2011 the Georgetown Church of the Nazarene turned 100 years old. This church has had a rich heritage across the years. Dr. Hugh C. Benner was a charter member. Men like Dr. W. B. Godbey, Rev. C. W. Ruth, Rev. Seth C. Rees and many others graced the church with revivals.

According to our records the first classes, of what was to become Olivet Nazarene College, were held in the tabernacle of what was to become the Georgetown Pentecostal Church of the Nazarene.

Pray for us in Georgetown that we will be a force for the kingdom of heaven in our little town.

GLENVIEW

Dr. Toler, Dr. Spruce, Members and Friends of this Sixty-Eighth Assembly of the Illinois District. This is my 31th report for the Glenview Church of the Nazarene and my 37th report to the Illinois District.

My greatest joy has been seeing so many people of all ages responding to the messages of the Holy Spirit during the Worship services, Sunday School and revivals. Many of these seekers are continuing to grow spiritually.

My next thrilling experience was paying down the church debt from \$42,000 to \$4,049. This happened within a three-month period. What a joy to see our people join the debt-reduction program. We didn't quite make our goal of being debt-free by April 30th, but we will keep working. Our people love their church! Praise the Lord!

Glenview paid all budgets and assessments in full again.

Our revival with Evangelist Rev. Wayne LaForce resulted in excellent attendance and many seekers under his anointed preaching.

I thank the District family for their continued prayers for my wife, Pat. She continues to improve and is assuming more of her duties at home and church. I thank her for her support and standing with me for 51 years of marriage. We are enjoying working for the Lord. Pastoring a unified and Spirit-filled church family is a most enjoyable and fulfilling experience. I know I am in the center of His will. I love Him with all my heart.

GODFREY

Dr. Toler, Dr. Spruce, Members of the Illinois District,

In October the church voted to begin the Refocus process under the guidance of Rev. Mark Copley. This process is in the beginning stages of bearing fruit in the lives of the Refocus Team as well as the church.

There has been a renewed interest in prayer in the church body. There are three different groups of individuals now meeting to pray for the church, individual needs, and the lost.

We were privileged to have a group of people who were looking for a church home visit our church one Sunday morning. Of the group, one gentleman decided to attend our church. Through the encouragement of many from the Monday night small group and others from the church body, James, became an active part of the church. Since then he has joined the Praise Team, joined the Church, and leads a men's prayer group on Saturday mornings. Through his testimony we have seen how the power of God has changed his life.

The church has been blessed with an increase in teens this year. Under the mentorship of their teachers, Caleb and Amy Haynes, the teen's have become involved in the church in several ways: singing in the Praise Team, participating in drama, and singing a song that they had written.

We continue to seek God's will for His church body at Godfrey and give Him praise for all His great blessings.

GRANITE CITY CTM

Greetings in the name of our Lord, Jesus Christ!

Since we arrived in Granite City last fall, one question has driven our efforts: *What will it take to find people foreign to God, the church, and the Gospel and lead them to faith in Christ?*

Naturally, we began by simply getting out into the community, meeting people, and building relationships. Our assumption is that we cannot wait for people to find us; we must go find them. We spend significant time at a couple of local restaurants, the junior college, and the park, for example. Several times we have hosted parties for friends and neighbors. We also do outreach at a local skate park where we hand out water. All of these have proven to be great ways to build relationships with the people of Granite City.

I am happy to report we just recently were privileged to be there as a young lady turned her life over to Christ. In many ways, her story exemplifies what we are trying to do here in Granite City. When we first met her, she was almost completely foreign to Christianity. Now she is a follower of Jesus! I would like to share a portion of a poem she wrote to Jesus:

*...You love us without control,
And even though we wrong you every single day,
In some form or way,
You do not give up on us,
You have not forsaken us,
And I thank you so much,
That you never gave up on me,
Because if I hadn't found your light,
I don't know where I'd be...*

It is a great honor to be able to witness the Lord's work in a person's heart. I am so thankful for what has been done already in Granite City and I look forward to many more who will be rescued from the domain of darkness and brought into the Kingdom of the Beloved Son.

HARRISBURG OASIS COMMUNITY

Dr. Toler, Dr. Spruce, members and friends of this Assembly. It is with a deep sense of gratitude that I submit my 30th Report to the Illinois District Assembly, and my fifth report on behalf of Oasis Community Church of the Nazarene.

Let me begin by saying: I am both honored and humbled to share with you just a portion of what the Lord is doing at Oasis. Let me further say that when we, with the prompting of the Lord, began this work in January '07, in a rented facility, with no money, and with no people, that it never entered my mind that we would be where we are today. The prophet Samuel said it well: *"Hitherto hath the Lord helped us."* (1 Samuel 7:12)

Today, Oasis Community Church of the Nazarene Congregation is both encouraged and enthused that the Illinois District has made this 10,000 square feet facility available. And after only 13 months at this location (formerly known as Harrisburg First Church of the Nazarene), we:

1. Are nearing completion of a totally renovated/remodeled Worship Center with 400+ seating capacity;
2. Have raised over \$107,000 in the past church year;
3. Averaged 36 in Sunday A.M. Worship attendance, with a current average of 60 for the new church year;
4. Have most recently experienced 10 consecutive Sundays with seekers at the altar;
5. Have sponsored two (2) weekly Radio Broadcasts produced by the pastor;
6. Are experiencing and witnessing a move of the Holy Spirit beyond anything heretofore.

The name OASIS is very significant in regards to the message, the mission, the ministry, and the music of this endeavor. We are convinced, that in our world filled with those who have been beaten, bruised, broken, and battered by all manner of sin, there needs to be a place (an Oasis; a refuge) to which one may turn and find help, hope, and holiness of life. Therefore, with the help of the Holy Spirit, our **message** is that Jesus Christ, the incarnate son of God, was born of a virgin, crucified, buried, risen, and coming again. He alone is our OASIS; through repentance toward God and faith in the atoning work of the Lord on the Cross, man may receive forgiveness of sins, cleansing from sin, and preservation from sin in this fallen world, all by the grace of God. Our **mission** is to present the Gospel of the Holy Scriptures to whosoever will receive the infallible, inspired word of God. Our **ministry** is one of compassion toward all men. Our **music**, comprised of hymns, choruses, and southern gospel is inspirational in nature, and conducive to a meaningful worship experience.

Pray for us that we will be found faithful servants of the Lord by all who come behind us.

Respectively submitted,
Rev. Gary L. Clark

HIGHLAND

Dr. Toler, Dr. Spruce and the Illinois District. Greetings from the Highland New Start Church.

It's hard for me to realize that this is my fourth report as Pastor of the Highland Church. Time sure flies when you are having fun! This has been another very interesting year with the potential for the upcoming year to be even more interesting. As in world events, things around the Highland New Start Church are changing also.

We started out in 2007 meeting in the band room of the high school and after some major changes turned into a totally organic type ministry and have been meeting in a miniature golf/Bar-B-Que restaurant. In this struggling economy, the business we were meeting in closed. Unexpectedly, we were suddenly in a position to take over the whole building for ministry as the building owner was willing to provide us the building on a month by month basis.

Shortly after taking over the building, it came to our attention, the former owner of the restaurant, who was a part time attender of our group, became homeless. With some quick temporary partitions, the building was divided and we found ourselves sharing the building. We have watched our "tenant" grow in the Lord. As this new Church year is starting, we find our "tenant" is within a few weeks of moving out of state as he prepares to start a new career in the digital printing industry. More important to us is his relationship with the Lord, which is still growing as he has learned to put his faith and trust in God.

There have been some really nice benefits having someone live in your Church facility. Not only has he kept it clean for us, whenever we show up for services, the lights are on, the temperature is set to a comfortable setting and the doors are unlocked. We will miss that! It is great to have a building with a Church of the Nazarene sign on it available for ministry at any time, without getting permission from someone else and working around their time frames.

We do not know what is waiting for us around the corner in this upcoming year in the Highland Church. We do know there are many lost souls needing saving. May God grant us more workers and allow us to be a part in them finding salvation. God is so good and we appreciate the opportunity to serve him in the Highland area.

JERSEYVILLE

This is my fourth report as senior pastor of Jerseyville Church of the Nazarene. We have had a good—and quiet—year. We continue to “grow in faith, service and the love of Christ.”

Sunday School remains a strong, central part of what we do. The challenge to invite is ever before us. Our worship services have been inspirational. People have responded to the Holy Spirit at the altar.

We re-launched Wednesday evening prayer services. Though attended by only a small group, these gathers are a blessing to those who come. Men's and Women's Fellowships continue meeting the first Sunday afternoon of the month following a carry-in lunch. This format has been very successful. We continue to offer activities for kids and teens. NYI has had a very active year.

We look toward brighter days in the future, with a wide range of things planned. Our greatest challenge is in the area of finances, though we seem to be experiencing the miracle of the widow who provided room and board to the prophet Elijah. Every morning she found just enough good to make it another day.

We thank God for his work in our lives, and believe he has good things in store for us in the coming year.

LACLEDE

Dr Toler, Dr Spruce, fellow pastors, and members and friends of this 68th Illinois District Assembly. I am making my second report for the wonderful people at the Laclede Church. This report comes at the completion of a nearly two year period as the pastor. This is especially significant since I went to this church for a 2-3 week interim assignment following the unexpected and tragic death of Rev. Paul W. Black.

I have served some great churches in the past at Royalton, IL, Springfield South Side, Collinsville First Church, Fortville, IN, Orient, Ohio, and then I retired from the VA Medical Center, Indianapolis, where I served many years as a family therapist. So, I did not expect to be pastoring now. However, I am not complaining. Mary and I are grateful to the Lord for a wonderful place to serve.

I do not know how long we'll remain at Laclede. However, we are thankful for the many blessings, victories and accomplishments we are seeing there. Here are some highlights:

- *Record giving for all purposes (nearly doubled in 2 years);
- *9 POF (20 New Nazarenes in 2 years);
- *All budgets and obligations paid;
- *Record worship attendance (nearly quadrupled in 2 years);
- *Record Sunday School attendance of 18 (nearly tripled in two years);
- *15 percent church for all WEF and approved specials;
- *Paid record amount for Local Compassionate Ministries;
- *We qualify for The General Superintendent's Growth Award;
- * and we have wonderful ministerial assistance in Rev Mike Ice and Joan who

lead our Sunday evening service.

We often jokingly say in the competition and strain of life, "I should quit while I'm ahead." This fact is often brought into real life when in a ball game a team is ahead with only a little time left and in possession of the ball, they exert their privilege to kill time until it becomes a literal fact that the clock has run out while they are ahead.

For the child of God our efforts for the kingdom become a drag when we judge our spirituality by comparing our giving, working and carrying out of other responsibilities with what others do.

The Holy life is perpetuated by SURRENDER to God . . . not "I am ahead of So and So." We can look back and see we are ahead of a whole pack of people, yet we have not done our best to please God.

So, not knowing God's will for us in the days ahead, let Him keep the score . . . after all, the game is not won by beating anyone, but by being obedient to what God expects of us!

LINCOLN

"The wind blows where it pleases. You hear its sound, but you cannot tell where it is from or where it is going. So it is with everyone born of the Spirit." – Jesus

Flying kites, swirling leaves, massive power-generating turbines – all at the mercy of the wind. Sometimes a gentle breeze of refreshing, sometimes the violence of a twister, but the wind is always blowing. To follow Jesus' analogy in his conversation with Nicodemus, the Holy Spirit is moving, doing His work in this world, in His people.

Have you felt the Wind blowing lately?

I'm happy to say the Wind has been blowing around Lincoln Church of the Nazarene recently! I really believe that the Spirit of God is behind many of the changes that have started blowing our way. We have sensed a new spirit of cooperation as several of our ladies have creatively collaborated on raising funds to finish the roof project. Our ministry as an Angel Food host site continues to bless many in the community – driven by a team of committed volunteers. The Baguettes ladies' ministry is off to a good start in providing hand-made items for local disaster victims through the Salvation Army. Even our worship services reflect a new sense of cooperation and dedication as shown in the whole worship crew – musicians, singers, and techies. It's so obvious what these groups doing ministry have in common it's easy to miss. They are working together with a real sense of humility that puts Jesus at the center. When that happens, the Wind blows in and God Himself shows up to multiply sparse resources. When the total is more than the sum of the parts the world calls it 'synergy.' Whatever you call it, it's God's kind of math.

And that's good, for if regular math were all we had to go on, we would have little to celebrate. Our Sunday School, worship attendance and membership numbers are all stagnant. After a year of fundraising we are still struggling to fund the replacement of the roof – and facing other significant (costly) building issues right around the corner. We are an aging congregation with a missing middle demographic (25-40) and we often seem to be wearing out the same few willing teachers and volunteers. If this was all we had going for us – well poor pitiful us!

