## ***CHURCH REPORTS***

NOTES:

## Anna First

Dr. Toler, Dr. Spruce, Rev. Haynes, members and Friends of the Illinois District I bring my 10<sup>th</sup> report for Anna. My 34<sup>th</sup> report as a senior pastor and I feel honored to report for this **fine congregation. I think this has been a good year for Anna and the Lord has blessed.** We received 15 members by profession of faith and baptized three and dedicated three babies. We were also able to pay all budgets in full once again and make some significant improvements to our property this year. Our new parking lot would not be possible without the generous giving of our awesome congregation.

As Pastor, I am blessed to have served with wonderful laymen for almost a decade now. Laymen, that I feel want to see God move in our midst. I thank the Lord for my Associate Pastor, Larry Barnhart who is one of the best anywhere. His wife, Judie Barnhart is a superb treasurer receiving excellent reviews again from those that audit our books. Our church continues to be "Mission Minded".....thanks to Nancy Smith for wonderful, thought-out services that inspire us to support the church's work in missions. Our Wednesday evening services are just awesome and delicious too!

Our NYI, Nazarene Youth international is led by Mary Clayborne and a group of laymen that want to see our young people find Jesus and make Him Lord in their early life. As Pastor, I so much appreciate Debbie Mays and all the adults that help this ministry move forward in our church.

Our church continues to reach out into the community with different ministries. Our Veteran's Day Service just continues to be outstanding and is expanding. Phil Ray and Leonard Sadler are a great team who are meeting the needs of our local veterans. On Veteran's Day Sunday we had the best attendance of any service at Anna Naz with an attendance of 272.

Marilyn Elkins leads us in Trunk or Treat and VBS is still a wonderful out-reach ministry to the children in our community. I am blessed to think of the hundreds of children touched by these out-reach ministries. We are still giving away school supplies at the beginning of each school year, called (Back to School Bash) from K through 12th grade in the Anna Jonesboro area. This year we served 195 children and once again gave away a new laptop and Leapfrog in a drawing. Our church also has in-house ministries that serve the Family of God in many ways.

I would also like to say thanks to Sandy Partridge and our sound booth personnel. Sandy leads this important ministry and manages our website too. Our web address is: [www.annanaz.com](http://www.annanaz.com). A big thanks to Rick Mulback also, he is now our video technician, recording and posting each worship service on Facebook. If you miss a service because of sickness etc. you can go online to Facebook and search: Anna Church of the Nazarene. There you can watch the AM and PM worship services each week.

Attendance: In Sunday School our yearly average is 94 with our April 2010 Sunday School average being 113. Our morning worship average for the year is 113, an increase of 11 over last year.

In closing, I am still in love with the Anna Nazarene Church; The Lord knows I really do consider it an honor to be the shepherd of this wonderful flock of God. I know it is still where God wants me to be.....This is confirmed in my heart as I look back over this last year and see new faces that have been saved by His Grace. Believers that are growing spiritually and becoming more involved in ministry and PTL for the NEW PEOPLE He is bringing to our church.....

As I write this, I sense "the move of God" as others do, and I'm excited to see just what God is going to do among us in the new church year!

## **Arcola First**

To Dr. Stan Toler, Dr. Jim Spruce and members of the Illinois District Assembly, Grace and peace be yours in abundance in the name of our Lord Jesus Christ.

Since I have never served on another District, I can honestly say that this is the very best District I have ever had the privilege of serving.

The most exciting thing about this past year has been the lack of excitement. There has been neither a mass exodus nor any major eruptions. "Every valley shall be filled in, every mountain and hill made low. The crooked roads shall become straight, the rough ways smooth." The faithful ones are still faithful and that number has grown. None of our members have passed on to their eternal reward, none has been removed from membership, but one has been added. We have not demolished any buildings nor have we added any. Two have been baptized on their profession of faith. We still have at least three meetings each week where the Word of God is fearlessly proclaimed and Jesus is lifted up as King of kings and Lord of lords.

As always, we have, as the Manual instructs, had two revival meetings this year. One was done with a Nazarene Evangelist and the other with the pastors of the Arcola Ministerial Association. Other Arcola churches were involved and they have been well attended. Some pastors are experiencing revival for the first time in their long careers.

I am very grateful to the District leadership for their support, to the Lord for his call upon my life, the Holy Spirit for empowering me to do it and to the Church of the Nazarene who still has a doctrine and message of holiness.

Dr. Stan Toler, General Superintendent,  
Dr. Jim Spruce, District Superintendent,  
Members of the 67<sup>th</sup> Illinois District Assembly,  
Delegates, brothers, sisters and friends

God has blessed our small church in this past year. I can not let this opportunity go by without thanking those who have helped our ministry to grow in many ways. Sister churches who have given without expecting anything in return. I would not like to list them so I would not miss any of them. God knows who you are and we love you with all our hearts.

As I informed last year our church keeps growing spiritually, in many ways:

- One of the young people who was baptized last year decided to become an active member of the church.
- Our prayer meeting that meets every other Saturday has grown in number.
- Vacation Bible School has proven to be a very important tool to have outreach into the whole community in Arcola.

As they are victories, there is also, need. Once again, I would like to thank those of you that with your prayers and guidance hold this ministry at Arcola Spanish and my personal prayer request: That God will give His servant a double portion of His wisdom to keep the fire burning in Arcola, and wherever He sends me.

God bless you.

## **Auburn**

Dr. Toler, Dr. Spruce, fellow pastors, delegates and friends of this assembly, I bring you my sixth report as pastor and the 105<sup>th</sup> annual report of the Auburn Church of the Nazarene. 2009-10 has been a challenging and exciting year. We have been challenged to maintain our ministry to the community in the face of the economic downturn. Yet we are excited for the prospects of ministry, for the fields in our area are "white unto harvest."

Though we are a very old church, we are a very young congregation. Our Wednesday night Sunday School program has gone well. We have a good number of children and teens involved. Our church is blessed with several young couples and our nursery is over-flowing with little ones. We have several young adults involved in ministry for the first time. They are bringing much needed energy and passion to our work.

Our challenges include the discipling of our children, teens and young adults; the growth of our young Christians in ministry; and raising the finances necessary to fund our operation.

We move forward into the new church year relying upon the Lord and His saving, sanctifying power to help us reach more and more people for Christ, to disciple them, and to train and deploy them in ministry.

Faithfully,  
Brian Hay

## **Beardstown**

This has been an exciting year at the Beardstown Church of the Nazarene as God has clearly been working in the lives of this community of faith. It has been a challenging year in many areas, but it is through these blessed challenges that God has seen fit to bestow upon us His favor as we have learned to rely upon Him for all things.

Financially God has provided as all accounts are current and the budgets are paid in full. As with most churches we have felt the economic impact and some may have thought it would be impossible to pay our bills and manage to pay our budgets in full. It is with joy that the church board continued to allocate a tithe of income to the payment of our budgets. We believe that God will bless individuals who place their faith in Him and trust Him to provide financially when they tithe. As a Church Board we have the belief that as we should be tithing people and our church should also be a tithing church. So, the first ten percent of received funds were paid towards the budgets. This does not mean that we did not need to dig deep, for the final Sunday of the church year many were called upon to give sacrificially. What a joy it is to give!

It may be noticed that our membership numbers have decreased from what was reported last year. This decrease was a result of contacting members who have been inactive for years. We discovered that many had transferred or requested a removal of their membership years ago; however, the membership list had not been updated. We also released some members who have been inactive for years and indicated that they have no desire to return. It is also within this last year that we received three new members by profession of faith.

This has also been a wonderful year as we have had the privilege of seeing many in our congregation developing a love for God's Word. It has been repeatedly preached that we each need to be studying God's Word daily, not just a cursory reading, but study to the point that God reveals Himself, then applying that revelation to one's life without reserve. It has been a joy to watch the spiritual growth of those who have embraced this. These individuals have been blessed with fervency for God and a spiritual maturity is being developed by the continued work of the Holy Spirit

Beardstown Hispanic  
INFORME PASTORAL (Mayo 2010)

Estimados hermanos, les saludo a todos cordialmente en el nombre de nuestro Señor Jesucristo. Gracias doy primeramente a Dios que por su infinita gracia que me ha permitido venir a este país dándome la oportunidad y privilegio de poder servir con mi familia en el Ministerio Pastoral de esta hermosa iglesia, para mí es un gusto y a la vez un desafío grande llevar a cabo la obra del Señor, estoy seguro que con la ayuda de Dios y la de todos ustedes iremos creciendo más y más! Dios ha sido fiel hasta el momento y lo seguirá siendo porque ésta es su obra. Por lo cual agradezco de todo corazón a cada uno de ustedes que son de esta gran familia de la fe, por su apoyo constane en el ministerio que el Señor nos ha encomendado.

Durante estos 10 meses que hemos iniciado el Ministerio pastoral hemos vivido momentos de bendición y también hemos tenido algunas pruebas, como toda iglesia. Sin embargo, la mano de Dios se ha manifestado de manera ponderosa.

A continuación presento mi informe, el cual lo he dividido en algunas áreas.

**ACTIVIDADES PASTORALES**

- A. Predicación
- B. Visitación y Conserjería
- C. Varias Actividades y Celebraciones Especiales
- D. Disciplinas espirituales
- E. Ministerio de Alabanza
- F. Ministerio de Eventos Sociales y Especiales

**AGRADECIMIENTOS ESPECIALES**

Agradezco a Dios por su ayuda constante. Aún en los momentos más difíciles me ha dado fuerzas para continuar en la tarea que me ha encomendado.

Agradezco de manera especial a mi esposa Jackeline y a mis hijitos Luis y Ruth, quienes han tenido que sacrificarse anhelando mi presencia constante con ellos, cuando he estado en las actividades del ministerio.

Agradezco a cada uno de ustedes, mis queridos hermanos, por su apoyo y acompañamiento en la tarea de la iglesia y en los momentos que más los necesité. Deseo que ustedes sientan la carga de ganar a otros para Cristo porque su venida está pronta.

Agradezco a los Hnos. Church y Carol por su entrega y dedicación desinteresada en la obra del Señor, ya que antes de mi venida supieron ser perseverantes en la iglesia tanto con sus oraciones, presencia y trabajo en la misma.

Estoy agradecido, a ustedes hermanos de la Junta Directiva, por su ayuda total en cuanto a los asuntos materiales y espirituales que han provisto para la familia pastoral: Arreglo y amoblamiento de la casa pastoral, adquisición del vehículo pastoral, los presentes que nos hicieron llegar ustedes y toda la iglesia de cosas del hogar, por el cuidado que sentimos que nos brindan en todo momento.

## Belleville Emmanuel

It is with a humble and grateful heart that I bring to this Assembly my third report as pastor of Emmanuel Church. It is a privilege to serve our Lord in pastoral ministry. My prayer is that my life will always bring honor and glory to the church and most of all to our Lord and Savior Jesus Christ.

Our focus as a congregation is to make Christlike disciples by:

- 1) Worshipping with united hearts
- 2) Spreading the gospel
- 3) Helping to lead others to salvation
- 4) Nurturing spiritual growth
- 5) Providing discipleship through purposefully developing opportunities to witness and disciple

We are thankful for increases in Sunday School attendance and responsibility list, Sunday Morning Worship, Wednesday evening attendance, and new members by profession of faith and transfer. Truly, God has been good to us!