But when our meager assets meet the Wind of the Spirit things look different. I see the little ones growing in their understanding and love of Jesus and I see adults 'getting it' when it comes to understand and applying God's truth in their lives and I see little pockets of our family getting together to do something for Jesus' sake and I remember that we've got more going for us than we realize. The Lord is here, adding His breath and giving us life. After all, Jesus did say that it only took a few open hearts united to do something for His sake and He would show up and bless them.

The Lord loves to be around when there is unity. Just look at that first Pentecost. Luke writes in Acts 2 that, "the believers were all in one accord." More than just being together in one place, they were of one heart and mind, ready to do what He wanted them to do. He came in. They went out and the world has never been the same. The Wind does that, doesn't he? He flows through where He finds the least resistance. The trick is to go with His flow.

The old poem says of two ships buffeted by the same wind, "Tis the set of the sail and not the gale which determines the way they go." *Trim your sails to catch the Wind and watch where He'll take you!*

MAHOMET

Dr. Toler, Dr. Spruce, Fellow Pastors and Co laborers in Kingdom Building,

Loving God and loving each other has become our motto. Our vision is for people in our circles of influence to become disciples of Jesus Christ.

It is our privilege to serve a congregation whose sincere mission is to become disciples and make disciples through worship, fellowship, discipleship, and service in the marketplace – one day at a time – as we allow the Holy Spirit to work through us.

Last year, ministry team members were stirred by the Holy Spirit and responded to a deepened conviction of the mission with enthusiasm and passion and a heightened accountability to discipleship. Sadly, not everyone in the congregation shared this passion and we experienced a sharp decrease in attendance and giving.

However, we have experienced a fresh moving of the Holy Spirit throughout these dedicated disciples. The spiritual health of the congregation is stronger than ever and steadily growing. A hunger for God's Word and passion for the lost has been remarkable. We expect to see Jesus at every turn and are celebrating spiritual victories on a regular basis. We celebrate an increased number of disciples who are stronger in their faith, serving in ministries to the body of believers and to the community, and who are more unified and committed to the vision and mission God has given this local congregation.

We celebrate spiritual victories and recovery through the steadily growing discipleship groups, Celebrate Recovery, and our ministry to the motorcycle community. Our goals for 2011-2012 are to become an even stronger New Testament body of believers through the power of the Holy Spirit that will be evident by:

Our Unity John 17:21-23, NASB – *“that they may all be one; even as Thou, Father, art in Me, and I in Thee, that they also may be in Us; that the world may believe . . . and the glory which Thou hast given Me I have given to them; that they may be one, just as We are one; I in them, and Thou in Me, that they may be perfected in unity, that the world may know . . .”*; **the Fruit We Bear** John 15:8, NASB – *“By this is My Father glorified, that you bear much fruit, and so prove to be My disciples.”* and **Our Love for Each Other** John 13:35, NASB – *“By this all men will know that you are My disciples, if you have love for one another.”*

MANSFIELD COMMUNITY

"One heart, one mind in Christ!" as described in Acts 4:32 is our commitment to work together in building the Kingdom of God by reaching out to the unchurched in our community. Events like our Community Easter Egg Hunt, stuffing over 5,000 eggs with candy and prizes for the children of Mansfield is one of the tools we use to let people know that we care. I appreciate our church board's focus and commitment to ministry and especially Compassionate Ministries. God has provided many opportunities for us to reach out to the community and get involved in the life of people outside the church. Thirty-two boxes filled with all the necessities for a bountiful Christmas dinner were distributed to needy families the week before Christmas and more food was distributed this year through our food pantry.

We appreciate our ministry partners at the Mansfield United Methodist Church. This year we combine our efforts for Vacation Bible School for the fourth time. Last year we "Went Deep" for VBS with our "Deep Sea Adventure" theme and outreach to the community children with a total of 78 children attending. Bible lessons and great music brought the children in to learn about Jesus' love for them. The theme this year for VBS will be "Son Harvest County Fair: Growing the Fruits of the Spirit". We are saving our VBS materials and making them available to other churches on loan. Soon you will be able to check our website for a listing. Other churches are welcome to contribute to the collection.

Marji Lonberger is our summer Youth Pastor and leads our Teens in spiritual enrichment in Sunday School group and the NYI on Wednesday nights. We appreciate her dedication to mentoring these young people and teaching them the importance of a Christ centered life. During the school year she still teaches their Sunday evening bible study via the internet from Olivet Nazarene University as "Virtual Marji" on Skype. Technology for Jesus is fantastic!

Our Quest this year is to be filled with the Holy Spirit to overflowing! Only then, will it splash out on someone else and give us an opportunity to show them Jesus. We started an additional prayer meeting on Monday nights to pray that the Holy Spirit would be in everything we do and to share our burdens. Our Ministerial Alliance is sponsoring a door-to-door prayer walk asking if the families in our towns have any prayer concerns that they would like us to help them pray about. "I know the plans I have for you," says the Lord, "plans not to harm you, plans to give you hope and a future" Jeremiah 29:11. This is our message to the community from a praying church that cares.

MARION FIRST

Dr, Toler, Dr. Spruce, Fellow Pastors, Members and Friends of this assembly, I am humbled to be able to bring to you my fourteenth report as a Nazarene Pastor, and my fifth report for the good people of Marion First.

I am excited at the time of this writing because of what God is doing. Though the numbers would reflect a slight downturn in average worship and total raised it is not a true reflection of what is happening. Late last fall and winter we went through a tremendous financial struggle, as well as an average attendance that is the lowest that we have experienced since coming here in 2006. Yet, as we continue to serve the Lord those drastic setbacks are being overcome. We are seeing a regular flow of new people in worship. Also we have taken steps to insure better giving to district and general interests. All of this is encouraging, but there is more.

I commented last year about our Wednesday Evening Prayer Meetings which continues to be vital part of our weekly worship and our ladies have added a Tuesday Morning Ladies Bible Study/Prayer meeting. One additional new ministry that we are excited about is "Overcomers." Every Monday night leaders of various social agencies and churches from the surrounding area, along with men and women who are returning to society from incarceration meet for accountability and encouragement. We share physical food, spiritual food, worship and fellowship. We are endeavoring to help those who have served time to find Christ, to find gainful employment, and find purpose. Through this ministry we have seen people go on to gain good jobs and once again become constructive members of society.

Since last fall we have seen a steady increase in Sunday School and Worship attendance. We have new people qualified and willing to serve and currently beginning new assignments. Within the body we now have new families in regular attendance because of our last two years of Vacation Bible School. We also have a new membership class underway with prospective members. We continue to reach out into our community and meet new people seeking to introduce them to Christ. Though His grace we hope to continue to be a healthy congregation on the way to becoming a great blessing to our district.

MARSHALL

Dr. Toler, Dr. Spruce, Members and friends of the Illinois District,

It is hard to believe another year has come and gone. I am grateful for the opportunity to present my sixth report for the wonderful people of Marshall Church of the Nazarene. The Lord has been faithful to lead us through this year. His presence has been real as we sought to share the gospel through worship, children's, men's and women's ministries, fellowship and revivals.

Like many others we have our share of challenges as we strive to be faithful to the Lord's calling. We believe that we serve a God that can do the extraordinary through ordinary people who place their lives in his hands and are willing to step forward and accept whatever responsibility the Lord would give them. During the last half of this year we laid to rest three faithful ladies who loved and served the Lord for many years. Two of them had served as long time board members. This left an obvious void, yet we have had some step forward to take on leadership roles as the Lord led them. I thank the Lord for the willingness of his people to do whatever he would ask so that the gospel would continue to be shared.

I look forward to whatever the Lord has for us in this new year. I am thankful for my loving family, Joan and Nathan, and the special people of Marshall Nazarene, with whom I share this journey. "Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, forever and ever! Amen."

MATTOON EAST SIDE

Dr. Toler, Dr. Spruce, Rev. Haynes, members and friends of this 68th Annual District Assembly: I bring my seventeenth report as pastor of the great people at Mattoon East Side.

In the cycles of any local church, there will be years of special challenge and difficulty. We have experienced that in the 2010-2011 Assembly Year. An unbelievable siege of serious illnesses, major surgeries, significant departures and so much more tested all of us. Thank God, He helped and sustained us—even carried us-- throughout the entire time.

Our people's generosity (both to God's work and to the pastor's family) continued to allow our supporting denominational budgets, as well as local needs. Our altars (and even our pews) once again became places of spiritual help and transformation. Our youth were again a part of "One Heart, Many Hands" in Columbus, Ohio-- and will return there this summer.

The platform area of East Side has undergone a significant renovation this past year, with more still to come. Other improvements in the Fellowship Hall and elsewhere have been completed, and other "finishing touches are still planned. Thanks to *great* insurance coverage through the Nordholm-Jump Agency, we were able to have a beautiful new roof installed on our building. What a blessing!

The south entryway to our parking area is presently in the process of being doubled in size right now as we begin the 2011-2012 church year. That will be followed up by some extensive repair work and re-striping to our north parking lot. Other projects within our building complex that have been postponed for a long time will finally be completed.

Above all, though, we are praying to see Mattoon East Side used by God to bring hope, comfort and healing to those we seek to serve.

Respectfully submitted,
JOHN CONNETT

MATTOON REAL LIFE COMMUNITY

Dr. Toler, Dr. Spruce, Members of this 2011 District Assembly:

This is my seventh report for Mattoon (First) Real Life Community Church. This is an excellent church and a loving group of people. They have seen many changes since the beginning of this church as First Church of the Nazarene. There have been many good days and many souls come to the Lord at the altars of this church. It has sent many out to minister to others in many parts of the world.

Since becoming Real Life Community Church, we have attempted many things in an effort to increase attendance and finances. But most of all we have preached the Word of the Lord and endeavored to raise the awareness of Christ to the community of Mattoon, Charleston and the surrounding area.

Once again Mattoon Real Life has been a church touched by the presence of God in our services. The people have responded to the call of God on their lives to seek His face in prayer and service. We are indeed a blessed people.

We are glad to report all budgets paid in full and all financial obligations met for another year. Our people have been a giving people this year and are to be congratulated on their faithfulness.

New families are now calling RLCC their church home. New Bible Studies are now offered and people from the community attending these studies. Financial Peace University was offered for the first time this year and fifteen people moved toward being debt free.

God is great and greatly to be praised!

In His Grip,

Walter Sheets

MONTICELLO

There has been a wonderful spirit in the church body this past year. Each service has been a joy to be with God and his people.

One of the highlights this year was having the privilege of baptizing Heather Logue, Jacob Logue and Tom Marshall. We did it in an old fashion setting, a pond on a hot August afternoon. We had a good number of people witness it. It was a great day.

Later this year I received Tom Marshall and Heather Logue into church membership by profession of faith.

Our Missionary department led by Betty Karnes has been extremely active as usual: Sending out Crisis Care Kits, sponsoring Sun Valley Indian School, numerous families sponsoring children, donations to Haiti, supporting local Willow Tree Mission for abused women and children, and donating to our local community food pantry.

And praise God for 52 years of continual budgets paid in full!

"Delight yourself in the Lord and He will give you the desires of your heart" Psalm 37:4

This is my first time to give a report as a fill in pastor. It has been my privilege to pastor the fine and loving people of Monticello for these past few months. They have a wonderful spirit and have made us welcome as one of their own from the very start. We have seen God move on some services to draw the people and myself closer to God. They have seen some families they have been praying for come to the church so the Lord is working spiritually and numerically.

They are looking forward to the new pastor coming in. He has a good core of solid, spirit filled people to work with. I see great days ahead for them and am glad to have been a part of the Monticello church. They have become a second church family to us, but even more we have become friends and co-workers in Christ with them.

MOUNT CARMEL

Members and friends of the 2011 Illinois District Assembly:

Our numbers may be down, finances are down. But God is building His Church. "I will build My church, and the gates of Hades shall not prevail against it. [Matthew](#) 16:18b. Upon hearing Peter's words, "You are the Christ, the Son of the living God", Jesus made a most important decree. He said "I will build My church, and the gates of Hades shall not prevail against it". True to his word Jesus has been building his church and continues to do so. Our confession of Christ is that in which God acts and every time repentance is made, a person is added to the church.

One of the many analogies that describe the nature of God is that of a builder and his building. God is the supreme architect, Jesus is the [master builder](#). The Holy Spirit is the agent who gathers the material needed for the project. We are the material he gathers and uses. Every builder begins with a foundation. Jesus is that foundation. "Behold, I lay in Zion a stone for a foundation, A tried stone, a precious cornerstone, a sure foundation;" Isaiah 28:16a, the cornerstone marks the identity of a building. We build our lives on this foundation and find identity in Christ. No attack against him will prevail or prosper. Storms, heat, cold, the passing of time do not erode this foundation. He is indeed a "sure" foundation. "You also, like living stones, are being built into a spiritual house to be a holy priesthood, offering spiritual sacrifices acceptable to God through Jesus Christ." 1 Peter 2:5 "Living stones" what a contradiction in terms. Nothing is more inanimate than a stone. The idea that God infused life where it did not exist before shows us something of the wonder of the gospel. God takes us in our most lifeless form, when we were dead in trespasses and sins, and gives us new life in him. In his hands we become malleable and the Lord shapes us so that we may be a part of his church. God's Word, is the blueprint that directs us. The church has a purpose. It is the "dwelling place of God in the Spirit". Holy Spirit lives in the church. He indwells every lively stone. Through him the church fulfills the purposes of God on the earth.

You may observe the church to be something other than a perfectly fitted structure where each member supports the other. Churches may resemble something different. Instead of harmony there is strife, instead of honor there is dishonor, instead of order there is disorder. You may have wondered, "What's wrong with the church? Where did it lose its uniqueness and become like any other building?" When "The Leaning Tower of Pisa" was built the tower lost its vertical perspective and began to move horizontally. Churches do this also. When we see flaws in the church it is due to the earthly leanings of its members. Just like the leaning tower of Pisa it sometimes takes awhile before you notice the lean. The Tower of Pisa was closed to tourists in 1990 due to the advancement of its lean. Corrective measures were made to make the tower safe it reopened in 2000. We must therefore keep our vertical perspective with God and let the Church be built by none other than Jesus Christ Himself. Let us draw nearer to God to keep our vertical perspective.

MOUNT ERIE

Dr Toler, Dr Spruce, fellow pastors, and members of this assembly,

Greetings once again from the congregation of the Mt. Erie Church of the Nazarene. This is my fifth report for our local church. It is still an honor and blessing to be the pastor of this loving church.

I always struggle to put into words a recap of the previous year. Unlike prior years we have not lost anybody in our church. But as usual we have seen more people start coming to our services this past year. Four new families with young children have been coming, with most close to a year now. It is exciting and they are helping to breathe new life into the church.

Although our attendance figures are just slightly down in morning worship that is in no way a reflection of where we are as a church body. The church is coming together spiritually and truly becoming a body! We thank God that He is doing this work among us.

All of our budgets and bills are paid in full again for the fifth straight year. Praise God! We all look forward to serving God for another year together here at Mt. Erie.

MOUNT STERLING

Dr. Toler, Dr. Spruce, Delegates and Friends of this Assembly,

This church continues to rally together and face the challenges that present themselves.

We have made some modest strides to minister to our community. The project to replace the church roof has been a major task for the church. This project was just completed in May!

We have shown recent increases in attendance for Sunday School and morning worship.

The spirit is good and the hopes are high! Please continue to pray for us as we continue to pray for you.

MURPHYSBORO

This past church year the ***Murphysboro First Church of the Nazarene*** grew closer and stronger...as we experienced a few “adjustments” along the way.

Murphysboro First is indeed blessed with the strong presence of God...a body of believers focused on seeking and following God's will...and when prompted by the Holy Spirit, moving out of comfort zones and into taking steps of faith for the advancement of His kingdom! Evangelist Randy Dority came to Murphysboro First September 8-12, 2010 to share with us, up to the minute, from God's heart. Other evangelists scheduled to come to Murphysboro First are Gary Bond, Nathan Covington, and Larry & Tamla Leckrone.

I am once again thrilled to be able to report that thanks to prayer and sacrificial giving **ALL budgets are once again PAID IN FULL**. There is a ripple effect of God's blessings of deeper growth and higher spirituality throughout a congregation who decide to take God up on His challenge as recorded in Malachi 3.

That was how it was this past year at Murphysboro First...a year of God moving and His people responding and trusting Him. Praise the Lord!

NEBO

Dr. Toler, Dr. Spruce, Members and Friends of this Assembly:

God has been exceedingly faithful once again, as we endeavor to do His work in southern Pike County. God has been faithful to answer prayer as Lori and I welcomed our 4th child a little girl to go with her 3 big brothers. As most of you know she came with some issues and spent 14 days in the NICU, Praise the Lord what looked so bleak turned into a great celebration of God's miracles! We thank each and every one of you for your prayers and support.

We are pleased to report that there have been victories around the altar, where lives have been dedicated and transformed. We have had an 18% increase in morning worship, 8% increase in membership, and a 37% increase in giving; we celebrate how God has led us thru this year. As we celebrate these victories we are mindful there is still much to do, we have not arrived, nor has every soul been claimed into the Kingdom, we cannot let up. There are those that are still living on the fringe and need the Sanctifying power of the Holy Spirit to take the next step. We also had a great revival with Rev. Duane and Ruth Smith, they once again were a tremendous help.

We went all out for VBS with a county fair theme that averaged 53 during the week and concluded with a complete county fair, including bounce house, pony rides, cotton candy, and all of the other fair games. We had a tremendous crowd that Sunday evening with well over 100 in attendance.

All budgets are paid in full for the 7th year in a row with over \$20,000 of capital improvements done on the facilities, the people have really stepped up as the needs have arrived. We have installed new air in the sanctuary, new wheel chair ramp/handicapped parking, and parking lot revamp.

I want to thank the Church for the opportunity to serve, and thank my wife and children for their continue support and burden for the community for which we have been called to share the Good News of Christ and the Holiness message.

Respectfully Submitted,

OAKWOOD

Dr. Toler, Dr. Spruce and members of this assembly,

Greetings in the name of our Lord Jesus Christ. I am privileged to be a small part of God's Kingdom.

The challenges this past year have brought us to our knees in prayer. Our doors are still open. Our desire as a church is to be the instruments of God to win the lost. By the Grace of God we will continue to do so.

We have witnessed to our community by helping families with food and travelers needing help with gas and food.

Under the direction of our new director, Mrs. Alicia Hance, we are the best daycare in the community.

We are looking forward to a better year. God continues to bless.

OGDEN

Dr. Toler, Dr. Spruce, and members of the Illinois District

I want to open my report by thanking the Ogden church for the love and grace they have shown myself, my family and each other. The last year has been an amazing time of working together for the Kingdom!

This is my tenth report to the Illinois District as the pastor of the Ogden Church and again we have seen God's Spirit move among His people in our church.

This year the ministry of our church reached far beyond the walls of our building. We continued our partnership with Urbana Lighthouse giving them in excess of 9000 dollars over the last twelve months. Despite current economic conditions we managed to fund our Work and Witness trip to Alaska. It was a blessing to touch the lives of those working in the compassionate ministry located in Anchorage.

We were blessed with two new members and our membership remains at an all-time high. Our morning worship is up 15% over last year and it is exciting to see new faces in our sanctuary! But we all know a church family is about more than just numbers. More importantly I believe we have grown closer to Christ. I believe collectively and individually we can claim that we leave this church year closer to God and more excited about ministry.

I am humbled by the love of God the Ogden Church has poured out on their parsonage family. I am blessed and honored to be their pastor.

OLIVET

HIGHLIGHTS -

- I bring my 19th annual report serving as the pastor of this loving, compassionate, supporting and giving congregation.
- Celebrating ALL BUDGETS FOR OTHERS PAID IN FULL 18 years in a row. Thanks to the district superintendent and the DAB for providing a 15 day grace period following the close of the church year.
- The following have joined our church by Profession of Faith: Monte and Denise Kern, Rev. Richard and Patty Cook.
- We completed Phase 3 Sanctuary Remodeling with a total renovation of the sanctuary and new entrances. Thanks to the DAB for their support in approving this major project. A rededication service was held on May 29 as we celebrated the completion of Remodeling Phases 1, 2 and 3. The total cost was \$180,000 with only a need to borrow \$45,000 for the project.
- We are enjoying a great fellowship together and a united spirit with the Church Board and Congregation. Dr. Spruce conducted the Pastor/Church Board Evaluation in November 2010 with the board unanimously agreeing to continue the current pastoral arrangements for the next 4 years. GLORY!
- The Olivet Congregation and Board are making plans for our 100th Anniversary of our local church in the summer of 2012.
- God is moving in special ways with many finding spiritual victory and renewed commitment to the cause of the Great Kingdom work in Olivet. I enjoy the connection in the community and the surrounding area of being known as "BROTHER BLUE", even by the small children. This ministry outside the congregation has allowed me to conduct 86 funerals in the past year. Many un-churched families were served as an extension of our Church Family.
- Our Women's Ministry participated in providing 39 Samaritan Purse shoeboxes for Christmas, contributed financially to the local Christmas Basket program and also provided cash gifts to an adopted family at Christmas.
- With the wonderful presence of the Holy Spirit empowering me as the leader of this great group of people I am committed to the solid doctrines of our great denomination, the Church of the Nazarene.
- Chris and I are truly blessed to have the opportunity to serve this GREAT CONGREGATION AT OLIVET. They are very faithful in upgrading the needs in the parsonage and also showering us with gifts and cards for special occasions. WE TRULY LOVE OUR CHURCH FAMILY! GLORY!!!

OLNEY

This is my second report as the pastor of the Olney church. It has been an exciting year of change in our lives. God has blessed us in so many ways this past year. He has been faithful to us and we have found him true.

We have seen new people become committed to God and the church. There is a new excitement in the church and God has blessed us through it all. We have also been able to pay our budgets in full.

As God has released us of our call as the Pastor of the Olney church, we are striving to continue in obedience to our Lord and Savior. It will be a challenging year for the church but we are trusting that God will continue to bless and strengthen us. As we move into a new phase in our ministry, we are looking forward to seeing what great things God has in store for His church and His people.

PANA FIRST

Dr. Spruce and District friends,

This is my thirteenth and final report as pastor of the Pana First Church of the Nazarene and I must start this report by saying it has been a privilege to be pastor of one of the most compassionate and caring churches this side of heaven. To give you an example, we were blessed to not lose one member to death over the past year but still hosted over twenty funeral dinners for families in our community feeding well over a thousand people. At Christmas time people at Pana Naz gave and gave until over two hundred children in our community were assured of presents under the tree on Christmas morning. On Friday night Kidz 4 Jesus saw as many as fifty children from outside our church having fun learning about Jesus every Friday night. Our youth group went to Dare 2 Share and came back with a fire that has seen our youth group not just double in size, but spirit. I can't tell you how wonderful it is to preach in a church where the first three rows are lined with teens worshipping the Lord!

When it comes to worship God has blessed Pana First with a home-grown praise team that is bringing the joy of the Lord to worship every Sunday. On Easter Sunday the sanctuary was packed and as the praise band played I looked down and saw a young man who had come with my sister for his first Easter in church. There were tears streaming down this young man's face who had experienced nothing but abuse from his earthly family. When I asked him what was wrong he told me, "I have never felt the love that I feel in this place right now. And I want this in my life." And right there, before a word was preached I had the privilege to lead him to the saving grace of Jesus Christ!

On Mother's Day we not only honored over one hundred mothers but had the privilege to dedicate a ten beautiful babies to the Lord! What a mighty God we serve!

I tell you all this because it demonstrates that the work of the Holy Spirit that continues to happen at Pana First is not because of a pastor but because of a family of God in love with God and with each other.

The Sunday after I announced my resignation a couple who is battling ALS challenged the congregation to pay off the church debt in five years. Over fifty families responded and are giving sacrificially so that people can know the sacrificial love of Christ.

People are on the move at Pana First! And even though it saddens Vicki and I to leave our family, and our son, at Pana First, we are overjoyed that the mission of the Great Commission is continuing to be fulfilled. The goal and theme at Pana First has not changed in thirteen years- to be the one who will be the hands and feet of Jesus to a lost and dying world. ***To love your family into the family of God.***

I want to thank my family at Pana First for thirteen blessed and wonderful years. I may not be your pastor in the coming years, but I will always be your friend. I want to thank my wife and family for being my rock in the toughest year of my life physically and emotionally. Most of all I want to thank God. Every time I tell Him that I can't do this job, He reminds me that He can. With God's blessings, Jesus' love, and the Holy Spirit's power Pana First is going to keep going, keep growing in Spirit and in numbers.

Respectfully submitted,
Rev. Allen J. Ebbler

PARIS FIRST

To all, who have gathered in the name of Christ for this great assembly, it has been another blessed year, for the Paris Church.

The statistics tell the numerical story of another good year in many areas. The memories lingering around that blessed old altar remind us, of far greater landmarks of success! Those memories which come forth today, of souls who were saved and lives that are being transformed are not the testimony of some ancient great days of long ago. They are the 2011, up-to-date stories of the faithfulness of Christ to His Church, when the congregation becomes obedient to the Holy Spirit! Bottom line is—souls are still getting saved and hearts are still being cleansed and filled with the Holy Spirit in the Paris Church! And God is finding a resting place for His Glory among His people!