### **Financially, we are thankful for:**

The 79% that we were able to pay on budgets.

Repayment of \$4,400.00 furnace replacement loan to the Illinois District.

Utilities Grants totaling \$1,978.00.

Financial gift for new gravel for the church parking lot.

Financial gift for exterior painting on church building.

The Angel Food Ministry program is ministering to around 50/60 families each month. This year we have seen one family start attending and supporting the church on a regular basis because of the Angel Food program. Along with this ministry we have endeavored to reach out to the west end of Belleville and the surrounding areas in the following ways:

- **Young Adult Dinner/Bible Study**
- **Trunk or Treating as a Halloween alternative**
- **Vacation Bible School**
- **Veterans Day Celebration**
- **Children & Youth Ministries**

There is still much to be accomplished in reaching the lost of our area; obstacles and challenges lay before us, but; **“Nothing is impossible when you put your trust in God!”**

***“I tell you the truth, if you have faith as small as a mustard seed, you can say to this mountain, 'Move from here to there' and it will move. Nothing will be impossible for you.” Matthew 17:20***

In His Hands,

## **Belleville First**

It is my privilege to bring my fifth report as lead pastor of Belleville First Church. Our focus as a congregation is to make Christ-like disciples by:

- 1) Introducing people to a life transforming relationship with Jesus.
- 2) Enfolding people into the Body of Christ through significant relationship.
- 3) Empowering people to serve in the work God's Kingdom.
- 4) Growing people mature in Christ (holiness of heart and life).

We have been blessed with increases in attendance, finances, new ministries, and the ability to remodel a part of our facility to accommodate the growth we are experiencing in our youth ministry.

We have granted four local ministers' licenses to persons in our congregation who have a call to pastoral ministry: Andie Avram, Bill Brandon, Wayne Kunde, and Daniel Quanstrom. Andie Avram has graduated from Nazarene Bible College with a degree in Pastoral Counseling. She joined our pastoral staff, in January, as an intern in congregational care.

The people that provided vital leadership at Belleville First are too numerous to mention in this brief report. I am blessed to pastor a congregation that understands and lives out the "priesthood of all believers" and sees the role of the pastoral staff to equip, empower, and partner with the laity to provide leadership and ministry.

I am grateful for the daily ministry partnership of the Pastor Matt and Stephanie Soulia, Pastor Andie Avram, and my wife, Lynne (Administrative Assistant), who goes beyond the call of duty and job description to serve the church.

Respectfully submitted,  
Craig Dillman

## **Belleville Korean**

Dr. Toler, Dr. Spruce, Doug and Nina Haynes, and members of friends of this assembly:

Greetings in the name of our Lord Jesus Christ! We have arrived to the year 2010 thanks to God's grace. All things are not easy-going, but we expect things to get better in the days ahead. We do not doubt that in God's works for the good of those who love Him. Life is a challenge. Ministry is a challenge, too. A Ship in the ocean shall meet the waves, small and big. We take a look at the life faraway and widely, we will do our best for the glory of God, under the given situation.

Our church direction is to study the Bible, pray, evangelize and give relief to others. We are praying for our entrance remodeling project by 2013. We wish our church would be beautiful and revive day by day because we love the Lord. It is God who works in us to will and to act according to his good purpose.

We believe that God is able to do immeasurably more than we ask or imagine. Philippians 3:14 says, "I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus." 1 Timothy 6:12 says. "Fight the good fight of the faith. Take hold of the eternal life." Our challenge is tough, but we will welcome the challenges before us. We will not flee from the Holy Mission. It is with great optimism that we see the future in Christ.

In closing, I am grateful for my family, especially my wife. I am grateful to the members of the Belleville Korean Church who continue to give faithful support to their church and their pastor.

Respectfully submitted,  
Paul Shin

## **Benton First**

Dr. Toler, Dr. Spruce, members and friends of the 67<sup>th</sup> Assembly of the Illinois District: It is my pleasure to bring 20<sup>th</sup> report as a minister of the Gospel in the Church of the Nazarene and my privilege to bring my 3<sup>rd</sup> report for the good people of the Benton Church.

During this year we have received 3 members by profession of faith. I was privileged to baptize 4 adults and dedicate 3 children.

We had 3 great revivals this year. A Fall revival with Rev Bill Ulmet, a weekend youth event with *Big Chap* and *All Things New* from ONU and a Spring revival with Dan Bohi. People testified to being sanctified during the revival with Dan Bohi and more have testified of God's sanctifying grace in the days after the revival! God is at work!

We have assembled a "Vision Ministry Team" to lead the church in forming an action plan for the future. 4 of the team members attended the District sponsored New Church University held in April. What a great event! We came home challenged and excited because of what was presented to us that weekend and even more so because of what the Holy Spirit did in each of our hearts. Can't wait to see where this leads the church!

We continue to meet each Wednesday evening for a time of prayer. We are reminded that our struggle is not against flesh and blood, but against the rulers, the authorities and powers of this dark world and the spiritual forces of evil in the heavenly realms. So we continue to call on Him who can do immeasurably more than all we ask or imagine, according to his power that is at work within us.

Because of the faithful giving of many, our budgets are all paid in full and we are once again a 10% giving church. May the Lord be praised forever!

Following His Lead,  
Jeff Stark

## Bethel Community

Dr. Toler, Dr. Spruce, fellow Pastors, Delegates, friends and members of this Assembly.

This is my 6<sup>th</sup> report for the Bethel Community Church of the Nazarene. In spite of difficulties and trials, this has been a good year. For many, it has been a time of learning and spiritual growth. Several of our young couples and older youth have taken responsibility this year for classes, bus ministry, and youth group and where ever needed. Three of our youth are off to college. One of these recently was privileged to go on a work and witness trip. The church was in full support of this activity.

Bethel is a very missionary minded and compassionate church. When the earthquake struck in Haiti we were busy putting together Crisis Care Kits to help them. We support two food pantries here in the area by giving food donations monthly. They are always ready to reach out and help whether locally or some far away mission field.

We continue to have an active Caravan and youth program, averaging around 35 on Wednesday nights. A breakfast program has helped the children that come on the bus on Sunday morning as sometimes they come having had no breakfast. We are thankful for a wonderful crew that picks them up and prepares breakfast for them. Our children are also active in Bell Choir and Jr. Church.

We only had one revival in the last year but received help from it and are looking forward to Revival in a couple of weeks with Rev. Duane Smith. The Church has been much in prayer asking God to come in a mighty way and pour out His Holy Spirit. We are looking forward to great days ahead. *"Now thanks be unto God which always causeth us to triumph In Christ, and maketh manifest the savour of his knowledge by us in every place."* 2 Cor.2:14

## **Carbondale New Beginnings Community**

To: Dr. Toler, Dr. Spruce and my Brothers and Sisters in Christ

This past year marks our seventh year from when Randy Wright and I planted New Beginnings Community Church in Carbondale; and many things look different today than they did then. When the church action plan was written, it called for us to have our own building and for us to be self-sufficient by this time and all of that has happened.

Last year on Friday, May 8, we saw an inland hurricane hit parts of Southern Illinois and specifically Carbondale. We had so many trees down, no electricity, our sign got blown down, the roof and gutters were damaged; and fortunately, no one was at the church, so it was only property damage. Saturday, May 9, we showed up at the church with an army of chainsaws and we cleaned the limbs from most of the property and helped our neighbors clean up their trees and then fed them all hamburgers and hotdogs since there was no power to cook. We had church on the basketball court the next morning and many testified to God's blessings of safety during the storm. The best part of the storm was that the insurance paid for a new sign and repairs to the church building.

We have had our ups and downs over the past year, but we have also had a multitude of blessings. We have seen three people transfer their membership from other Nazarene Churches. A couple from Arizona, who have been an absolute blessing to our church, and a former member moved back from Nevada. We also have been blessed to bring into our membership four brand new members and they have become great assets to our church.

I think back over the last seven years, how the Lord has molded and changed our congregation, and all the good that He has allowed us to do in Carbondale and the surrounding community. The Lord has helped us to reach out and make a difference in so many lives. Drug addicts, drug dealers, alcoholics, gang members and people just lost in their sin; have all come through the doors of New Beginnings and found a loving environment where they can accept Jesus Christ as their Savior and begin a relationship with Him. God the Holy Spirit has directed our path and guided us through the many changes that have come our way.

I look forward to this next year with eager anticipation of who God will send through the doors of New Beginnings and the direction that the Holy Spirit will take us. I thank God in advance for all the blessings He will bring to 2010-2011.

## **Carlinville First**

Dr. Toler Dr. Spruce and fellow servants at the 2010 District Assembly This is my fourth report as Pastor of the Carlinville Church of the Nazarene.

The 2009-2010 church year in Carlinville went rapidly. It was over before we knew it. However God in His faithfulness gave us another year of blessing. We had 5 people join the church by profession of faith. All 5 of which were distant from God before they came here. We had 9 baptisms which most of those are similar stories. God's amazing grace never ceases to amaze us.

We hired Rev. Norlyn Crandall to work as our part time associate Pastor. He has been a huge blessing and a wonderful help.

We did some minor changes to make more classroom space and make the building more handicap accessible. We totally restructured Sunday School and that has increased attendance. In addition we have started some offsite Small group Bible studies.

The only sad note to report is that for the first time in over 12 years we fell a little short in paying our budgets. However God is our provider and we look to be right back on track this year. We are praying for, working towards and anticipating God to continue to help us grow spiritually, numerically and financially as we seek to minister in His name to all that Jesus would entrust to us.

## **Carmi**

I submit my Fourth report for the Carmi Church:

We are seeing the end to physical improvements at the Church, with just one more project; we are ready to launch out in the city with Evangelistic zeal. It was my goal to make our facilities presentable before starting our outreach campaign, and we are about there.

In the midst of that, new Families are visiting the Church on a regular basis, and God is faithful to visit also. Two Revivals this past year have really boosted the excitement around the Church. I am having some of the greatest times of my Ministry, as Pastor of the wonderful people of Carmi.

I am struggling with some health issues that I hope can be resolved real soon. It is my joy to serve my Lord and the Church at Carmi.

## Casey

Statistically, this has not been our best year at Casey. However, we are choosing to measure our effectiveness for Christ and his kingdom in other ways than attendance alone. Instead, we are asking the question, “How are we obeying Jesus in his mission?”