The results are a community that is now receiving a renewed message, that we still love and care about you! Although, I am passing the baton of leader-ship, because of some ongoing and severely limiting health concerns, I do so with full confidence and assurance, that God has a new pastor and an even bigger plan for the days ahead in the Paris Church of the Nazarene!

May The Lord continue to put color in the dreams of his faithful people.

A most blessed servant,
Ron Ingram

PITTSFIELD

Celebrate! Amazing grace has given us the invitation, opportunity and reason to celebrate through the work of the Spirit in the Community of faith at Pittsfield Nazarene.

We celebrate God and celebrate what He has been doing in the life of His people. Submitting this pastoral report, which is my first, after nearly six months of serving with Pittsfield Nazarene, my heart is full. It is my first report and Lord willing, will be the initial of many. How grateful Mary-Lou and I are, along with our family to have connected with Pike County Nazarene's. These have been amazing months and God gets the credit, He gets the honour and He gets the glory. We pray He smiles!

Here's just a short list of things we celebrate.....

* We have celebrated & celebrate in coming together.....Worship, Lord's Supper, Revival, Special services with children / youth, many first-time guests and most of all the anointing presence of the Holy Spirit.

* We celebrate the public testimony of believers who proclaim their faith in Christ..... Baptism of six believers, approximately 12 new disciples beginning the Christ journey, those who have kept the faith through the years and three who celebrate with the King of kings in passing over the threshold into Glory!

* We celebrate with all those who have served with huge hearts to bless.... board members, leaders, teachers, volunteers and everyone who has offered a cup of cold water or perhaps coca-cola, candy-bar or coffee in Jesus name.

* We celebrate gracious generosity of God's people with over \$400,000 given in challenging economic times. And with generosity, all financial obligations paid in full, all budgetary responsibilities overpaid with 10% plus given towards world evangelism.

* We celebrate our heritage.... a Church Community with incredible influence in Pittsfield/Pike County since 1938, Godly leaders who have formed Christ-like disciples and servants who have sacrificed through the years.

* We celebrate where we are going.... EXPERIENCING God & Church Community, EQUIPPING for service and ENGAGING our world with the Great Gospel message. We look forward to new ministries with those who are imprisoned, motorcycle enthusiasts, college & early career, shift-workers, and families.

* We celebrate who we are

- We are a Christian people - Connected to Christ
- We are a holiness people - Living in Christ
- We are a missional people - Serving like Christ

Sincerely submitted in celebration,

QUINCY EMMANUEL

Pastor Chad and Kelly Garinger accepted a call to another church and I was asked to serve as pulpit supply at Quincy Emmanuel Church beginning September 19, 2010. The Church warmly welcomed Karry and me back, since we served in this position in 2002 and as recent as 2008.

Let me begin by giving God all praise and glory for His grace that has helped us throughout this year along with many prayers.

I would love to report that our year has been filled with joy and laughter and each worship service resulting in souls added to the church. The truth is we've experienced joy and sorrow. Laughter, weeping, sickness, death, glorious worship, encouraging missionary services, singing and sharing along with disappointments. And yet, God's love remains strong.

I am reminded of Romans 8:35-37, "Who shall separate us from the love of Christ? Shall trouble or hardship or persecution or famine or nakedness or danger or sword? No, in all things we are more than conquerors through him who loved us."

In His Service,
Cedric Richardson

RANTOUL

Dr. Toler, Dr. Spruce, members and friends of this sixty-eighth assembly of the Illinois District. This is my 31st report for the Rantoul Church and my 37th report to the Illinois District.

Significant sacrifice and service was rendered by our congregation this year. While we have not achieved all of our goals we have committed ourselves to continued efforts to build the kingdom of God in Rantoul. The economic downturn and drop in numbers impacted us greatly but there were bright moments and events when the Spirit moved mightily to encourage us onward. Four children in our Sunday School have validated the worth of Sunday School and the faithfulness of our staff by giving their hearts to Christ.

We are grateful for all the faithful hearts that have stood firm, continuing to keep the faith and believe that God has more for us than we currently are experiencing. We continue to reach out to needy people and lost souls and we are touching lives. We believe days of growth lie ahead. By His grace this will be the year of discipleship and growth.

I am grateful for Kathy, my wife of 42 years. She is a model of piety and faithful love to her Lord, her family and her church. She is a faithful steward of the resources God has given us.

Our families by blood and by faith are both precious. To God be the glory!

Respectfully submitted,

Michael Curtis

ROXANA

This year has been another active year of ministry as we have continued to try to improve the quality of our facilities and our ministries. As always, in some areas we have done better than in others, but I am convinced that the church is in better shape today than it was at this moment last year.

As is always the case, this past year has been one in which we continued to press forward to be better this year than the last. As such, there have been several improvements made in this past year and I think it would be a good idea to take a moment to enumerate them.

Highlights of the past year include,

1. Replacement of the entire roof. We were able to replace the entire roof for both the church side and the FLC side with a net out of pocket expense of just over \$5000—a total cost of over \$60,000. Thank God for hail and insurance.
2. Remodeling the foyer. The foyer has been undergoing a facelift in the past year. New paint, new lights, and a few other items have added a fresh look to our primary gathering place.
3. Remodeling the church offices. The most obvious project this year has been the rebuild of the church offices.
4. The best year yet for the NCC. There have been more events and better attendance than ever before, making the NCC an even more important part of our mission of Connecting People with Jesus.
5. The best year ever for Faith Promise. Under the leadership of our missions council and our speakers the Kroezees, we experienced a great faith promise convention with our highest ever total commitment to missions.
6. The best year yet for the Bike Sunday. This year's bike Sunday was a real record breaker, with nearly 1200 motorcycles involved.
7. Completion of my PhD. The church has been very supportive and generous during these ten years of study.

God is good, all the time and it is a joy to serve Him and His church.

ROYALTON

Dear Dr. Toler, Dr. Spruce, and delegates to the assembly,

This is my sixteenth report for the Royalton Church of the Nazarene. We have truly experienced an exciting year. God has blessed us in so many ways. We have experienced significant growth in just about every area.

The most exciting growth we have experienced has been with our youth group. Tim Sorensen leads our youth group. We began with around six who attended our youth group regularly and we are now averaging between 25 to 30 who regularly attend the Sunday evening youth meeting and the Wednesday night youth service. The greatest thing is watching the youth grow spiritually. They have no problem testifying of their faith in our adult services. It's amazing! The Church, with District approval, decided to hire Tim Sorensen as our Youth Pastor. He is doing a great job.

God has been blessing beyond what we could have asked or imagined. We also had a great weekend revival with Dan Bohi. With his obedience to God lives were dramatically changed and renewed with Jesus. It had a major impact on the church. It's been great watching God work in people's lives and see them grow in His grace. I want to thank God for the opportunity He has given me to Pastor such a wonderful church. I am looking forward to what God has in store for the future. I know God is doing things right now we have yet to see.

SALEM GRACE

This past year has been another year of forward progress for Grace Nazarene Church. We continue to believe and offer praise as God proves faithful year after year. Here are a few exciting notes from the last year.

We had 38 people commit to membership.

We saw 11 people give public testimony through baptism.

We saw our average worship attendance raise by 10 people.

We saw our average in our discipleship classes/groups raise by 38 people.

We experienced financial growth of over 67,000 dollars.

We have witnessed people changed by encountering the love of Christ.

We witnessed God reuniting a family as they went from divorced to remarried.

We sent 12 individuals to share the love of Christ to the people in Bangladesh.

We launched a Men's Ministry and a Women's Ministry that is producing fruit.

We have see our youth group come to life.

We fed approximately 100 families per month through our community food pantry.

We hired Pastor Aaron Horton as our new associate. He and his wife Becky have been a great addition to our ministry team.

We completed a sanctuary renovation that included adding 2 balconies that accommodate for approximately 60 additional seats in our sanctuary.

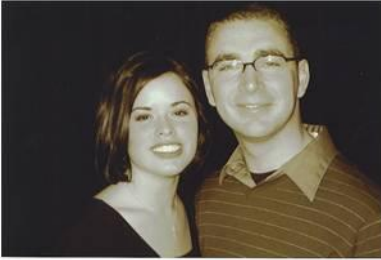

It has been an exciting year of bringing hope through Jesus Christ by reaching, growing, and serving the people of our community. I continue to stand amazed in the presence of the Lord's faithfulness. I find myself in awe of Him, as well as God's people that He has allowed me to partner with in ministry. I am a blessed to be a part of Grace Church of the Nazarene.

SHELBYVILLE

It has been an awesome year here in Shelbyville. It is exciting to see God's hand moving so freely in our Church. The presence of God is obvious in our worship services. We are worshiping in spirit and in truth and God is meeting us as we bring real glory to Him. We are living in the days of God's movement. We don't have to look back at past revivals to be excited, we are excited about what God is doing NOW! Today is the day of salvation and we are calling on the Lord and He is here, Praise His name!!

We have had a lot of excitement over our new building. We just need to get the parking lot and driveways done along with landscaping and it will be finished. I am optimistic that by assembly time we will be able to say it is complete. It is an awesome ministry tool. It is 80' X 114' and it is nice. It has a huge kitchen, restrooms, 4 new class rooms, and a regulation size gym floor with top of the line basketball and volleyball equipment installed. It is awesome seeing our community use this "bridge". It is built to reach and we have more community events in it than we do church activities. The high school, humane society, pregnancy resource center, and several grade school sports teams have taken advantage of our facility. We have a great church who sees the building more for "others" than for us. They don't just say it. It is easy to see by the way they use the building God has given us. It is a tool to meet needs, and it is effective.

The Church continues to grow both numerically and spiritually. We have many Sundays when we are crowded in our sanctuary. It makes me nervous about what God has planned for us to do. I am nervous, but excited. It is kind of like the feeling you have just before the "big game" starts. We are ready to roll!

Go! Fight! Win!

SHERMAN

Dr. Toler, Dr. Spruce, members of the assembly,

It is with great joy that I bring to you my third report as pastor of the Sherman Church of the Nazarene. At Sherman, we are learning to be a praying church. We are learning to hear His plan. We are learning to disciple those whom He brings to us. Through all, God is bringing the increase.

God brought our attention to prayer 2 ½ years ago. Although we strive to be a praying church, at times we still struggle to have it be the very center of everything that we do. It was a great time in April of this year to have Pastor Corey Jones, Crossroads Tabernacle Church of the Nazarene, as well as pastors from the Illinois District join us for a prayer encounter and revival.

Through these times of prayer, God is directing us step by step. Many in our church family in recent days have felt led to focus on making disciples who will make disciples themselves. We are learning to take God at His word that as we follow His command to make disciples, He will build His church.

We are beginning to experience some of the fruit of this time of concentrated prayer and seeking God. Sinners are being won to Christ, those who have fallen away are renewing their commitments and people are excited to disciple others and be discipled themselves. After years of stagnation and decrease, we are finally seeing an increase in attendance and more than that, an increase in a desire to know God.

SPARTA

Sparta Church of the Nazarene is doing well. We have a faithful group of people who love the Lord. Although we have not added to our membership this year, we have grown in regular attendance. We expect once again to have an outstanding V.B.S, and at this time we are planning for revival. We have added an outstanding new church sign and we are presently making changes within our church.

Our pastor's study will soon become a study and library with all members able to use it. We once again have a steady flow of children coming back into the church. Pray that we can get their parents into our congregation, and allow the Spirit of God to meet with them. Our financial status is well and just pray for us.

SPRINGFIELD FIRST

Dr. Toler, Dr. Spruce, Members and Friends of the Assembly,

This is my 29th pastor's report for the Church of the Nazarene and my seventh report for Springfield First Church of the Nazarene. This year, as a church, we have continued to strive to fulfill our mission and purpose to: "Love God, Love Others – within the community of believers, and Serve our World."

We have "Loved God" by participating in "The Transformation," an eight-week spiritual journey of Bible reading, prayer and fasting, and spending time with the Lord. We have also had a renewed emphasis on making the church a "House of Prayer" as we have sought His manifest presence and we have seen God, the Holy Spirit, move in mighty ways in those prayer gatherings. Also, our worship gatherings are joyous occasions that continue to draw us ever closer to the Lord.

We have "Loved Others" by strengthening our small group ministry and involving more within this important ministry; also by strengthening both our children's ministry and ministry to teens and their families; and then by grieving together, rejoicing together, celebrating victories together, and helping to carry one another's burdens. We are living out Romans 15:5-6 which says, *"May the God who gives endurance and encouragement give you a spirit of unity among yourselves as you follow Christ Jesus, so that with one heart and mouth you may glorify the God and Father of our Lord Jesus Christ."* We know, as we love others within the community of believers, others will be attracted to Christ.

We have also "Served our World" by not only paying all of budgets in full, but also by our first Work and Witness team, traveling to Guyana; continuing Momentum a Friday evenings outreach to teen students, where we have seen many students accept Christ as their Savior, by having a team of volunteers at Lee School minister every week at this public school where 93% of the students live below the poverty level; by sponsoring a "Neighborhood Connection," a giant block party for our community with a 5K race, live music, etc. all for the benefit of Hope Institute which ministers to children with disabilities; by sponsoring Upward Basketball for the children of our community; by providing monthly meals at a homeless shelter, Helping Hands, and at the local Ronald McDonald House; by supporting Sojourn, a shelter for women who have been abused, and by many other outreach endeavors.

We know that as we authentically live out our purpose, as we spend time with the Lord, as we cry out to Him, and as we experience His presence among us we will have an even greater impact in leading others to our Savior.

SPRINGFIELD TRINITY

Dr. Toler, Dr. Spruce, Rev. Haynes, members of the Illinois District. God has again blessed our church in many ways. We are anticipating even greater things for next year.

Our church still holds revivals, supports Holiness Camp meetings, and reaches out to the needs of the community. We sent ten teens to Nazarene sponsored camps, took in new members, started a class for new young adults, preached the word, prayed daily for God's guidance, saw one attend ONU, and let God work.

We hope to do better next year, by giving more to budgets, reaching out more, and continue having revivals. We are sending eight to camp, sending another to ONU, reviving Illinois Holiness camp, and bring in more new members.

God is indeed very good!

TAYLORVILLE FIRST

Dr. Toler, Dr. Spruce, Rev. Haynes and members of the Illinois District,

I submit my 4th report for the Taylorville First Church of the Nazarene after my third full year of being pastor.

This has been another year of vital ministry in the church. We have seen some new faces in our congregation who have started to take an active part in ministry. We have also mourned the loss of members who have gone to heaven this year.

Jessica Kettelkamp was killed in a car accident on her way to Milikin in May and our church family misses her every Sunday.

Bobbie Goings was just getting her feet back into the vital ministry of the church, when she was unexpectedly taken to heaven in February. Under Bobbie's leadership we saw a successful Christmas Day meal planned, a New Years eve get together and a few other fellowships that brought the church together.

Our Clothing Ministry continues to clothe several families in need. We host a giveaway 4 times a year and watch 200 people flood into our fellowship hall to get clothes and jackets. This ministry is headed up by Kelly Goodman who does a fantastic job organizing this ministry.

I have continued to have the opportunity to be an on-call chaplain at Taylorville Memorial Hospital. This has been an opportunity to minister to several families and do the funerals of a 2 year old little boy and a 46 year old male.

The church continues to thrive on the corner of Shumway and Franklin. We celebrated the fact that we have been around for 85 years in the fall. We continue to minister in our neighborhood and community. We also were missional this year with the paying of all budgets in full.

The church will face some changes this year; God has called me into the United States Navy as an active duty chaplain. I will leave the church in August and will eventually be stationed with a Marine unit in Camp Lejeune, NC.

I trust that God will bring the right person to Taylorville First to minister to the church and community. It has been a privilege to pastor this church. It has taught me a lot of valuable lessons and has given me vital experience. Over 15 baptized, over 20 funerals, 20 people taken into membership, 2 couples married, 5 converted and 7 sanctified.

I will be praying for the church and district. My home district will always be the Illinois District. Please be praying for my wife, my sons and I as we make our transition. Also be praying for our Sailors and Marines as they defend this great nation.

Respectfully Submitted,

TUSCOLA

Greetings from the Tuscola Church of the Nazarene

Wow, it is hard to believe another year has gone by so fast it seems like just a month or so ago we were gathering for last year's District assembly. We've seen many wonderful things that God has done for us throughout the last year. We have been very active in our community and working with our local ministerial alliance to minister to those within our community. We participated in the annual Thanksgiving citywide church service, which I had the pleasure of being the speaker. We have also had a very successful fourth annual trunk or treat. This event has been a blessing to us for we have been able to minister to 250 plus children in our community. We are also very pleased to announce that God has blessed us with being able to completely put a new roof on the church debt free. All of our efforts in serving God have paid off in six souls that Jesus Christ has saved. As we gather for District assembly we look forward to seeing old friends and look forward with anticipation to meeting new ones. As we look back and reflect over the blessings that God has bestowed upon us for our faithfulness, we look forward to the future with eagerness and anticipation for where God shall lead us in the following year. We would like to say thank you to the board of General Superintendents and to our district superintendent Dr. Spruce for their leadership, faithfulness and prayers. Gods Blessings to each and every one of you as we serve our Lord together.

URBANA LIGHTHOUSE

Dr. Toler, Dr. Spruce, members of the Assembly, friends and colleagues:

Mission four-one-won, was the challenge this year at Urbana Lighthouse, and as a result we have experienced yet another outbreak of growth. We attribute it largely in part to being a missional outreaching church. We have noted we do as much (if not more) outside the walls of the church as we do within the church. I believe that's what Jesus wanted when He instructed us to "go" in the Great Commission". We have seen our Sunday attendance nearly double in certain areas once again. We have legitimate space problems now, and actually are in question with capacitance values with city ordinances. We have used what God has given us this year to the fullest. Despite our less than convenient location of a basement, we have still held a wedding and a funeral at our location, with two more new church families preparing weddings as well. We have seated nearly one hundred people in our facility for these special events. This has allowed us to knowledgeably accommodate similar numbers for our Easter services as well as other special services. We have been witness to double digit numbers, those coming to know the saving grace of God through our Lord Jesus Christ this year. We have witnessed the sanctifying power of the Holy Spirit in the lives of a few as well. The manifestation of the Holy Spirit at Urbana Lighthouse is present and welcomed each week and it is a blessing to be a part of such a glorious time of worship.

This year we added Sunday School to Sunday's as well as week days. This has been highly successful, and has aided us in the further discipling of others we had previously been unable to reach. Our ladies ministry has been a great icon for our church, and has helped many of our single moms in the community. This ministry has infected the men and we now have a men's ministry coordinator. Men's ministry will kick off in May. These ministries are filled with new Christians hungry for more of God's word, teachings, and direction for their lives. Our caravan program has been improved and we are soon to hold our year end banquet with several badges to be awarded.

Lastly, our Upward Sports ministry is where the four-one-won originated. As we readied ourselves for our biggest outreach ministry, we challenged ourselves to be missional with this mission statement; our desire was to take to the – four hundred people we would come in contact with – the one true message of Salvation thru Jesus Christ – for the sake of WON souls. With that mission statement in full force we have seen several new families in the church from the Upward program. Many have given their lives to Christ and have a testimony of being saved by grace through faith. We were privileged to have the Big Blast Ministries aid us in the mission as we closed out our season to a crowd of nearly three hundred! God is and has been alive and moving in the ministry at Urbana Lighthouse. We are all thankful, as I am to be His chosen vessels to carry the message and the four-one-won to the community as we strive to be a beacon to those in our circle of influence. We appreciate your prayers.

Respectfully and humbly submitted,

VANDALIA

In the past year I have seen many changes around here in Vandalia, some good, some bad. We have faced so many obstacles and yet we're still alive; reaching people. We have switched parent churches, switched formats and now God is making us a missional Church. If there are a couple things that I've learned, from being here for nearly a year and a half, it is that God wants to make every man woman and child into a disciple and that God wants us to reach them.

I am currently training those we have here in Vandalia to be disciples who make disciples. I've learned from experience that all you need is total reliance on God so you can be lead by the Holy Spirit to reap the harvest of a seed sown. My task now is to teach this, and for as simple as it sounds this changes everything about us. From fearful to fearless, from selfish to selfless, from no trust to fully relying on God; everything about our sinful lives has to be gone in order to do God's work.

We have implemented two main tools for the process of discipleship, one is the Life Transformation Group (LTG), and the other is the Tangible Kingdom Primer (TKPrimer). An LTG is similar to John Wesley's 'Holy Clubs' it is 2-3 people who not only keep each other accountable, but encourage each other to continually pray for and reach out to non-Christians. We are using LTGs throughout our church; nearly everyone is involved in one. The TKPrimer is an intense eight week series in which our lives are measured to Jesus' teachings of Holy living and missional calling to all who follow Him. Four of us are going through this together and it is intense to go through but very worth it, we are growing closer to God and trusting in the Spirit's leading of our lives. Both are helping us do what God wants us to do.

Lastly I would like to share that in the past year we've seen a lot of ups and downs, mostly downs, but God is really working here. I've been able to move here, work in the community as the public transit driver, and minister to people in a whole new way. Kindness and Love are so powerful in this dark world where we live and people respond to true Kindness and unconditional Love. Shortly after my family moved here I became good friends with a young man who suffers from spina-bifida. He doesn't have any other friends who don't view him as a burden, and after making him part of the family he started asking why we were so full of love. I shared with him the gospel; he said that he's known a lot of Christians but none who acted with love. Right then and there he gave his heart to Jesus, since he's become a regular in our meetings and I personally do an LTG with him.

Even though things have changed here, God is moving and we desire to be a part of His movement.

With Love

VIRDEN

Dr. Toler, Dr. Spruce, Members and Friends of the Assembly:

Greetings to you from the Virden Church family!

This is my 2nd report to the Illinois District Assembly and for the Virden Church of the Nazarene.

Our church is growing in number, but the most exciting part is that we are growing in God's grace and following Him with all of our strength. Many have recommitted their lives to the Lord and we have had one sanctified and on fire for serving Jesus. We have had 4 saved and 3 brought into membership this year. God is good!

We had some storm damage to our basement fellowship area this year and everyone rallied to get the water removed and repairs made in a timely manner. This minor disaster pulled us together in one mind, one spirit, and one faith. God is working and we are excited to see what His future plans are.

We have received approval from the district, the city, and the state to build a handicap ramp that will enter the sanctuary. The progress is going well, and we anticipate the completion approximately mid June. The congregation has raised the funds for the ramp with donations of love.

Meanwhile other upgrades are being made on the church facility. One step, one upgrade at a time that will improve and enhanced our church.

God's hands have definitely been in the moving of our church and his people; we have completed the remodel of the parsonage. The church has many new additions, such as, hand towel dispensers in the bathrooms, workable locks, and many volunteers to take care of the grounds by mowing trimming and improvements. Little things! But big steps for us! Our budgets are paid in full, we have one outreach program in full swing, and our congregation is praying about being a church planter.

God has given us strength to renew, revive and regenerate all that has been placed in our hands to care for. We are blessed and our call to ministry can be found in Proverbs 18:10, "The Lord is a strong tower: the righteous run into it, and are safe." (NIV)

Respectfully Submitted,

WEST UNION

Greeting in the Name of the Lord,

Praising God for the eleven years at West Union Nazarene. What a blessing it has been and continues to be the Pastor to this wonderful congregations, some of the most loving people on this earth. God has been good to us. We have not been able to accomplish all that we would like to but God is still on the throne and in complete control of everything.

Our attendance has not been the best but there again, we are not discouraged, because God has a plan and we intend to follow it. The harvest is ripe and ready and the harvesters are ready and willing to do whatever God wants done.

We had awesome wonderful revival with Rev. Larry Hucker, ending on Palm Sunday. The Holy Spirit was so close there was not any preaching in the last service. Just testimonies and witnessing for the Lord.

Thanking the Lord for all He has done for each and every one of us.

In the Lords Service,

Pastor Penny Brown

GOOD SAMARITAN MINISTRIES

GSM has experienced some significant changes in several aspects of the ministry in the past year. Here are a few of the points of progress:

- Hired a full-time Center Director in May, 2010.
- Hosted various mission groups to serve the community through home repair, VBS, yard clean-up, community clean-up projects, and revival.
- Held our first fund raising banquet in October and raised \$15,000 between one time donations and pledges. This allowed us to give a small stipend to three of the volunteers from the Washington Park area to help on a weekly basis in the afterschool program.
- Initiated the Kingdom Club after-school program. The focus was homework, tutoring and crafts/projects two days/week and AWANA (bible memory verse program) one day/wk. We ended the 9 month program with 25 children between the ages of 6-12 attending consistently.
- Initiated the Next Step program designed to help young moms and dads set goals to help them to achieve the next step of independence (i.e. GED, job, improved parenting skills, etc.)
- Offered consistent Bible study/parenting classes for moms and dads during the Wednesday MaD (Mommy and Daddy) program.
- Have pastors from 12 different churches rotating through to preach on Wednesdays and 6 different churches involved in the Saturday church services.

Interviewed and accepted our first college intern for the spring semester, 2012 from St. Louis Christian College.

HOPEFUL HEART MINISTRIES, INC.