- **We are “Going”** – Jesus said, “Go into all the world...” and we are beginning to see progress outward from the center of our gathering. This year, our “Dare to Care” ministry made over 3,500 contacts through home visits, cards, phone calls, and prayers. Our youth and their meetings in public places like Hardees Church keep us connected with our mission field, which is “out there.” Life Transformation Groups and Celebrate Recovery Step Studies are growing and multiplying in our community as well.
- **We are “Baptizing”** – This past church year saw many come to express their faith in Christ through baptism. In total, 18 people were baptized in the name of the Father, Son and Holy Spirit this year!
- **We are “Teaching”** – We are hearing and obeying Christ in several ways: Our revival last year with Dan Bohi was a high point as many confessed sins, found grace, and were set free to follow Christ fervently. We are also learning through our “SEE 2015” (ReFocus) efforts. Through this process, our hearts are being turned inside out in the hopes of becoming a “missional church” that seeks more than attracting people to us, but sending each of our people out to impact those people within their circles of influence.
- **We are “Sending”** – This past year we have sent our people out to learn, to serve, and to make disciples. We sent several of our students on mission trips. Two have been serving for several weeks outside the US this summer. Our teens regularly serve others in Jesus name on similar trips and projects closer to home. Finally, through sacrificial giving and service, we sent our Kid’s Choir to sing and experience General Assembly in Orlando last year. What a joy it was to see and hear them singing with hundreds of other children there!
- **We are “Giving”** – What a year of giving this has been for our church! While the world around us was crying recession and many were hanging on to every dollar in fear, we were giving in faith! All of our assigned “Giving for Others” was completed a week before the year ended. Our Faith Promise pledges totaled over \$33,000 and we are faithfully fulfilling them. Hospitality and Compassionate Ministries are serving others regularly. As God faithfully provides, we are faithfully giving to meet the needs of others.

So you see, the picture of Casey First Church of the Nazarene is much bigger than the attendance numbers suggest. After all, we’ve done all of this with less people! If God is with us, who can be against us!

## Centralia

Dr. Toler, Dr. Spruce, and the Illinois District Assembly

It is with joy that I bring my 10<sup>th</sup> report for the Centralia Church of the Nazarene. This has been the best year, of my pastorate in Centralia, to date; however, I believe it has been a year which has taught us some things to help move forward in years to come with even greater strides.

For Team Day 2009, we took 14 people to learn how to be more effective in ministry. One of the key lessons we learned was that we needed to be more intentional in our approach. Setting goals and making plans to try to achieve distinct outcomes. We took the information we learned at Team Day and put it into motion beginning with VBS. Counting students and workers; we had 118 enrolled for VBS 2009. As a follow-up for VBS, we planned a concert, tie-dye party, and ice cream party. Adults and children attended the concert, and then tie-dyed shirts after eating their ice cream. The shirts had to be processed overnight, so everyone had to return the next morning to get their shirt. The event had nearly 130 people in attendance, with 109 returning for morning worship the next day. We had purposely planned an event where adults and children could come together for fun, yet required them to interact with one another. As a result, everyone got a free shirt they could proudly wear telling everyone they had made it themselves.

As a result of that event, we were able to glean an important principle. We need to be developing more activities and ministries where children and adults, specifically their parents/guardians, interact in a fun environment. On Saturday night before Valentine's Day, the church hosted a banquet for the adults and asked a \$5 donation for the meal. The money that was raised was donated to the local Pregnancy Care Center, a \$250 donation being made possible, and during the meal, the adults were asked to write Valentine's Day cards to the children. The next day in children's church, the children were given their cards, and asked to make cards for all of the adults in service that morning. It was wonderful to see the children rushing around after the morning service making sure every adult received cards.

This approach to being more intentional has led to an increase in worship attendance of nearly 10% from last year's attendance. More importantly, there are nearly a dozen people who did not attend church last year who are now attending because they were drawn in through these types of activities. We returned to Team Day 2010, this time with 17 people. More insight was gained, and as the new church year begins, we are planning ways we can use this new information to build upon our existing knowledge base. I look forward to what God has in store for Centralia, and I truly believe our best days lie in front of us rather than behind us.

Respectfully submitted,

## **Champaign First**

Greetings in the name of our Lord! This has been an amazing year for our church family. We have experienced a fire in the garage, another flood in the basement and a drop in our finances. Through all of these setbacks God has reminded of his love for us and has helped us make progress towards the vision he placed in our hearts.

Our vision for the Champaign First Church of the Nazarene is to:

Show our love for God and for all people by helping them

### **Get Connected**

to God, to a Group, and to a Team

This year we have worked to create good opportunities for people to connect with God. God blessed in these efforts and praise his name there are several that have gotten connected with God this year!

This year we have worked to create more opportunities for people to get connected to a small group. To this end a new small group of young families was added along with one more adult Sunday school class. This is an area we plan to put a lot of effort into this year and bring to a new level to help people get connected to friendships and to the study of God's word.

This year we have created opportunities for people to get connected to a ministry team. We currently have over 80 adults and teens serving on a ministry team somewhere in our church! I am praising God for our teams who have made a special effort this year to make room for new people.

We are blessed with a wonderful team to work with here at CFC and I am excited to see what God has in store for us this year as we work shoulder to shoulder in the Kingdom of God.

In Christ,

## **Champaign New Day Community**

Dr. Toler, Dr. Spruce and Illinois District, I offer to you my 8th report for New Day Community Church.

This past year has been another in a long line of transitions for New Day and for me as a Pastor. I have completed my 5th year of full-time bi-vocational ministry and as a Church we have made another significant transition. As many of you know we sold our property three years ago and have been leasing our old building from the new owners. This year we had an option of renewing the lease at \$1000 a month, plus all Utilities, Insurance, upkeep etc. etc. As we looked at that prospect, we began to pray about a more affective usage of our finances - so we began looking at buildings to rent and found absolutely none within our price range. So, we decided that it was time for us to Re-Think how we do Church. We looked at Schools, Motels and Banquet Halls and finally decided to rent two rooms from The Refinery on John Street in Champaign. The cost of renting the rooms is less than what we would pay to just heat our old building during the winter months - so that was a plus. We would only need to Insure our belongings and not the building itself - another plus. They do all of the upkeep and pay the utilities - an even bigger plus. They even set up the platform, tables and chairs in the two rooms that we rent. In addition to the stewardship factors of renting the rooms - The Refinery is a very attractive building, with allot of apartments surrounding it. The Refinery has built in foot traffic, because of the many people who are in the building on a daily basis to use the facilities, including the state of the art Exercise Club. It has "curb appeal" because of its appearance and location. When we added all of that up - it became a "win - win" for us and for them.

We have had to make major adjustments to how we do Church and I believe God is helping us to finally be in a position to accomplish the mission we believe He has for New Day Community Church.

Respectfully submitted,

Todd M. Lafond

## **Chrisman**

Statistically, this has been a challenging year. We are down some, explained by various things. But financially we are up 10% this year which is exciting considering the economic times we are living in. In fact, I'm thrilled to say that we have paid our budgets in full. It took sacrifice on the part of our people but they have done that.

Spiritually we had a wonderful year for several reasons: Rev. Billy Huddleston was our evangelist in the spring and God used him in a wonderful way. But the greatest reason we have seen spiritual gains in the Church this past year is because of small group ministry that began in November. We have 5 small groups (three adult, one teen, and one children's group) that meet each Wednesday and our mid- attendance that was 20 give or take a few went to 55 and 60 with small groups. The leadership in the groups has been great and sense of God's presence has been wonderful. It has been the beginning of very effective prayer ministry and discipleship. People are growing spiritually and they are getting to know each other better.

In the area of missions we continue to not only pay our WEF but also support two children through the Nazarene Child Sponsorship Program and we provide some support for three pastors in Guyana. We had Jon and Mary-lou Kroeze, missionaries on a Sunday morning for a deputation service. We believe in missions.

The people of Chrisman have been wonderful to this pastor and his family and it is a joy to be the pastor of Chrisman Church of the Nazarene.

We meet twice annually to evaluate where we are as a Church and it is excited to know that we have expectations of ourselves and of God. We are not interested in the routine and just getting by. We want to make a difference that lasts for eternity.

My goals for the coming year: AM Worship—95, Sunday School—75, New Nazarenes—5, Baptisms—10, Entirely Sanctified—10. I believe that God can not only use us to accomplish these goals but to exceed them.

In Christ,

Pastor Chris Hughes

## Clinton

My brothers and sisters in Christ,

Over the past year there were three focus areas to which Clinton Church of the Nazarene gave special attention and energy

- 1) A Renewed Commitment to Our Teens
- 2) Spending Time with the "Un-churched"
- 3) Expanding Our Vision of Christ-like service.

The third of these three areas was by far our largest success. Our church found numerous opportunities for Christ-like service in the past year; so many in fact that they are too numerous to list here. However, more important than the number of events, ministries, and offerings in which we served those outside of our congregation was the wide level of participation throughout our congregation. Everyone got involved and even took initiative in finding ways to serve those in our community and around the world simply for the sake of being Christ-like.

We also took major steps forward in the area of outreach, our second goal, over the past year. Our church organized events and activities to reach out to those in our community with the love of Christ and we are making changes in order to make more meaningful connections with our visitors. However, even with the great strides we have made in this area we still have a lot of room for improvement. Outreach must become an integral and intentional part of who we are as a church.

Last year, I challenged everyone to go to our NYI President, the parents of our teens, or the teens themselves and ask a simple question: "What can I do to help?" The initial response to this challenge was amazing! However, it faded after a few months and I believe that today we are no more committed to our teens than we were a year ago. We are committed to doing everything that we can by the grace of God to see that change in the next year...and we are expanding this challenge to include our children as well. The areas on which we need to focus our energy and attention in the coming year are these:

- 1) Greater involvement in the lives of our children and teens
- 2) Outreach! Outreach! Outreach!

Of course, everyone has their different roles to play within the body of Christ. However, at this juncture in the life of our church, these are two areas which need church-wide energy and focus. We need every single person in our congregation to contribute in some way to the lives of our children and teens and our efforts to reach out to those who do not have a church family. May the alpha and omega, the one who is and who was and who is to come, the Almighty, empower us to be his faithful and holy people in the year ahead.

## **Collinsville Good Samaritan**

When's the last time you took a good, hard look in the mirror? This is what the great people of Good Samaritan Church of the Nazarene have spent the better part of this past year doing. Employing the help of New Church Specialties, the congregation went through a lengthy period of detailed assessment. Self-assessment takes courage, especially if change is required. But with the goal of continued transformation increasingly into the likeness of Christ, our congregation courageously took a long, hard look in the mirror.... Here's just a little of what we discovered.

### **1. We have some significant assets upon which to build...**

The congregation expressed a deep, passionate desire to grow not only numerically, but spiritually. No signs of apathy here. Rather, there's a craving for spiritual deepening among us. Building upon this foundation, a monthly "Concert of Prayer" prayer meeting took root. God's people came together to call upon Him in true worship.

The Good Samaritan Ministries Center, an outreach initiated by the people of Good Samaritan Church within the heart of urban Washington Park, continues to offer hope and healing in an area of much despair and brokenness. Seeking to care for the bodies and souls of our neighbors in that area, much has been invested there by our people.

### **2. We also discovered several key areas for improvement...**

We long to become an indispensable resource to our local community in Collinsville, yet our presence currently seems little known. Pastor Sean Asbeck and our teens have led the way in response through the "Adopt-A-Block" initiative taking place all this summer. "Financial Peace University" was also offered, with more than half the class coming from the broader community. We plan to continue to network with community leaders, seeking to listen and mobilize to respond to the true needs among us.

Intentional leadership development is also needed if our congregation is to embrace God's mission for us. There is a need for unity both in spirit and focus. Our lay leaders are hungry to both envision and lead together as God guides. Looking in the mirror, we have much reason for Hope as we increasingly take on the character of the Christ who is among us, seeking to be the Light of Christ to our world.