"FOR NOTHING IS IMPOSSIBLE WITH GOD." –LUKE 1:37

To: Our Wonderful Nazarene Brothers and Sisters,

Those of us who are blessed to be associated with Hopeful Heart Ministries can testify to you that truly the word "impossible" isn't in Our Lord's vocabulary! By human standards there are many who would deem the kinds of things we are doing as "impossible" in our current society. Is it "impossible" to bring together individuals from different Churches and ask them to work together in unity as one team in the service of the Lord? Is it "impossible" to develop a vital food and clothing Ministry with no government funding, relying only on the donations of God's people in this economy? Is it "impossible" to drive and park a bright "neon-green" full-size School bus and minister to the needs you find in your city's poorest neighborhoods? People might say that these things, if not impossible, would be improbable...and yet if you are called by God to do such things...well...you just simply do them! Hopeful Heart Ministries, Inc. is having a wonderful time following the God of the Impossible! He is leading us to meet and help people who He loves and longs to Save. A box of food....a bag of clothing...a blanket on a cold day...all very simple gestures given by simple Christians, yet they afford us the eternal blessing of being Witnesses to the Grace and Love of Jesus. You are always welcome to join us on this fantastic Compassionate Ministry journey!...or maybe the Lord is calling you to attempt the impossible in your town!

REPORTS

NOTES:

Mission Strategy Director's Report

Members and friends of the District Assembly, it is a joy to present to you my fourth report as District Missionary. Personally, this has been a year of great transition for me. I have left the pastorate, and I have worked several jobs in the last year. Leaving a great congregation like the one at Casey was difficult, but it had been the direction of my heart for quite awhile. These days, I find myself in the humbling position of no longer trying to grow a great church, but simply to be a follower of Jesus--a good neighbor, and friend--all in the hopes of making disciples for him. Someday, in the Lord's time, I hope to be part of the planting the church myself in one of our needy communities. For now, I am so delighted that the District Advisory Board chose to expand my role to 150 days a year as your Mission Strategy Director.

Let me begin by thanking my partners in leadership: thanks to Dr. Spruce, Doug Haynes, and those who have served on the Mission Strategy Team this year: Philip Alvord, Rita Briggs, James Craig, Kevin Donoho, Allen Ebbler, Will Haworth, Timothy Mondy, and Bob Turner. You have all served so faithfully this year!

Thanks also to our church planters, who serve on the frontline of our mission: Bill Brandon at Highland; Nick Briggs at Vandalia; Gary Clark at Harrisburg Oasis Community; Wayne Clevenger at Urbana Lighthouse; Tim Young, Jr. at Granite City; and Rita Briggs, who's just getting started at Jacksonville.

In the last year, the Mission Strategy Team has approved \$19,650 in grants for our new church plants. In addition, we are investing in our church planters with training, parsonage and salary assistance. With this money we have provided churches with assessment and vision planning, coaching, sports ministry costs, Sunday School materials, sound systems, and air conditioning. These investments in the harvest are producing results as well. Let me share with you some examples:

In Harrisburg, Gary and Peggy Clark have taken a core group they've nurtured from their church plant in neighboring Marion and successfully moved them to the facility of the former Harrisburg Church to form Oasis Community Church. An amazing renovation is happening as the gym is being transformed into a spacious sanctuary, new carpet and furnishing are being provided, and the people are alive with enthusiasm. The altars are filled weekly with seekers. And Gary reports several beautiful stories of people coming to or returning to Christ. It is a new day in Harrisburg!

Urbana Lighthouse, where Wayne and Karen Clevenger serve so faithfully is enjoying a season of growth that is filling their tiny downstairs rented space with people and joyful praise. Much of this is the result of their sports-based outreach ministry to their community. On my visit one Sunday morning there, I was so blessed to see the enthusiasm of the people. It is a church that is ethnically diverse and reflects the community right around the church.

Steve Shotts and the Godfrey Church are in the midst of envisioning their congregation around the mission of Christ. They have a committed Team and are seeking God's vision for renewal. They have started a Facebook group page where they can discuss what the Spirit is saying to them online. They are also using their website and podcasts to share their message with the web community.

Vandalia, a church plant that began by the faith of the Pana congregation, and is now being sponsored by the Casey church, made a bold move this year when they moved from their rented facilities and began to meet in the homes of Pastor Nick and Melissa Briggs and the Englebrecksons. Attendance has doubled and a young man has come to Christ since doing so. They share a meal each Sunday as well as the Word, and are well on the way to being not one, but two house churches in the Vandalia area.

Last year, our district welcomed Tim Young, Jr. and his wife Andrea to our church plant at Granite City. The district made the difficult, but wise decision to forego the expensive

mortgage of the building there and to allow Tim and Andrea to build the church in their home as well. Tim's messages at each of our Team Days were inspiring and challenging. God has given us a real champion in Tim and as he continues to build relationships in the Granite City community. We're certain Christ is going to produce a harvest from the seeds planted there. Recently, they baptized their first new disciple, Anna, whom they met at the local skate park. Pray for Tim and Andrea as they disciple her and reach others. They are committed to planting the church among lost people.

We are also excited to see compassionate ministry centers meeting the needs of many in hurting communities: Washington Park, Decatur, and soon, in Olney. This is the Lord's work and we are thankful for these special ministries.

Sherman, under the leadership of Will Haworth is enjoying a renewal born of passionate prayer and faith. Pastor Cory Jones from Ft. Worth, Texas came to meet with us in April to share in a prayer encounter that reminded us where our hope lies. If our churches will cry out to God, he will hear us, forgive us, heal us, and ignite the fire of the Holy Spirit again in our hearts that will burn bright to illuminate our dark communities with light. To encourage the spirit of prayer across our district, we are having two prayer encounters this year, April 13-14, with Cory's leadership. Will Haworth has also taken upon himself the burden of connecting our district network in prayer. Please join us as we seek God together. Our mission cannot succeed without him.

We are pleased to see an organic approach to church planting taking hold in our district. I believe there is potential in this method for a true church multiplication movement to arise. It is a "back to the basics" movement that defines church so simply that everyone can participate in the mission of Christ. Churches can be planted anywhere, with almost anyone who is a committed disciple of Christ. Could the Church of the Nazarene be planted in your community, in your home, in your neighborhood coffee shop, or even in your workplace? I can envision many of our established churches becoming hubs, each launching several of these missional communities into the unreached areas of their cities, or neighboring towns. Pastors, would you be willing to train and release your people to do so? We have provided information for you should you sense God's leadership in this direction. If you're interested please talk to your pastor, and to us.

Though this is one of our newest strategies for church planting, it should be stated that it is not our only means. We still need conventional churches to plant churches that meet in buildings on Sunday mornings. Churches of every size need to reproduce themselves by becoming involved in church multiplication, no matter what it looks like: multiple services, multi-sites, or mothering new churches. All of these are acceptable ways to do that. How will your church multiply this year?

Please know that I am at your service as a partner in Christ's mission. This year, we hope to streamline what was once called ReFocus under NCS's leadership. In its place we hope to form a re-visioning process that will not take as long but will seek renewal based in prayer, and God-given guidance. This process need not be only for declining congregations, but for any church that lacks an answer to the question: "Where is the Lord leading us in the next 3-5 years?" If your church cannot answer that question with unity and clarity, let's work together toward that purpose. Because without a vision the people cast off restraint, they stumble and fall, without a vision, people perish. "But when they attend to what God reveals, they are most blessed."

In Jesus,
Mark Copley

Administrative Associate

This is my seventh report to you as your Administrative Associate, and I thank the Lord for the privilege of serving 38 years as a minister of which 30 of those have been on the Illinois District.

It was in the spring of 1958 on an Easter Sunday morning in a little white framed country church. It may seat a hundred if you squeezed everybody in real tight. It wasn't a Church of the Nazarene but a Church of God. That Sunday morning the Holy Spirit spoke to me and I made my way to an altar that was seldom used. They had to move the flowers for me to bow and pray. I must admit I don't remember what Rev. Brown preached but I remember his wife coming to pray with me. I didn't know why I went to the altar or what I was doing. I don't remember what she prayed but I remember the load was lifted. I was different and I felt like a new person. I felt like I could fly. I have never forgotten that experience.

I wish I had could say that I never sinned after that but I did and when I did I knew that too. I am thankful for the persistence of the Holy Spirit and its convicting power. In my teen years I found myself making my way back to the altar and asking for forgiveness. God forgave me and I went on into the experience of entire sanctification. God cleansed me and I consecrated everything I had and ever hoped to have to him. He filled me with his Holy Spirit and empowered me to live for him daily. He continues to walk with me, talk with me, guide me and refine me daily. Praise His name.

I love Him today with all my heart, which certainly makes sense because God's Word says that those who have sinned much...love much. I love Him much today because I know what I've been forgiven of.

It is my pleasure to assist Dr. Spruce in whatever way he sees fit. I currently keep office hours daily from 8AM to 5PM. I maintain the website, publish the Booster, coordinate various district programs and represent the district in the sale of properties. I also represent the DS at district functions and at churches when he is unable to attend, give support to our pastors on the district, and handle several other administrative tasks that are ongoing on the Illinois District. Filling pulpits is also one of my responsibilities. I like to preach. Thanks to many of you who have given me the privilege of speaking in your churches.

It continues to be a privilege to be able to work with Dr. Jim Spruce and learn from him. Add to that the privilege that has been mine to work with Rev. Mark Copley, District Missionary, the District Advisory Board, various other district boards and committees along with local churches as the opportunity has been afforded to me.

Nina and I thank you for allowing us to be a part of the administrative team that serves this great district.

I also want to say thanks to Nina for being my bride of almost 38 years, for being a great Mom, and for always being a model of what a close walk with Jesus is all about.

Respectfully submitted,
Douglas E. Haynes

B. INSTRUCTIONS TO STUDENTS

Eligibility

The board serves only the persons who are properly enrolled. Enrollment is open only to local preachers, deacons-Christian education, deacons-compassionate ministries, deacons-music ministries, and prospective ministers of music who qualify according to the Manual, 410.

There are seven general courses administered by the Ministerial Studies Board; elders, deacon of administration, deacon of compassionate ministries, deacon of Christian education, deacon of music, deacon of youth, and lay minister (*Handbook of Ministerial Studies*).

Ministers, deacons and deaconesses will not be ordained without having completed their respective courses. An exception to this is provided for all commissioned song evangelists who held this status immediately prior to the 1986 assembly season. Those becoming commissioned song evangelists will complete the deacon track in music ministries. Those interested in commissioned or registered song evangelists' credentials should study carefully all requirements as listed in *Handbook on Ministerial Studies*, 446, "The Song Evangelist."

Modes of Study

The options for the course of study are listed below (by preference) as recommended and approved by the Illinois District Ministerial Studies Board.

1. A Nazarene university or an accredited university, pursuing a degree in a religious field of study.
2. Nazarene Theological Seminary.
3. Nazarene Bible College or NBC Ministry Preparation Program.
4. Northwest Nazarene University Online Module Courses
5. Nazarene Bible College: NBC Track.

The Course of Study is under the immediate supervision of the District Board of Ministerial Studies. Students are advised to pursue preparation or ordination by selecting one of the above-mentioned modes of study. Each student is assigned an advisor to work with in establishing a plan of study.

The courses required of college students are in the Manual, 424.3. The competency statements for ministerial education are listed in Manual, 424.3. All college and university programs must meet these competency statements for course of study.

C. REGULATIONS FOR MINISTERIAL COURSE OF STUDY

1. It is no longer necessary for students to purchase the *Sourcebook for Ministerial Development*. This information and more can now be found on the Clergy Education website (<http://nazarenepastor.org/clergyeducation/>) A Candidate Handbook can be downloaded for free from <http://www.nazarenepastor.org/ClergyEducation/LinkClick.aspx?link=Resources%2fUSAHB.pdf&tabid=74&mid=501>.

2. Each student is encouraged to take four courses each year. The general church requires 2 courses per year to be passed, to allow a student to continue. After the district license is granted to the student, only ten years is allowed to complete the 24 required courses, Manual 427.4. At 2 per year, the student will not succeed. Thus, the Illinois District has chosen to encourage students to complete 4 courses per year. All course work must be completed by the end of the assembly year (April) in order for the student to receive credit for that assembly year. The only exception is for those students enrolled in an institution of higher learning in which the class may not conclude until the board meets in May.

3. A student is placed in a study level based on the number of courses completed regardless of the level of the courses. The only exception is that the

course on the Manual of the Church of the Nazarene must be completed before level one is considered complete (unless the student is enrolled in a religion program at a Nazarene institution) and before the student is eligible for a district license.