Respectfully Submitted,  
Pastor Kevin Hancock

## Decatur First

The Decatur First Church of the Nazarene has been faithful to the mission of ***“leading people to a Christ-like life.”*** We continue to reap the benefits from our Vision 2009-2010 which laid the groundwork for action steps and strategies focused on prayer, first impressions, outreach, evangelism, worship, mission & compassion ministries, discipleship, service, fellowship, and growth.

As a result of God's faithfulness and our obedience, we had an increase of 44 in Morning Worship attendance. Combined with last year's growth, we had an increase of 90 people in worship and 39 in Sunday School in a two-year period. We also had an increase in giving of \$26,973 which came as our people gave sacrificially during a difficult financial environment.

One of the major steps of faith we took this year was the hiring of Justin Neufeld as our part-time Community Life Outreach Director. Through sports and recreation, he has opened a new door for those in our community to hear the gospel. We began an Upwards basketball program in January and had 98 children participate. We are looking to expand this ministry to flag football & soccer in the coming year. Justin also started a number of programs including: dodge ball, flag football, Zumba, cardio kids, a golf league, volleyball, and much more. These programs have allowed people in our community to enter our church in a non-threatening way as we seek to lead them to a Christ-like life.

In the mission and compassion arenas, we have continued our emphasis of “Here, There, & Anywhere”. We had 25 people go to Orlando for the One Heart, Many Hands Endeavor and have a large group heading to Columbus, Ohio, this summer for the One Heart, Many Hands Work and Witness trip. We raised over \$6,500 for the Haiti relief project, gave Jared Bouton \$2,500 for his mission work in Ecuador, and worked with the City of Decatur to help winterize a number of homes for those less fortunate. Our Helping Hands ministry fed and clothed a few thousand families throughout the year, and we hope to help the Oak Grove church re-roof their parsonage.

We installed a sand volleyball court and poured a 70 x 110 parking lot to assist our growing congregation. We are presently working with the city of Decatur to further develop our property as we seek to add soccer fields, a second softball field, an additional sand volleyball court, a picnic shelter and grills near our pond, a tennis court, a walking path, playground miniature golf course, and another gym/banquet facility which could house a swimming pool.

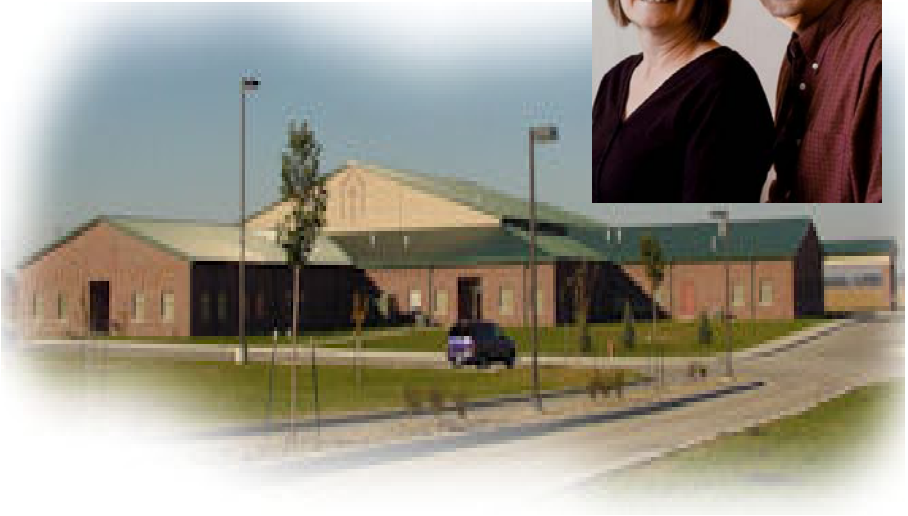

We continue to provide a variety of outreach events such as our Family Fun Fest, Harvest Party, Crosswalk, Passion Play, and new this new year was a Christmas drama. Our Creative Kids Day Care & Learning Center has expanded to be able to minister to approximately 148 children and their families many of which we see join us on Sunday.

In February we had a Marriage emphasis: *“A Marriage That Goes The Distance”* which led to a special day in which we renewed the wedding vows of a large number of our people and actually held a wedding during our Sunday service. I am continuing to share the resources God has given us through “Relationship Resources” which has a link on the [www.nazarenepastor.org](http://www.nazarenepastor.org) web page and has its own site at [www.nazpapz.com](http://www.nazpapz.com). There we share sermons, PowerPoint slides, sermon inserts, drama material, and graphics to over 650 pastors and churches.

I especially want to thank God for a divine miracle for my Dad who fell while walking a few months ago and as a result fractured his C-1 and C-2 vertebrae which should have rendered him paralyzed or very possibly ended his life. Yet, today my Father is able to walk and enjoy life in a way beyond imagination. I thank God and the many prayers that you prayed for him. It is a privilege to lead the people of Decatur First!

## **Decatur Oak Grove**

Dear Fellow Co-Laborers in the Lord, with much Gratitude. I greet you again in the Name of Our Wonderful Lord Jesus!

As undeserving as we are, your fellow-servants at Oak Grove have been blessed again this year to experience another outpouring of our Lord's Grace and Goodness! His Provision, Blessing and Guidance have brought us through another challenging yet wonderful and fruitful year.

We continue to see new faces in our Sanctuary, and new commitments at our Altars. The fullness of God's Holy Spirit has been poured out into a number of hearts who've consecrated themselves and invited His power into their lives through Sanctification!

We continue to share the love of Jesus with our City through Compassionate Ministry efforts, and to care for the facility God has entrusted to us through continued improvements.

God has also graciously enabled us to once again see all Budgets paid in full---something He has accomplished every year of Oak Grove's existence!

We've seen the Holy Spirit at work through two great Revivals this year, and been encouraged by watching the Lord raise up a new Youth Group! We've been inspired as we watch our Sunday School Dept. continue to improve, with one new class and another one ready to begin. Most of all, we deeply and desperately long to see the unsaved come to faith in Jesus Christ...and all that we do is directed toward that end.

We publicly give Praise and Thanks to our Gracious Lord for another great year in His Kingdom work and we look forward to whatever He wants to do next! Let's Keep Fighting the Good Fight Together....

Yours for His Sake and His Glory,

## **Decatur Parkway**

Dr. Toler, Dr. Spruce, Members and Friends of this Assembly:

I am privileged to serve with the wonderful family at Parkway Church of the Nazarene. I praise the Lord Jesus for His faithfulness to us and thank Him for every accomplishment.

We received 3 new Nazarenes into the family at Parkway. These new Nazarenes are now actively involved in the ministry of Parkway and are making a difference for Christ. Thank God for each one of them.

At Christmas time the choirs of Trinity, Oak Grove, and Parkway joined together to perform a wonderful Christmas musical directed by Ron Black. It was well attended and enjoyed by everyone. Thanks to the choirs and Ron Black who worked together to praise and lift up Jesus in song. I also extend a sincere thank you to my associate Ron Black whose musical talent continues to bring the best out of our Praise Choir at Parkway. I am thrilled and amazed, every Sunday worship. Pastor Ron is a valuable part of the ministry team at Parkway.

In the spring 12 of Parkway's people ventured on a Work & Witness trip to Florida at the Missionary Village in Bradenton. David Bailey and his team did an excellent job as always of making a difference there. A highlight of this trip was the privilege of baptizing 3 in the Gulf of Mexico. What a powerful witness to those on the beach that day. Many stopped and praised God with us! A team of workers also traveled to Palmetto, FL to assist Pastor Bruce McEwen in remodeling the church there. It was a joy to be able to help one of our sister churches and then to worship with them on Sunday and see the results and experience the happiness of the people.

Parkway has also sent a team of workers to our Harrisburg, IL church to give assistance to Pastor Gary Clark and his people in their efforts of remodeling Harrisburg First Church.

In conclusion, my goal—our goal is to do whatever we can to win everyone we can to Jesus Christ and to make a real difference where God has placed us.

## **Decatur Trinity**

To all who are at Assembly this year,

Last year we were blessed in many ways. In our services the Lord was there and the Word was preached. Praises were freely sent to Jesus and the Holy Spirit helped us in so many ways.

We had a wonderful revival with Rev. John Juneman who lives near Nashville, TN. All you pastors, look him up and give him a call. You won't regret it. He opened up scripture to us in a way that was fascinating and helpful for our spiritual walk with God. Our fellowship with one another is awesome and we are eager to share it with others as well.

Financially, God is blessing as well. We have reduced our indebtedness down from \$80,000 to \$56,000, and we are still chipping away at it. All our budgets are paid in full, Glory to God!

I had hoped to boost our average attendance up to over 50 from last year's 47. I thought initially we were going to do it, but as time went on, it became clear that we were going to stay at 47, but that's OK. We'll get it done next year, which I am looking forward to.

Do not be alarmed if you see our total membership is dramatically down. The board and I thought it was time to clean up our books as we have not seen some of these people for decades, some have died, and some have gone on to Heaven. Next year, hopefully, we will show a growth in this area.

In His service,  
Dan Taylor

## DECATUR WEST SIDE

DR. STAN A. TOLER, DR. JIM SPRUCE, MEMBERS, AND FRIENDS OF THIS  
ASSEMBLY:

THIS WILL BE MY THIRTEENTH REPORT AT DECATUR WEST SIDE, AND MY  
THIRTIETH AS A NAZARENE PASTOR.

From my perspective this has been a year of enlarging the foundation. It gives me great joy to report that we were able to baptize twelve believers this year that ranged from early teens to middle adulthood. Also during the year we dedicated five babies to the Lord. As my report shows we were able to take in six new members by profession of faith. As I write this report we have eight taking the new membership class and plan to join. What is so amazing about these people, they are all still attending. I have often seen people become lax after this level of commitment.

The District Pastor and Spouse Retreat last October was a highlight for Dee and I as we were able to attend after missing several. By all means we needed to be there. The speaker spoke in one session about the Potter and the Clay. From that one session it had a huge bearing on how we began to see the ministry and plans that God has for Decatur West Side. It was a wonderful time of hearing God's voice as we cast vision for future growth and a new chapter of all the things God wants to do as we follow His leadership. We believe much will be in our future as we see God putting us back on the potter's wheel to reshape and mold us for His glory.

This report reflects what God is doing at West Side and the people that make up His great church. A special thanks goes to Russ Burch our Minister of Music who experienced a highlight in his life of being ordained last year at assembly. I want to also take this time to thank my wonder wife who stands with me and brings encouragement all through the year. Then I want to thank the Lord for continued strength and renewal as the challenge of ministry keeps changing. How the scope of ministry has changed over the last thirty years is nearly unbelievable. However, God's grace still remains more than enough.

## **Du Quoin**

To our dear friends and members of this 67<sup>th</sup> Annual Illinois District Assembly, we now submit our third report of our ministry to the good and very loving people of the Du Quoin Church of the Nazarene. We have come to love and appreciate the good and faithful members of the church and all the new people we have made contact with as pastor that have begun to come to be a part of our services on a regular basis.