4. The secretary may not enroll anyone except by written letter from the applicant to include the following information: name (first, middle and last); address; telephone number; e-mail address; course of study desired; church where current membership is held; letter of recommendation from the church pastor where membership is held; copy of local license granted by that church; and official transcripts from colleges or other schools beyond high school. It will be the obligation of the student to see that all the information is sent to the secretary. An application form will be made available for anyone expressing interest in enrolling with the Board of Ministerial Studies.

5. Prior to being issued a graduation certificate, all students must be reviewed by the Ministerial Studies Board. The only exceptions are Nazarene Bible College graduates of the Bible Studies Course who are immediately issued a graduation certificate. No student will be graduated from the course of study without completing an internship program.

6. When a student moves to another district, the secretary of the Ministerial Board should transfer the student's records to the new district by contacting the secretary of that district's Board of Ministerial Studies. Students are strongly advised to keep copies of course record sheets and final grades. The District is not responsible for loss of data when transferring to another district.

7. Candidates should be prepared to appear annually before the Board of Ministerial Studies. These meetings will be scheduled by the district office and notification of the meetings will be sent to you.

8. Files for inactive students will be maintained by the Board of Ministerial Studies for no longer than 10 years.

9. Students are required to keep an active e-mail account while enrolled in the course of study.

College Students

College students are responsible to submit to the board documentary evidence of academic standing in harmony with *Manual*, 427.1, 427.4.

College students are reminded to plan their curriculum in harmony with *Manual*, 424.1 and 424.3. Yearly updates should be submitted to the secretary of the Board of Ministerial Studies. The Board of Ministerial Studies will evaluate the final transcript at graduation, and no requirements stated in the Manual will be waived.

D. CONTINUING EDUCATION

"Once a minister has fulfilled the expectations of the educational foundations for ministry, he or she will continue a pattern of lifelong learning to enhance the ministry of which God has called him or her. A minimum expectation is 20 contact

hours each year (2 accredited continuing education units (CEU's) (*Manual* 424.6).

In order to facilitate the fulfillment of this requirement, a number of qualified events will be promoted through the district and by other means. An individual may receive CEU's by participating in a qualified event sponsored by the district, the general church, one of our colleges or universities or other approved method. When CEU's are available for a sponsored event, notification of the same will be made at the event and the participants will have the opportunity to sign up for credits. Credits will be based upon the participant attending the entire event and fulfilling other requirements (if applicable) for the event (such as extra reading or writing when appropriate). In all cases, it is the individual participant's responsibility to qualify him or herself for CEU credits.

The Board of Ministerial Studies appoints a continuing education director who shall be responsible to facilitate CEU qualified events and to resource individuals in obtaining CEU credits for events attended. Individuals may also contact the Department of Clergy Development directly with questions or for qualifying and awarding CEU credits for courses taken. All determination of CEU qualifications shall be made by the Office of Ministry. All records of CEU's obtained shall be retained by the Department of Clergy Development and by the individual himself/herself. Courses taken for degree programs are not eligible for CEU credit.

Mission Strategy Team

Members and friends of the assembly, it is my privilege to present to you my fourth report as chairman of the District Mission Strategy Team. The Mission Strategy Team this year included the following members: Dr. James R. Spruce (chairman, ex-officio); Mark Copley, District Mission Strategy Director; Philip Alvord, Rita Briggs, James Craig, Kevin Donoho, Allen Ebbler, Will Haworth, Timothy Mondy, and Bob Turner. We want to especially acknowledge the frontline work of our NewStart pastors and their sponsoring congregations: Bill Brandon at Highland; Nick Briggs at Vandalia (planted by Pana, and supported now by Casey); Gary Clark at Harrisburg Oasis Community; Wayne Clevenger at Urbana Lighthouse (supported by Ogden); Tim Young, Jr. at Granite City; and Rita Briggs, who's just getting started at Jacksonville.

The Mission Strategy Team distributed just under \$20,000 in grants this year. With those grants we provided assessment, coaching, ministry materials, property improvements, and pastoral support to our new churches and church planters.

This year, the Mission Strategy Team planned and presented two Team Days. The first, in February, was held at Decatur First Church, and the second, in March, at Salem Grace. Approximately 150 attended the Decatur event and 100 attended at Salem. That means 250 pastors and laypeople received encouragement, training, and support in these two events. Thanks to Pastors Crump and Donoho and to our host churches for making these venues available. And to all our presenters who provided such excellent workshops. Special thanks to Dr. Carl Leth, and Dr. Frank Moore. Thanks to Pastor Tim Crump and Lara Mondy who did much of the work of planning this year. We hope that many churches will attend these events again this year.

Our shared vision includes: new church plants (organic and conventional), reaching various people groups, stronger networking to support cooperation and prayer, and using new methods and means to reach new people. Our proposed budget reflects this vision. These aims are in line with our goals, which we have restated here:

- 1. Each church will develop a written vision statement describing the fulfillment of their mission over the next 3-5 years.***
- 2. Each pastor will seek to partner with other pastors for the purpose of prayer, mentoring, encouragement, and fellowship.***
- 3. Each church will strive for "Church Health" using the Church Health Survey as a tool for evaluation.***
- 4. Each church will embrace a clearly stated target area and plan for involvement in church multiplication.***

For the past decade, we have worked closely with New Church Specialties. Although we still value NCS, we are also now seeking new resources for training and support.

Much thanks to all of those who have served on the Mission Strategy Team this year. Together, we are stewards of the mission of our district: **To develop healthy, multiplying, holiness churches and pastors.** Our vision for a new passion, for a new people, and a new Illinois remains to be seen. Let's pursue it together in Christ!

Respectfully Submitted,
Mark S. Copley, *Chairman*
District Mission Strategy Team

Christian Cultural Engagement

A. WHEREAS, in times when our culture desperately needs the Church to be a living example of Christ-like holiness and love, we strongly urge:

1. All our sisters and brothers in Christ to remember that we are called to be the Body of Christ in our world being empowered by the Holy Spirit to the glory of God the Father. As a result, we urge our brothers and sisters to remember the importance of corporate Christian worship and the practice of spiritual disciplines within the family and individually, believing that these are **primary means** by which the Holy Spirit shapes us into a holy people.
2. That pastors, evangelists, and leaders live and teach the scriptural doctrines of the new birth and entire sanctification, believing that the Holy Spirit bears witness to both works of grace through the infilling of His Spirit, and that the one biblical evidence of the latter is the cleansing of the heart by faith from original sin manifested by the fruit of the Spirit in Christian service: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control (Gal 5:22-24).
3. That the church manual be made available to all in the church who desire it and the Articles of Faith (Manual, Part II, para 1-22, pgs. 28-37) and the Covenant of Christian Character (Manual, Part II, Articles 27-27.3, pgs. 38-40) be read, or printed, and distributed to the church body at least once a year admonishing each Nazarene to diligently pursue a lifestyle that honors God, the church and one another.
4. That new converts be lovingly nourished and instructed in the way of holiness.
5. That all of our people, "in putting off the old to put on the new and holy way of life as well as the mind of Christ" (Eph 4:17-24), take to heart The Covenant of Christian Conduct of our church which gives guidance in areas of Christian Ethics, Entertainment, Marriage & Divorce, Abortion, Human Sexuality, Christian Stewardship, etc. (Manual, Part III, para 33-41, pgs 46-60).

B. WHEREAS, ethics and values are constantly being questioned and changed by our society, the church must strengthen itself in its commitment and conduct. Therefore, this committee felt it vitally important to not only reaffirm our belief in Scripture and our Wesleyan guidelines, but to also provide useful information in this document to resource both laity and clergy to make the church both a beacon of hope and a model of holiness to our families, community and world. (Matthew 5:10-17; Ephesians 5:1-2,8-14; I Peter 1:13-17).

We encourage our people to work with and in public institutions as a

means of Christ-like engagement with our culture on the local, State, National, and Global levels.

1. Each local church should strive to provide educational and equipping opportunities such as:
 - a) Special Christian Speakers & professionals,
 - b) In-service topical seminars and open forum discussions, and
 - c) Consider initiating special ministries that reach out to the needy in the congregation and community.

2. Our people should show Christian stewardship by becoming involved in civic, community and school functions and cooperating with other churches and civic agencies who share our ministry objectives. Our pastors, youth workers and parents should maintain an awareness of the activities and promotions of organizations within the local school system and unite in an effort to oppose activities that do not comply with New Testament moral standards. Examples of civic organizations to offer aid and service to:
 - a) Pregnancy Resource Centers
 - b) Homeless Shelters
 - c) Habitat for Humanity
 - d) Credible Christian Counseling Centers
 - e) Food & Clothing Pantries **such as Hopeful Hearts Ministries in Decatur and the Good Samaritan Ministries Center in the Metro-East along with multiple food pantries in local churches throughout the district.**
 - f) Nursing Homes; Senior Adult Organizations
 - g) Appropriate Parent/Teacher Organizations

3. We should actively monitor our State and Federal Legislature on issues which pertain to, and affect our church and community and express appreciation to individuals/organizations that promote legislature and programs which edify. We urge church leaders to make available the names and addresses of government officials and stress the importance of voting in local, state and national

elections to ensure that issues pertaining to the biblical ideals of faith, family, and social justice are addressed. We encourage the above while being simultaneously mindful that our commitment to Christ our Lord must always be far greater than our commitment to any political party, agenda, or association.

Obama, 1600 Pennsylvania Ave., Washington, D.C. 20510, 1-202-456-1414, 1-202-456-1111).

4. That each local church provides its members with ample opportunities to see beyond our own borders and mature into "global" Christians by staying informed about world events (both natural and political) and the persecution of fellow believers that we might pray for "the increase of His government and peace" on the earth. In addition, we urge the promotion of sacrificial giving for the cause of world evangelism and personally participating in Work and Witness when and where possible.

C. This report is a re-affirmation of our ethical and moral standards, as set forth by the General Assembly of the Church of the Nazarene. It is the prayer of this committee that these suggestions and resources will benefit individuals and churches committed to fulfilling the Great Commission. For only through personal involvement can we go into the "fields white unto harvest" (John 4:37).
LET US GO!

DAN TAYLOR, *Secretary*

DAVID YOUNG, *Chairman*

Church Growth

We, your Committee on Church Growth, make the following recommendations to the district assembly for consideration:

Commission

We recommend that every church emphasize the Great Commission (Matthew 28:16-20) in every facet of their ministry. We are reminded that the Bible should always be our main source and that the Great Commission remains as our primary motivation for church growth.

Prayer

Remember that prayer should be the foundation for all church growth, and that without prayer, little of lasting value will be accomplished. We also recommend that the church provide opportunities for concentrated prayer and fasting during the church year.

Mission/Vision/Purpose

We encourage every church to develop a mission statement, a vision statement, and a clear statement of purpose. These three key elements will ensure that we stay focused on God's plan for the local church. There are numerous books and other resources available to assist the church with this task. Any church needing assistance should contact the district superintendent and/or the district missionary.

Responsibility List

That every church maintain an accurate, up-to-date list that includes the name, current address, and telephone number for every person on their responsibility list. This will allow for better, more consistent follow-up and accountability.

Calling

That absentees be contacted through a regular, systematic approach. This is not solely the responsibility of the pastor, but should be a shared ministry within the church among the laity.

Discipleship

Emphasis should be given not only to evangelism, but also the discipleship. The new Christian should be encouraged to seek the experience of Heart Holiness which leads to a growing and productive Christian as a way to fulfill the Great Commission (Matthew 28:20).

Lay Ministry

We encourage our churches to develop a partnership between the pastor and the laity, which provides for every member to be involved in church ministry (discipleship/ evangelism).

Education

That pastors and laymen take full advantage of educational and CEU opportunities, including seminars, workshops, videos, books, and especially the quality CLT programs that our denomination offers.

Evangelism

That new and innovative methods of outreach and evangelism be explored. Consider how the resources of the local church, human and financial, can be utilized most effectively to see souls saved.

New-Start / Restart

We believe every church on the Illinois District can and should become involved in prayer, creating or supporting new church starts. Churches can provide funding and or personal involvement of the local church body in calling, canvassing, etc.

Refocus

That churches be encouraged to be involved in determining their church life cycle and whether or not they need to enter into a refocusing process such as the New Church Specialties. Contact the district missionary for more information.

Personal Evangelism

It is the privilege and duty of every Christian to share their faith with others. We encourage all churches to provide specialized training for various types of personal evangelism. Personal responsibility for evangelism should be emphasized.

Revivals

We encourage our churches to give top priority to annual revival campaigns. We strongly urge the use of full-time evangelists in the Church of the Nazarene. We also encourage the use of all media possibilities (TV, radio, etc.) to potentially reach as many as possible with the gospel.

Servant Evangelism

That methods of servant evangelism be employed in churches of all sizes and in all areas. Jesus Himself came to serve and to give, not to be served or become successful. Let us willingly choose to follow Christ's example as we minister to others. Such acts of kindness can serve to bridge the gap between the church and the world.