This has been a challenge for Joan and I to be a part of this community and to get to know many new people on a first name basis. Thank you Du Quoin Church for allowing us the privilege to serve you in our long journey each week. In the past three years we have had the joy and the thrill to get to know many new people. We have had the honor of presenting the Gospel to many. We are looking forward to a very good year of harvest, as we continue to build good relationships with new people all over the area.

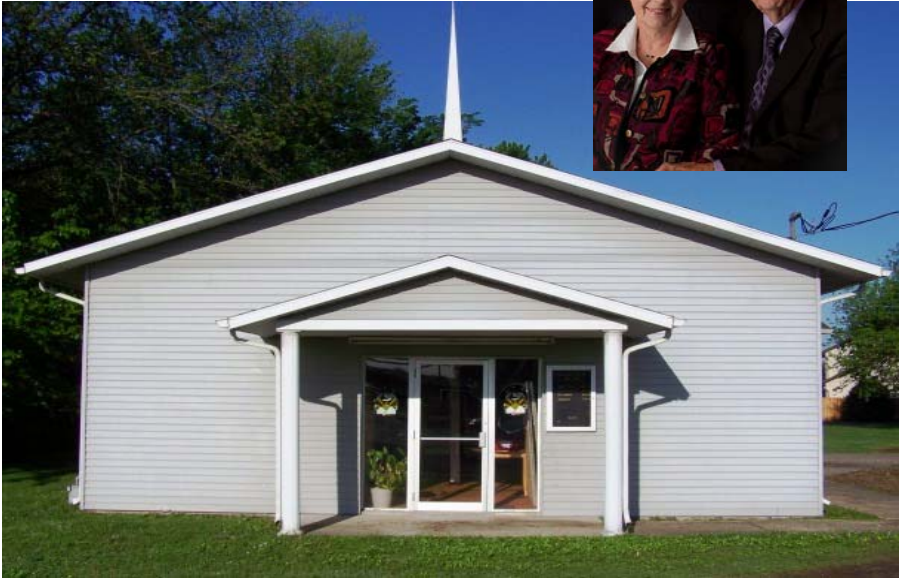

We are all called to be "GOSPEL" seed planters for Jesus. As each of us invite new people to church and demonstrate our love of Jesus, God will bring the increase. My personal field of harvest has greatly increased as I continue to feel my call to reach new people for Christ.

I would be very amiss if I did not give due credit to my lovely and very caring wife who has guided me and helped me in so many ways in our ministry together. I could not have had the great ministry that I have experienced throughout the years without Joan's spiritual guidance and ability with music and the WOW Bible Study that is still a key to our ministry. We are also involved on Sunday evenings at our good church at Laclede with an evening Bible Study.

We will continue to pray that God will continue to bless our ministry at Du Quoin as well as at Laclede. We are looking forward to a new year of soul winning. May God bless our churches together this year with great growth!

## **Dupo Bluffview Christian Center**

This has been the strangest year of ministry for me so far, that it is almost too hard to explain, but I must try. Our church ministry has of course been affected by the economic downturn. Some in our church having lost their jobs, with yet others finding themselves in financial turmoil, hence the church having lower financial support, but an increase of persons in great need of help. Nothing is worse for a ministry than seeing people in need, and not having the resources to help.

We have been on a roller coaster ride where we have seen ourselves deep in the valley, and then at times high on the mountain top, where the Holy Spirit had made a mighty entrance into several of our services, giving us a sense of renewing. We have seen new faces come into the church, nine in all, which have made it their church home, with some of them joining the church.

Now you are probably wondering where the strangeness that I had mentioned early on is! Well, although we have had our moments, it seemed so often that we simply fell off the radar, with very little significance accomplished. But in the last month the whole congregation has a collective feeling that something has happened spiritually to us all, and that God has prepared our spiritual hearts for something awesome in the ministry this coming year. It all started a month ago when the shadow of Christ appeared standing by the cross in the sanctuary.

Our hearts have been prepared and we are ready to get back into the game, so-to-speak, in winning lost souls for the Kingdom of God, and finding ourselves growing in spiritual maturity.

## **East St. Louis Rush Memorial**

I am pleased to submit my fourth report to the District as pastor of the Rush Memorial Church of the Nazarene. God continues to bless our efforts as we build relationships with a community that seems to have lost all hope in having any kind of relationship with a loving, merciful, and forgiving God.

God, through our compassionate ministry has made a way for us to reach out to the homeless community and all others who are in need, to build relationships with them to lead them to a personal relationship with Christ. Our church has and always will be a beacon of hope for those who are lost to find their way back to salvation, a gift that only comes through Jesus Christ.

God blessed us with two new members this year; both of them come into the church seeking a personal relationship with God and a hunger for His Word. One of our new members has enrolled in the Continuing Lay Ministry study course and we know God will bless her in her efforts to glorify Him.

Our bible study and prayer meeting, has increased by two this past year, as we continue to search the Scriptures for the truths of God's Word as it relates to each of us living a life that will glorify and please Him.

As we continue to build bridges in the community through our compassionate ministry, we were able to present a gift to the Education Advocacy Project in an effort to support the children and parents of school district 189, in the city of East St. Louis, Illinois.

God has allowed our church doors to remain open for twenty-three years. Some people have asked, "How are we able to keep the doors open?" It is by the grace of God and the faith we as a congregation have in a loving God who is worthy to be praised. Although we are a small church, God has empowered us to reach out to the surrounding community with His Word and His love to plant and water so the Holy Spirit can bring people into a personal relationship with Him.

We continue to be encouraged people will be saved here at Rush, as God allows our lives to show evident of the hope we have in one day being able to see Him face to face.

## **Edgemont Grace**

The 2009 church year has been one more illustration of God's provision, protection and God's grace. To summarize our year at Edgemont Grace would encompass a wide range of emotional and spiritual highlights. First of all we were able to meet all of our budgetary requirements despite a decline in our church income. We had a number of members who either lost their jobs, or had a reduction in their hours at work. But, God was faithful to supply all of their monetary needs. In the area of spiritual growth we have seen a number of our Wednesday night Bible study group members grow in their understanding of the word of God. They also have learned how to study God's word for themselves through bible study aids and insightful commentaries. With the deeper understanding of God's word they have been able to pray more effectively. The fellowship has extended beyond our church members in that we have attracted individuals from other non Nazarene churches to attend. The question and answer format which we are using in our study excites the attendees and in turn keeps me quite busy developing questions for the study.

An outreach strategy that we implemented this year was our monthly movie night at the church. We showed Christian movies at the church one Friday evening a month. The movie was provided free of charge.

Emotionally our church experienced a bittersweet separation with the home-going of our pastor emeritus, Rev. Carlton Heyliger. Rev. Heyliger had been the long time pastor of our church. He mentored me in many significant ways. It would certainly go without saying that his presence will be greatly missed. The funeral was held at Parkview Church of the Nazarene. We discovered how much brotherly love Pastor Jay Shoff and his congregation held for us when they graciously allowed us to use their facility for the funeral service. If not for their kind gesture, we would have had to use a non-Nazarene church to hold the service.

Although we still have not found a facility that would be more handicapped accessible for our aging congregation, we have made some facility improvements. Both the men's and women's bathrooms were gutted and totally remodeled with all new bathroom fixtures, flooring, walls etc.

Finally, God has added a new member to our church family. She is the daughter of two of our long time members and they are excited to have her as a member of the family of God. She has jumped right in and is working with our director of Compassionate Ministries.

## Fairfield Fountain of Life

This is my 38th Pastor's Report, my 25th to the Illinois District and my 3rd report for Fairfield Church.

We are seeing many wonderful victories. Seven new ones have committed to the Lord at our altar. Our finances are up. Budgets are paid in full. A new kitchen project is almost completed. Most of all, God's blessings are upon us.

Let me tell you of some of them:

1. Freedom Fest 2009 - Over 125 people came and ate a free ham dinner at our church. 89 stayed for a free concert. One lady committed her life to Jesus. Joe Heraldson also came our way. What a blessing he has been to our church this year.

2. Mrs. Lucille Goodson, dear and sweet little lady, who loved to come and eat at our church dinners. Grandma fell asleep and fell out of bed and broke her neck. At age 89 she gave her heart to Jesus. Jeanie and I will never forget her prayer. Jesus, forgive me, I am an awful bad sinner. We mourned at her passing! It was a Wednesday night prayer meeting from 7 to 8. God's presence was so real as she went home! Carolyn Pollard's mother touched the hearts of us all.

3. Musical Programs, Special Concerts and Cantatas have blessed our church. It is how we got our new name! The newspaper called the Fountain of Life Choir the Fountain of Life Church. The name fit and stuck.

4. Mrs. Susie French just slipped to the altar and found her way like an old time Nazarene and got an old fashioned victory in her heart. She has experienced victory over cigarettes and many life struggles.

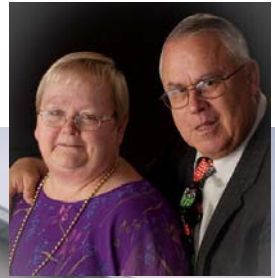

Joey and Alyshia Churchill are a cute young couple. They committed to the Lord their lives after marriage counseling. They have a beautiful baby girl, Miss Addison. Grandma Barbara Marshel is very proud of her three little grandchildren. Miss Addison loves to watch me as I preach! What a blessing! Bro. Donald Fred is continuing to grow and get involved in serving the Lord. Mrs. Debbie Davis came to the Communion services and she made a new commitment to the Lord. The Lord is helping her daily. Mr. Dennis Nelson has also come and is helping us in the church. Also Balona and Harlen Dozer and Magon. It's just amazing what God is doing. We are so thankful for Bob and Anita Onyett and Dan and Bonnie Buddie. They too have blessed our church this year. They are sharing of their gifts and talents.

We are seeing a new church emerging in the place of the old one. We're excited about being able to continue on in 2010-11.

We want to thank everyone who has prayed for the Fountain of Life Church. Also those who have helped us; Salem Grace Church and Sandy Humphrey of the Centralia Church helping with tapes for our music. I am thankful for my Jeanie. She is loved by our church and is right beside me doing what she can for Jesus! Lots of miles, lots of work but lots of blessing. So, we march on for 2010 in the services of the King.

His Servant Forever,  
Rev. Dennis Middleton

## **Fairview Heights Parkview**

The 2009-2010 year saw the Parkview Church turn its' attention to evangelism. Two training classes were offered, one in the fall and one in the spring pertaining to witnessing and soul-winning evangelism. The Church also began a once per month Wednesday night visitation program to follow up on prospects, new attendees, absentees, the sick, and shut-ins. We have seen some positive things coming out of this ministry with a few people return to the church services. We will continue our evangelistic emphasis in the coming year praying and working to see people come to faith in Christ.

The Church enjoyed very good revival services with Evangelist Tim Hancock in the fall.

At the beginning of the year we brought in Tim Sprinkle as a part-time Youth Minister. Tim has been a delight to the church as a whole and has done an excellent work with the youth. He has given good spiritual leadership as well as getting the youth involved in projects and ministries beyond the local church. He has a heart for the young people.

We accomplished a major capital project in the re-roofing of the church buildings. It was the culmination of five years of fund raising through diligent effort, creative approaches as well as through sacrificial giving. It was a project that pretty well consumed the church's financial attention this past year as we pushed to bring this project to completion. The congregation of Parkview is to be commended for their great efforts on behalf of their church building.

The Church body is united and a spirit of expectation is present.

## Flora

It is a privilege to share my sixth report as senior pastor of the Flora church. Over the past year, the Flora congregation has been living out Paul's instructions in Romans 12:13, to "*share with God's people who are in need. Practice hospitality.*" Despite the current economic slow-down the church paid all its ministry fund allocations in full, including the highest mission giving in Flora church history. In a special Haiti relief offering, the congregation gave well beyond expectations, receiving \$2,300 to help the earthquake victims. We also lent a helping hand by providing several hundred dollars in support of a new district pastor and his family.

In our own community, sharing with those in need included spear-heading a community benefit that raised over \$6,000 to help a local cancer victim with medical expenses. In addition, we provided several smaller gifts to help local families through the economic downturn.

But I am especially proud of the Flora congregation for the way they practiced hospitality to one family in particular. A couple of years ago, in response to a community children's outreach, a Japanese family started attending the church, the father part of the management team of a Japanese owned manufacturing plant in Flora. Buddhist in background, they were looking for a place where their children could learn about God. Since there was no Buddhist temple, they decided to give the Flora Church of the Nazarene a try. Flora is not a very diverse community and I wondered how the congregation would respond. My fears sub-sided when I saw a lady get up from her seat during a Wednesday night Bible study to sit with Waka in order to show her how to look up Scripture references. Waka was soon involved in one-on-one Bible study with another lady in the church, joined the choir, and attended Sunday School regularly with her children. Before the family left Flora to return to Japan this past April, Waka expressed her belief in the Risen Christ. The family expressed their desire to find a church home in Japan where they could continue to grow in relationship to Jesus Christ. Please pray for Waka and her family that the seeds that have been planted will continue to grow.

## **Georgetown**

Dr. Toler, Dr. Spruce Delegates, and Friends of this Assembly.

This is my 9<sup>th</sup> report for the Georgetown Church of the Nazarene. It has been an interesting trip for my family and for the church. We have learned to love and care for each other.

Coming into an older congregation it has taken some adjusting on both of our parts. As we have learned to work together, share together and except each other, we have been able to see a real change in the spirit of the church.

We have seen some people come and some people go. Many have gone on to Heaven and some have become home bound. But as we gather together to worship there is a sweet spirit that you don't always find in such a diverse group as we have.

We are seeing answers to prayer. The Spirit is moving and we are ready to go in the direction that the Lord is leading.

Please remember our people in prayer that we will be up for the challenge.

## **Glenview**

Dr. Toler, Dr. Spruce, Members and Friends of this Sixty-Seventh Assembly of the Illinois District:

This is my 30th report for the Glenview Church of the Nazarene and my 36th report to the Illinois District. I am excited to bring this report for these wonderful people. All the accomplishments this past year are the result of a dedicated church family that demonstrates the unity of the Spirit of Christ.

I am happiest to report 13 new church members with 10 of them being by Profession of Faith. There are more being groomed for church membership. Praise the Lord!

The financial goals were again all met. The WEF was over paid by \$1659. We are off to a great start for next year's WEF as on May 2 we had our Faith Promise Day. We underwrote \$10,700 in Faith Promise Pledges. Missionary Wayne LaForce, Deputation Coordinator from Headquarters, was our excellent guest speaker.

Glenview received the Community Award for having the best church lawn and landscaping in the commercial category.

I wish to thank the many people on the Illinois District for their continued prayers for my wife, Pat. She is healing and improving slowly, but this was to be expected. It is a miracle for her to even be with us. We continually thank and praise the Lord for His touch on her.

I am excited about sharing my ministry, my life and love with a Spirit-filled and unified church family.

## Griggsville

Dr. Toler, Dr. Spruce, Delegates and Friends of this Assembly,

On July 8, 2010, we will celebrate 3 years of ministry at Griggsville. Wow! It has equally been challenging, rewarding, fun, exhausting, stretching, mind-boggling, and heart wrenching.

This is my report but it really is our ministry team report. As you read the statistics and information, I hope you get a sense of the movement of God among us. We are not ready to turn the corner as a church. We are turning the corner!

Thanks to my family for putting up with me and not putting me away! Thanks to the board for their spirit of teamwork and willingness to be stretched by God to accomplish more. Thanks to all of you who make up this local band of believers and your faithfulness. Thanks to the Lord for giving me a place to serve and to be served.

Below is a list of qualities of a Healthy Church. These are our marching orders as a church. We will strive to make all of these a reality at Griggsville Church of the Nazarene. Together, with God, WE CAN !!

### "The Eight Qualities of a Healthy Church"

- 1) Empowering Leadership
- 2) Gift-oriented Ministry
- 3) Passionate Spirituality
- 4) Functional Structures
- 5) Inspiring Worship Services
- 6) Holistic Small Groups
- 7) Need-oriented Evangelism
- 8) Loving Relationships

## Harrisburg Oasis Community

Dr. Toler,  
Dr. Spruce,  
Members and Friends of this Sixty-seventh Assembly:

It is with a deep sense of gratitude that I present my twenty-ninth report to the Illinois District Assembly. As I reflect on the journey, I am reminded of the words of the songwriter: *"Its been a good trip and I've enjoyed every step of the way; The mountains and the valleys, the rough and the smooth, the night as well as the day. Its not always been an easy road, a lot of things have tried to make us stray. But God has given heaven to go to heaven in and its been a good trip all the way"*. As another writer said: *"I don't regret a mile that I have traveled for the Lord"*. Thanks be to God for his saving, sanctifying, and sustaining mercy.

Now, as we turn to ponder the journey that lies before us, let me say that we are encouraged in the Lord in regards to the effectual door that seemingly has opened for Oasis Community Church to proclaim and exemplify the holiness message in the region of Southeastern Illinois. We are currently enthusiastically engaged in the repair/remodeling of the Harrisburg facility. When completed, it will be a beautiful 10,000 sq. ft. worship center located at the gateway of the Shawnee Hills National Forest. The field is white unto harvest. Pray for us to be reapers pleasing unto the Lord.

On behalf of the Oasis Congregation, congratulations are extended to Dr. Spruce, Rev. Doug Haynes, Rev. Mark Copley, and the DAB for their support of this mission. Also, we will never forget the *labour of love* provided by the Work and Witness Team from Decatur Parkway led Mr. Dave Bailey and Pastor Mike Tapscott. They certainly showed their faith by their works.

## Highland

Dr. Toler, Dr. Spruce and District Assembly and friends. I give you greetings from the Highland New Start Church. This has been another very interesting year.

We received a very big help from our co-pastor Bruce McEwen and his wife Rene. They were a great encouragement for us and showed us some new ways to minister in the Highland area. Unfortunately for us, Bruce and Rene accepted a church in Florida and are really moving forward for the Lord in the Palmetto area. We knew when they joined us that this was a viable possibility and we know they are in the Lord's will, but that does not mean we do not miss them. They joined with us right after last year's assembly and left just before Christmas. Though with us a short time, their influence will be with us for a long time.

The Highland core group is still greatly encouraged and excited to break out of our present format into a more vibrant ministry in the greater Highland area. Every so often, we partner with the Nicaragua Christian Education Foundation, which has a warehouse in Highland, and we take our turn packaging food to be distributed by the NiCE foundation to needy and suffering children in Nicaragua.

Some of our outreach members are still struggling with terminal illnesses, addictions and loss of jobs. Some of our core members have had some hard physical battles. It is so encouraging to see, in spite of the battles, our faith and trust in the Lord seems to grow stronger every day.

As we look around at what is happening in the world, we see Bible Prophecy unfolding and realize time is short and the harvest fields are so white ready for harvest. We must get the harvest in before the "winter". There are so many lost and dying souls out there.

We pray for more workers! God is so good!

## **Jerseyville**

It is my honor and privilege to present my third report as senior pastor of Jerseyville Church of the Nazarene. If one word could be used to describe this year it would be this—interesting. We started off with a conglomeration of rather unique challenges. Before the storms subsided, a number of our own people opted to leave for other churches. Yet almost as soon as the weather cleared, we began to experience spiritual healing and renewal. If you were to visit our church today you would find a harmonious family, united together in love and excited about reaching out.

Our ministries are fewer, but stronger and more streamlined. A lot of our focus has been on growing and expanding through Sunday School, which was already our strongest area. Through fun and competitive quarterly promotions our Sunday School has taken off in terms of both spiritual vitality and outreach. It is not unusual anymore to have more of our people in Sunday School than morning worship. That was even the case on Easter Sunday!

Our Men's and Women's Fellowships have both benefited significantly by meeting at the same time on Sunday afternoons following a light lunch. Children's ministry has grown as well, simply by meeting every weekend during morning worship. Youth ministry is strengthening as well, through Sunday School and monthly gatherings at the parsonage.

Our new mission, which we embraced before ever writing it out is this—"A family of God growing in faith, service and the love of God."

## **Laclede**

When I went to the Laclede Church in September, 2009, I found a small group of wonderful people, who had lost their pastor of 9 years in a tragic auto accident in July, 2009. This congregation could have folded but the church responded with open altars where needs were met, and increased in Sunday school and the worship services. They further received 11 new members (9 by profession of faith), experienced an increase in giving, and gave a record Thanksgiving offering and Alabaster offering in the fall. They began the calendar year of 2010 by responding to the crisis in Haiti and giving in excess of \$1,800 through Nazarene Compassionate Ministries. In all they gave more than 20% to Global Missions. All budgets were paid in full.

## Lincoln First

It started so innocently. A well-meaning group of men from a sister church visiting our area for a men's retreat wanted to volunteer a day of labor. So, we started looking for enough work to keep a dozen or so guys busy for about six hours. The upstairs bathrooms had not been painted for quite awhile and the carpet in the foyer, office, and hallway was ready to be retired and we had plenty left over from the garden level renovations earlier in the year. There you have it. A few simple, quick and relatively inexpensive improvements. Or so we thought . . .

When the church board agreed on this plan someone added a harmless suggestion: "While we're at it, could we do something with the countertop in the women's restroom?" The snowflake had fallen that would trigger the avalanche. I mean, if you're going to replace the counter, it really needs a new sink. If you replace the sink, you might as well change the faucet. And then there's the flooring. "That vinyl is looking shabby." "You know, we really need to consider the Americans with Disabilities accessibility standards when we do this." That means checking heights of counters, toilets, and mirrors, adding grab bars and making sure the doors swing the right way and having proper amounts of floor clearance. Then there's the issue of storage. "We've never had a place to keep cleaning supplies upstairs." And don't forget lighting and decorating. Before you know it, a heartfelt gesture of caring assistance from a bunch of willing handymen has cost an arm and a leg. Some paint and carpet has turned into a major overhaul. Six hours of volunteer labor has mushroomed into about 60 more, all because somebody wanted to be a blessing.