Finances

Set aside a portion of the annual church budget for purposes of outreach and evangelism. The Bible says, "Where your treasure is, there your heart will be also."

Evangelism Committee

We encourage each church to review and implement the guidelines for a local Evangelism **and Church Membership** Committee as stated in the **2009-2013 Manual**, page **71**, and section 110-110.8.

Global Church Growth Award

It should be the goal of every church to introduce each new convert into the membership of the Church of the Nazarene.

We challenge every church to establish minimum goals according to the following guidelines.

Category	<i>Morning Worship Attendance</i>	<i>Number of New Nazarenes</i>
Category 1	0-49	6 new Nazarenes
Category 2	50-79	9 new Nazarenes
Category 3	80-99	12 new Nazarenes
Category 4	100-399	The lesser of 12 percent of previous year's worship attendance or 43 new Nazarenes
Category 5	400-899	11 percent of previous years worship attendance
Category 6	900 and up	100 new Nazarenes

Churches will be grouped according to size to compensate for variation in ability. Morning worship attendance will be used to determine the size categories.

This award will be based on achievement in three areas:

1. New Nazarenes
2. Significant involvement in sponsoring a new church,
3. Payment of all budgets (including district and educational).

Respectfully submitted,

RICHARD KEELEY, *Secretary*

DAVID SORENSEN, *Chairman*

Ministerial Staff Support

We, your Committee on Ministerial Staff Support, submit the following in order to care for the welfare of our spiritual leaders and encourage their commitment to our spiritual guidance.

The district office and the Pastoral Support Committee want to assist pastors and church boards in understanding their roles in providing adequate compensation for its pastors and staffs. Support of the pastor by the church is an expression of the belief in the call of God on the life of the pastor rather than a job where monies are paid for services rendered. Adequate compensation enables a pastor to fulfill his or her calling.

Pastoral support extends beyond the compensation and benefits for the pastor and staff and includes those expenses incurred by pastoral staff which is necessary to conduct the business of the church. Each church pays a sum to a pastor's ministry, which is divided into several categories: compensation, benefits and expenses. The sum of these categories is considered the cost of ministry to the local church, not all of which is to be considered the income of the pastor.

The district Pastoral Support Committee has developed guidelines for local pastoral support committees to evaluate their commitment to the ministry of the pastor. Anyone wanting further assistance in assessing or planning adequate compensation may contact the district office. In addition to consideration for the local pastors, churches should also establish a remuneration policy for pulpit supply, including travel expenses.

Senior Pastor

The senior pastor is the leader of the church and a leader in the local community.

Bi-vocational Pastor

A bi-vocational pastor supplements income by means other than church compensation. Churches should view the circumstances that cause the pastor to supplement income as a temporary situation to be resolved as soon as possible. The goal is to remove as many worldly concerns from the pastor as possible, so that the pastor may attend more intently on his or her life's calling. Recognizing that small and young churches may have difficulty in providing adequately for their pastor and family, we urge such churches to use what they are able to provide to the best advantage of their pastor and to strive toward the goal of full support.

Associate Pastor and Staff

An associate pastor is defined as a partner in ministry, on staff, whether receiving compensation or not. The church is to work toward a similar benefit package for the full-time associate as for the senior pastor (guideline to the church: an amount equal to 70 to 80 percent of the senior pastor's compensation package). Associate pastor and staff salaries should be negotiated in accordance with the recommendations of the senior pastor.

Retired Pastor

A retired pastor is a minister with retirement status. We recommend that retired pastors be employed for pulpit supply as frequently as possible. Retired pastors usually live on meager retirement benefits and may welcome the opportunity to provide for pulpit supply. Retired pastors are a source of experience and expertise that is available to the local church.

Evangelist

Often, the evangelist's only source of income is from meetings held at various local churches. We recommend that a full-time evangelist's minimum remuneration for such a meeting be an amount equal to twice the local senior pastor's weekly cash salary for each full Sunday in the special meeting (as recommended by the Evangelism Ministries of the Division of Local Church Growth). The local senior pastor's weekly cash salary and prorated insurance and

Social Security benefits should all be included in the compensation. Additional compensation for housing and travel-related expenses should be paid in a separate check, allowing for maximum tax benefit for the evangelist.

I. For the Pastor

A. Concerning Salary:

1. That for all full-time pastors, every church provides a minimum of \$450 per week salary. By definition, salary should not be deemed to include reimbursements and cost of ministry expenses listed below in Section B, Paragraph 1. The Advisory Board is to make the distinction between full-time and bi-vocational pastors. That churches which are legitimately unable to provide for such remuneration recognize that their pastor is bi-vocational and, therefore, able and obligated to supplement his or her income. We recommend that the district superintendent or designated personnel monitor the suggested minimum weekly salary on the basis of the materials provided by the general church's worksheet and, when necessary, give strong counsel to church boards to provide the above-stated minimum salary and benefits.
2. That the church place, as an employee benefit, an amount equal to 10 percent of the ministerial staff's monthly salary in a tax-sheltered annuity each month for his/her retirement. This is the third leg of the retirement tier recommended by the Pensions and Benefits office of the general Church of the Nazarene.
3. That the church review the ministerial staff salary at least annually and that increases reflect at least cost-of-living increases. That a letter be sent once a year from the district superintendent to the local church board secretary reminding the board of its responsibility in this area, and that a written summation of the board's action shall be returned to the district superintendent within 30 days of the local board meeting.
4. That any significant increase in the annual amount raised for all purposes by the church during a pastor's tenure be taken into consideration at the time salary and benefits are reviewed.

B. Concerning Reimbursements:

1. That the church pays reimbursements for all church-related expenses, and that among these are standard mileage reimbursement at the recommended IRS rate for personally-owned automobiles. To avoid additional financial burden on the pastor and staff during these days of rapidly increasing gasoline prices, the church board is strongly encouraged to monitor and comply with any increases the IRS may possibly make on its recommended mileage rate during the calendar year. Entertainment expenses, office supplies, continuing education expenses (books, tuition, conferences, etc.), gifts and all other reimbursable expenses deemed appropriate by the IRS should also be included.
2. Church-related expenses of pastoral staff should be qualified on the basis of material from General Headquarters, as well as the Internal Revenue Service. Every church should provide adequately to prevent financial strain to the parsonage family, and that every church provides 100 percent Social Security and full family hospitalization. That churches be allowed to maintain their present insurance program, and if churches propose a change, the change should be approved by the district superintendent and the District Advisory Board.
3. That the church provides the ministerial staff expense to all church-related functions, including the district and general assemblies. Lodging, meals and transportation shall be a part of this expense.
4. That the churches encourage and financially support its ministerial staff to continuing education through school, seminars and conferences.
5. That each local church board provides funds for the purpose of sending its ministerial staff to the general assembly.

C. Concerning Housing:

1. That the church provides housing and utilities and/or adequate housing allowance.
2. That the church equips the parsonage with a stove, refrigerator, air conditioning, washer, dryer, draperies, curtains and carpeting.
3. That a minister could request the church board to adjust his/her compensation for any year in which it is anticipated that the minister will purchase major appliances and/or furniture.
4. That the fair-rental value and the designated additional parsonage allowance should be entered into church board records at the beginning of each calendar year. When a housing allowance is established in lieu of a parsonage, a review of the allowance should be made annually regarding payment, taxes, utilities and repairs.
5. That the Board of Trustees of the local church inspect the parsonage once each year in order to continue to provide for quality living

conditions. No parsonage family should be expected to live in substandard housing. This inspection should be scheduled with the pastor and spouse and be done in their presence. Any necessary changes seen at this inspection should be completed as soon as possible.

6. That the local church board makes all necessary arrangements for the ministerial staff's moving expenses.

D. Concerning the Ministerial Staff's General Emotional and Spiritual Welfare:

1. That the church continually lifts the parsonage families in prayer.
2. That the church remembers the ministerial staff's family with suitable gifts at appropriate times during the year and consider a gift of no less than one week's salary at Christmas.
3. That the church provide for vacation and time off according to the following scale (this schedule refers to total years in ministry):
 - a. One year in the ministry: two weeks vacation
 - b. Two to ten years in the ministry: three weeks vacation
 - c. Ten to twenty years in the ministry: four weeks vacation
 - d. Twenty or more years in the ministry: five weeks vacation(District Assembly, Family Camp, ministerial retreats and seminars, and working in Teen or Children's Camps are not to be considered as part of this vacation time allowance.)
4. In order to benefit the church and the health of the pastor, the church should encourage the pastoral staff to take a minimum of one day per week for family time.
5. That the church allow the senior pastor the privilege of holding a full week revival or speaking engagement of one or more days, not to exceed seven days per year, with the church to be responsible for pulpit supply without loss of salary to the pastor.
6. That the local church offer the pastor/staff two mental health days each month to be taken at the pastor's discretion, to be used at a time when workload or individual stress is overwhelming.
7. That the local church make available to its pastor a one month sabbatical at the end of each five years of uninterrupted ministry to that same church.

II. For All Full-time Evangelists (Song and Otherwise)

A. Concerning Salary:

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Illinois District Church of the Nazarene

We have audited the accompanying statement of assets, liabilities and net assets – modified cash basis of the Administration, Home Mission, Camp Ground, District Reserve, Medical, Nazarene Missions International, Church New Start, Camp Meeting, Sunday School and Discipleship Ministries International and Nazarene Youth International funds of the Illinois District Church of the Nazarene as of April 30, 2011, and the related statements of support, revenue and expenses and cash flows – modified cash basis for the fiscal year then ended. These financial statements are the responsibility of the Illinois District Church of the Nazarene's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraphs, we conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, these financial statements were prepared on a modified cash basis, which is a comprehensive basis of accounting other than generally accepted accounting principles.

As more fully described in Note 1 to the financial statements, the modified cash basis of accounting requires fixed assets be stated at cost, net of accumulated depreciation. Management has informed us that the District has stated its properties at estimated costs and appraised values versus historical costs as required by the modified cash basis of accounting. In addition, no depreciation expense has been recorded in the financial statements. The effect of this departure on the financial statements has not been determined.

In our opinion, the financial statements referred to above (except for the effects of valuing fixed assets at estimated costs and appraised values) present fairly, in all material respects, the assets, liabilities, and net assets of the Administration, Home Mission, Camp Ground, District Reserve, Medical, Nazarene Missions International, Church New Start, Camp Meeting, Sunday School and Discipleship Ministries International and Nazarene Youth International funds of the Illinois District Church of the Nazarene as of April 30, 2011, and its support, revenue and expenses and cash flows for the year then ended, on the basis of accounting described in Note 1.

Our audit was made for the purpose of forming an opinion on the statement of assets, liabilities and net assets – modified cash basis and the related statements of support, revenue and expenses and cash flows – modified cash basis. The accompanying supplementary information contained on pages 11 through 27 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain other procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

Basis of Accounting

The financial statements are presented using a modified cash basis of accounting. This basis of accounting recognizes assets, liabilities, net assets, revenues, and expenses when they result from cash transactions. This basis is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

As a result of the use of this modified cash basis of accounting, certain assets and their related revenues (such as accounts receivable) and certain liabilities and their related expenses (such as accounts payable) *are not recorded* in these financial statements.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash and Cash Equivalents

The District considers all highly liquid investment instruments available for current use with an initial maturity of three months or less to be cash equivalents.

Investments

Investments in mutual funds with readily determinable fair values are reported at their fair values in the Statement of Assets, Liabilities and Net Assets – Modified Cash Basis. The District carries investments in marketable securities with readily determinable fair values in the Statement of Assets, Liabilities and Net Assets – Modified Cash Basis. Unrealized gains and losses are included in the change in net assets in the accompanying Statement of Support, Revenues and Expenses – Modified Cash Basis.

Property and Equipment

The District has recorded its property and equipment at appraised and estimated values, which is not in conformity with the modified cash basis of accounting. Depreciation has not been computed on fixed assets.

Income Taxes

The District is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. In addition, the District has been determined by the Internal Revenue Service not to be a private foundation within the meaning of Section 509(a) of the code.

Estimates

The preparation of the financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Loans Receivable and Payable and Transfers between Program Accounts

Loans between programs have a zero net effect on the Statement of Assets, Liabilities and Net Assets – Modified Cash Basis and have been eliminated. In addition, transfers between programs have a zero net effect on the Statement of Support, Revenue and Expenses – Modified Cash Basis and have been eliminated.

NOTE 2 – CONCENTRATION OF CREDIT RISK

The District maintains multiple accounts at various financial institutions. Accounts at these institutions are insured by the Federal Deposit Insurance Corporation (FDIC). As of April 30, 2011, total cash at one institution exceeded FDIC limits in the amount of \$2,123.96.