The moral of the story could be misconstrued as, "Watch out when someone offers to do something nice for you." I see our tale instead as a powerful reminder that each part affects all the other parts. For better or worse, every member, every ministry, everything that is done (or not done) in Jesus' name changes who we are. Improve the room and you've improved the house, but neglect or trash the room and you've devalued the home.

It's my privilege to share that around our "house," some areas are being improved. Within the walls, we've received 4 members this year – two new Nazarenes and two transfers, all our allocations have been overpaid, and the building itself is undergoing substantial changes. After flooding several times last spring a pump was installed to dry us out. New carpet followed and a vision to transform our garden level into a children's ministry area dubbed, "Faith Park" got underway. Now the office, foyer and bathrooms are being updated. Beyond the brick and mortar, our Angel Food ministry has been a witness to many in the community. Outside our doors we once again joined with 15 other churches in Lincoln last fall to serve the community in a day of improvement projects. We've been able to support other ministries including our local Christian radio station, Living Alternatives PRC, and the Salvation Army of Logan County. Additionally, we've been able to assist several persons in need. God has blessed and we, in turn, have tried to share His generosity.

Still, I can't help but feel that there are many areas that need improvement. We need to do a better job of reaching out to children and teens. We need seek out inactive members and invite them to come home. We all need to be more willing to surrender our preferences for the sake of the people were trying to reach. I'm praying the Lord will continue to bless us, improve us and make us into a beautiful home for Him!

## Mahomet

Dr. Toler, Dr. Spruce, Pastors and Delegates of this Assembly:

*"Our work begins where God's grace has laid the foundation; we are not to save souls, but to disciple them. Salvation and sanctification are work of God's sovereign grace; our work as his disciples is to disciple lives until they are wholly yielded to God . . . As workers for God we must reproduce our own kind spiritually, and that will be God's witness to us as workers. God brings us to a standard of life by His grace, and we are responsible for reproducing that standard in others. Unless the worker lives a life hidden with Christ in God, he/she is apt to become an irritating dictator instead of an indwelling disciple. Many of us are dictators, we dictate to people and to meetings . . . [Oswald Chambers, My Utmost for His Highest]*

We truly do reproduce the standard in others which we hold. We reproduce our own kind spiritually. As pastors, we confessed and repented that, as disciples, we needed to submit to God for a new transformation of heart, soul, mind and body. We have been among those in our congregation who God has been reshaping. He has transformed our affections and our thinking and we have a fresh commitment to becoming wholly God's and being empowered by His love and grace. Our congregation has allowed us to bear our souls and has loved us as we have undergone His pruning.

God transformed many of us as we journeyed through the first year of Celebrate Recovery and we continue our journey of healing and discipleship. We celebrate how God has added to His Church through this ministry. He has been filling our worship services and discipleship small groups with His Presence. He is teaching us that we are not to try to duplicate what someone else has done. He wants to do something different in Mahomet and we need to be open to the way HE wants to work – not try to force what we have known in the past.

The congregation has adopted the following Vision: To reach people in our circle of influence for Jesus by **Caring for All** and **Reaching Everyone** through worship, discipleship and service. Our Mission is: Loving God – Loving Each Other. We clearly understand to make disciples, we must be disciples. Therefore, the Mahomet congregation is devoted to ministries in worship, discipleship, fellowship and service. We cannot fulfill the Great Commission unless we live by the Greatest Commandment.

Loving God and Loving Each Other,

## **Mansfield Community**

What an honor to be submitting my seventh report for the Mansfield Community Church of the Nazarene. Our church continues to be a praying church. The prayer ministry of our people has seen many answers to prayer and they continue to pray that God will provide opportunities to reach out to the unchurched of our community with the Gospel of Jesus Christ. We understand that this is our responsibility and it is our passion.

We appreciate our ministry partners at the Mansfield United Methodist Church. This year we combine our efforts for Vacation Bible School for the third time. Last year we “Revved it up” for VBS with our “Custom Garage” theme and outreach to the community children with a total of 82 children attending. Bible lessons and great music brought the children in to learn about Jesus’ love for them. We will again this year combine our resources with the United Methodist Church for VBS with Deep Sea Adventure: Exploring the Depths of Jesus’ Love.

Marji Lonberger is our summer Youth Pastor and leads our Teens in spiritual enrichment in Sunday School group and the NYI on Wednesday nights. We appreciate her dedication to mentoring these young people and teaching them the importance of a Christ centered life. During the school year she still teaches their Sunday evening bible study via the internet from Olivet Nazarene University as “Virtual Marji” on Skype. Technology for Jesus is fantastic!

I appreciate our church board’s focus and commitment to ministry and especially Compassionate Ministries. God has provided many opportunities for us to reach out to the community and get involved in the life of people outside the church. Thirty-two boxes filled with all the necessities for a bountiful Christmas dinner were distributed to needy families thanks to Ameren IP and our generous families that care. The Mansfield United Methodist Church also contributed for this ministry with money and food items.

Our church co-sponsors the village Easter Egg Hunt with the support of the Village of Mansfield and the First Mid-Illinois Bank in Mansfield. Dozens of prizes were awarded including Razor scooters and a Red Flyer Wagon, taking every opportunity to share the Gospel. These service events are great ways to let the families in our community know that we care.

Our Widow’s Ministry has grown into a senior’s outreach and Girlfriends Ltd. has introduced new faces to our Women’s Ministry. Men’s ministry is reaching out through the monthly Men’s prayer breakfast.

Every effort bathed in prayer, dedicated to serving God by serving others as we strive to be “One heart, one mind in Christ” as described in Acts 4:32. Our goal is to be more like Christ every day, realizing that this is priority #1, then one day Heaven will be our reward!

## **Marion First**

Dr. Gunter, Dr. Spruce, Fellow Pastors, Members and Friends of this assembly, I am privileged to be able to bring my 13<sup>th</sup> report as a Nazarene Pastor, and my fourth report for Marion First.

This past year found Marion First in a season of adjustments. As with most areas of our country, we were not exempt from the ongoing economical slowdown. Many in our congregation are trying to learn to live on less because they have lost their jobs, or have had a reduction in the number of hours worked. In spite of this, we have still been able to extend financial help to a number of individuals and families in our church family, and in our community.

We have also done our best to insure that our worship continues to remain relevant and beneficial for regulars and visitors. This means that we have made some adjustments in how worship takes place and in who is involved in the order of worship. We have been able to add a choir this past year, and our vacation bible school came out of retirement. With a shortage of children and workers it had been some time since we were involved in this wonderful ministry. Museum@12627 brought young and old together for a week of discovering God's kingdom.

One of the greatest adjustments that we have made is a return to Wednesday Evening Prayer Meeting. For too long Wednesday evenings have been a collaboration of anything but prayer meeting. This year we have changed that. We regularly meet for prayer, and maintain a prayer list that is constantly changed and updated. It is not uncommon to receive weekly testimonies of victory as God is moving in response to the prayers of his people.

We know that it is only by His grace and presence that we can face these days with assurance. We have had to adjust to some difficulty and setbacks this year, yet we continue to make inroads into our community. We regularly meet new people and continue sharing the message of the gospel of Jesus Christ. We choose to believe that God is not finished with us, and we look forward to what He has in store.

Dr. Toler, Dr Spruce, Members and friends of the Illinois District,

It is a privilege to share my report for the wonderful people of Marshall Church of the Nazarene. I thank the Lord for His blessings in this past year.

We continue to seek the Lord's guidance in ministering to our church family and community. God has blessed us with many opportunities to fulfill our mission. What a wonderful thing it is to share the love of Jesus with a hurting world.

I am thankful for my loving wife Joan and our son Nathan. I thank the Lord for a church family whose desire is to be obedient to the Lord. We are trusting Him for great things in this new year.

## **Mattoon East Side**

Dr. Toler, Dr. Spruce, Rev. Haynes, members and friends of this 67<sup>th</sup> Annual Assembly of the Illinois District Church of the Nazarene: This is now my 16<sup>th</sup> report to this Assembly for the great people who are Mattoon East Side.

The 2009-2010 Assembly Year has been extremely difficult in a variety of ways. Family tragedy that basically “blindsided” us even contributed to a physical health crisis. This was a time during which the congregation ministered to the pastor and family in a memorable way. That attitude and relationship virtually continued throughout the entire year as a seemingly endless “string” of circumstances unfolded.

With that as a backdrop, we saw God make His presence and help known. Concern mounted over the need of a new roof on the church. Our congregation gave sacrificially, but the total raised was slightly less than half of what was needed. We ultimately discovered that, thanks to excellent insurance coverage, we were eligible to make a claim that brought in almost all of the remaining funds we needed.

We had a team of fifteen adults and youth who traveled to the state of Kansas to work for a solid week to help two of our Hispanic churches. All who saw our efforts left amazed at both the volume and quality of work our crew accomplished. Now we are looking forward to a team composed predominantly of youth who will be traveling to the Columbus, Ohio, area for the “Work & Witness” project associated with “One Heart, Many Hands.” Our entire congregation is excitedly supporting our young people in this venture. Those youngsters got “pumped up” this spring with the “Radiate” project in Decatur, and work in Columbus has brought an even greater degree of enthusiasm.

There are both highlights and lowlights that could be shared about this church year, but one of the most significant high moments came last fall in our revival with Mark Murphy. Our altar services had been wonderful throughout, but Mark was led to preach on the closing night that giving even 99 percent to the Lord wasn’t enough. Nick bowed at an altar of prayer and arose to testify, “I’ve been satisfied to give God 99 percent, but no more. He has 100 of me from now on. Nick is now sharing that witness with our youth group which he and his wife are now heading up.

Yes, there have been difficult, even heartbreaking, times this year; but our God is a God of definite victory.

## **Mattoon Real Life Community**

Mattoon Real Life Community Church of the Nazarene remains faithful to the mission that has been established. **Real People Loving God, Loving You.** That mission includes the Great Commission and the Great Commandment. The people of RLCC continue to show their love to the people of this community.

This church continues to reach out into its surrounding area and bring people to a relationship with Jesus. While the numbers have not changed much, the Spirit is moving in our midst and we continue to look for the day when this church will begin to grow. God knows where we are and knows why we are there.

An all church planning session was held to set new goals and plans for the new church year. We have established bench mark plans that align with our mission of reaching others. Already many of those plans have been implemented. New Sunday School classes have been started to reach various age groups; a VBS program that will meet on Wednesday evenings all summer; a safety and security program has been put into place with the help of Brotherhood Mutual Insurance; church policy is being reviewed in light of the new world we now live in; and our REALITY youth center is opened to the public twice a month.

Our Annual Classic Car Show continues to bring car lovers to church. This year fifty-five classic vehicles lined the streets around our church and filled our parking lots. Some of these car owners were in church on the Sunday morning of the show.

The economy continues to plague the city of Mattoon and therefore the church. But the Good News is that God is still in control and still wants to reach the lost. Because of the economy, we realized that the community had material needs. Friendship House, a clothing distribution center and compassion ministry center was opened in November. Over 200 people have received free clothing through this ministry. We thank those who have donated clothing to the center.

It is our pleasure to report that RLCC is still moving forward and is still in God's will.

## **Monticello**

This has been an interesting year for our church. We started out with a great revival with Rev. Bill Ulmet from Iowa who did a wonderful job sharing God's holiness with us. His prayer closet message especially pierced our souls.

Our Missionary Department lead by Betty Karnes, has been extremely active. We sent out crisis care kits as well as donations for the disaster in Haiti. We have supported and volunteered our services to our local Willow Tree Mission designed to help abused women and children. We donated to Toys for Tots as well as our local food pantry. We hosted missionaries Jon and Mary Kroeze at our Zone Rally. We had a wonderful attendance that evening.

We have had an opportunity to disciple one on one, and we just completed a series on End Times.

We participated in Monticello Celebration Day, where we distributed bottled water and pens with our church's name on them. This gives us Nazarenes an opportunity to associate with our community.

God is good, and it is a privilege to serve Him.

## Mount Carmel

Dr. Toler, Dr. Spruce, and friends and family of the Illinois District. Isn't our God sooooo very good? His grace is unmatched. His mercy is far reaching. Through tears He brings sunshine, though death He brings life. **WOW**, how can we not praise the name of Jesus our Lord and Savior!

We said "see you later" to some faithful church members and friends, when God our Father called them to come home, then we saw God use their 'home going' to bring one of their sons and his wife into the Family of God.

Each month we had the joy of bring Gods Word to the un-church in the 'Food for the Soul and Body' outreach ministry. Psalm 126:5-6 says it best, 'he who sow in tears shall reap in joy, he who continually goes forth weeping, bearing seed for sowing, shall doubtless come again with rejoicing, bringing his sheaves with him,' and last year's we saw some of these seeds take root and grow and bring forth new life. The people of the Mount Carmel Church are seed sowing people, reaching out and loving people in Jesus name, and they are looking at new outreach Ministry to start on the third Thursday night in June and run through May of 2011.

Five years ago when you looked at the Mount Carmel Church every accounting and management principle told us to turn out the light, close the doors, sell the building and go home. But God had other plans; it has truly been a 'God thing' and because of that, the messages of holiness has been proclaimed, the plan of salvation present, and seeds have been sown in the heart of many, in Jesus name. Last year I had the great privilege to pray with many people, to lead five people to the Lord, to see one brought into entire sanctification, to baptized three and take three into membership. I also had the honor of moving one from inactive membership to active. All the praise goes to Jesus our Lord and Savior.

## Mount Erie

Dr Toler, Dr Spruce, fellow pastors, and members of this Assembly,

Greetings from the Mt Erie Church of the Nazarene. Trudy and I have just finished our fourth year and are starting our fifth year here in Mt Erie. It is both a pure joy and an honor to serve the good people of Mt Erie and we are blessed that they would allow us to continue.

We have had many ups and downs in the past year, but overall God has been very good to us. We lost our last charter member, Dorothy Massie, this year who has gone on to her reward. We have lost a few people who have decided to leave the church, but God has replaced them with other good people. The people are growing spiritually and are feeding on God's Word weekly. We have changed our worship services slightly and the people have responded with a newer enthusiasm. God has brought healing, both spiritually and physically to our church. We feel closer as a congregation than ever before.

Financially things couldn't be better. Giving was down slightly this past year, but all bills are current and we have all of our budgets paid in full again for the fourth straight year. God continues to bless us as we are faithful in giving.

Trudy, the congregation, and I look forward to the coming year. We all expect God to do wonderful things in the life of His people and all that concerns them. We are seeing unsaved loved ones showing an interest in spiritual things and await the day, (this year) when they will *"come to their senses"* like the prodigal son in John 15:17. Praise God and please be in prayer and wait with us expectantly!

## **Mt. Sterling**

Dr. Toler, Dr. Spruce, Delegates and Friends of this Assembly,

This is my third report for the good folks at Mt. Sterling. To put it bluntly, these folks are survivors!

The challenges this year at times have made us feel we were on the brink. However, I know it is not really the brink, It is out on the limb! But that's where the best fruit is! Our desire as a church is to grow and become the instrument God can use to win the lost in our community. With our best effort and God's continued Grace, Mercy, and Love, we will continue to move forward!

## **Mount Vernon Faith**

Dear 2010 Illinois District Assembly,

I rejoice to give my 29<sup>th</sup> Illinois District Assembly Report and my 17<sup>th</sup> as Pastor of Mt. Vernon Faith Church of the Nazarene.

Faith Life Groups, formerly known as Sunday School Classes, have renewed vitality. Rooms have been remodeled, teachers have a higher standard, and an atmosphere of TLC yields growing friendships.

Tim Sprinkle leads a very productive Youth Gathering each Tuesday evening from 7 to 10. He also serves as a vital staff member of our areas new FM Christian Radio Station 90.9 The Vine.

Serving as Chaplain for Mt. Vernon's two hospitals provide numerous opportunities for me to meet and minister to precious people. Several have come to Faith, nine souls have been saved, and one has joined the church.

I see a Church ~ Beaming with Compassion ~ Faith Church of the Nazarene.

## Murphysboro

This past church year the ***Murphysboro Church of the Nazarene*** grew closer and stronger...and had new roofs installed at the church and parsonage due to the May 8, 2009 Inland Hurricane that we experienced.

Once again, Murphysboro was indeed a church blessed with the strong presence of God...a body of believers focused on seeking and following God's will...moving out of comfort zones and into taking steps of faith for the advancement of His kingdom!

Evangelist Nathan Covington came to Murphysboro October 18-21 to share his Breaking Strongholds Seminar. Dan Bohi was with us April 11-14, 2010 for our Spiritual Awakening Services.

I am thrilled to be able to report that thanks to prayer and sacrificial giving **ALL budgets are once again PAID IN FULL**. There is a ripple effect of God's blessings of deeper growth and higher spirituality throughout a congregation who decide to take God up on His challenge as recorded in Malachi 3.

That was how it was this past year at Murphysboro...a year of God moving and His people responding and trusting Him. Praise the Lord!

## **Nebo**

I am glad to report that the Church in Nebo is a healthy growing congregation. Our numbers are slightly up over last year, but the numbers do not always tell the story. We had the privilege of winning people to Christ who never made it to the Church service because of their health. This shows that the Nebo Church is connecting to the community, and showing the love of God. This is not saying that there isn't much to do as the community still has the sin problem, and Jesus Christ is still the answer.

Bible School continues to be a strong outreach event led by my great partner in life and in ministry, my wife Lori. This year our average was 51 for the week, which is a tremendous testimony to God's leading and the hard work that is put into this event.

We had a great revival with Jimmy Dell, with a great crowd each night and a great moving of The Holy Spirit. Rev. Dell did a tremendous job of being in the center of God's will each and every night, with unique style of music and simple delivery of the Word God used him mightily. The Spirit of the church is good as we press towards the upward call. New people have literally been arriving on a weekly basis. The time for the church to take off is now. This is evident during a work day event when 27 people donated a Saturday to work at the Church.

All bills and budgets have been paid in full now for the six years that I have been serving this Church and we are glad of the accomplishments that God has allowed us to take part in. We look forward to the great things of this year.

## **Oakwood**

Dr. Toler, Dr. Spruce, pastors and friends of this assembly,

Greetings in the name of Jesus our Lord and Savior.

The challenges we face are many for a small body of believers. Our members are faithful and committed to the service of the Lord, like all our churches. We are looking forward to a better year that will bring growth spiritually and numerically.

Although we are small, we have provided food for many families and individuals.

God has always been faithful and has provided for Vicky and myself and the Oakwood church.

## Ogden

I want to open my report by thanking the Ogden church for the love and grace they have shown myself, my family and each other. The last year has been an amazing time of working together for the Kingdom!

This is my eighth report as the pastor of the Ogden Church and again we have seen God's Spirit move among His people in our church. Despite current economic conditions we have managed to fund our Work and Witness trip to Alaska. I look forward to working in the compassionate ministry located in Anchorage with fourteen other members of our church family.

Earlier this year an inspection of our roof showed that the shingles, though only thirteen years old, were disintegrating. The cost to replace the roof exceeded thirty thousand dollars! A huge amount for a congregation the size of ours but a pittance for the Lord we serve. I am blessed to report that we have a new roof and it was paid for without borrowing a cent! We also continued our partnership with Urbana Lighthouse giving them almost \$9,000 dollars over the last twelve months.

Our teen group continues to thrive and they blessed us this year with "teen Sunday" where our teens led worship, performed the choir special, did the special music, and even collected the offering. I look forward to what they will do this year! Our membership remains at an all time high. Our morning worship is down slightly from last year but we all know our church family is about more than numbers. More importantly I believe we have grown closer to Christ. My heart has been moved by the love and caring expressed for those in our fellowship. I believe collectively and individually we can claim that we leave this church year closer to God and more excited about ministry.

I am humbled by the love of God the Ogden Church has poured out on their parsonage family. I am blessed and honored to be their pastor.

## **Omaha**

Members and Friends of this Assembly:

This is my fourth report for Omaha. This year we had three revivals with many finding help. We continue in prayer with fasting and prayer the first Saturday of each month, and open prayer time every Sunday from 12:30 – 4:00.

We are a community oriented Church working with the community and the other Churches in Omaha.

This year our Churches food pantry gave enough food to make 10,000 meals ministering to almost 350 families in six Illinois counties, one Kentucky county and one Indiana County. We also continued our blanket ministry this year giving blankets to families that need them. We gave 20 blankets this winter. We also continue our personal hygiene ministry giving out soap, shampoo, toothbrushes, toothpaste and other personal hygiene products that cannot be bought with food stamps.

This year at Christmas our Church “adopted” 11 families that would not have had any gifts or food. In these 11 families, 36 were Children and 18 Adults. We presented each person with 3 gifts, enough food to feed the entire family for 3 days and a Family Bible. The total cost of these compassionate ministries was just over \$2000.

We are down in numbers, this year however through the Churches ministries 16 people came to know Jesus Christ as personal savior, and 6 were baptized.

We had a Great Bible School this year with 34 Children plus 6 Adults and 2 Teen helpers. At Our Bible School program we had 86 people present which is 35% of the population of Omaha

I ask that you keep us in your prayers as God grows his Church. Remember “I will build my Church and the gates of hell shall not prevail against it.” Matthew 16:18b. It is God that builds the Church we are the tools and material that he uses. We must be a holy useful people that God can use. I Praise Him for what He has done, what He is doing and what He will Do!!! AMEN!

Yours in a work that Counts:

## Pana First

Dr. Spruce and District friends,

This year at Pana First we have been up on the mountain top praising the Lord, and down in the valleys climbing up the hills of heartache. We have lost some wonderful family members at Pana First this year- including Catherine Sims, Joe Hornbeck, Ted Jarrett and Ann Hagen. These saints have left a legacy of holiness at Pana First that will touch lives in Pana for years to come. But probably the biggest valley also led our church to it's greatest heights. Within less than a week of each other a couple that has touched not only Pana First, but this entire district for over fifty years. First Bob Lewis passed away unexpectedly from complications from surgery. Bob had played the piano at several churches on our district for over sixty years. It was just a few days later that his wife Betty followed him to glory. Betty had taught Sunday school and, along with Bob, been a fixture at Nazarene Acre camps for decades. The loss of two such special people, along with those we had already lost at Pana First could rock a church to its very foundation. But instead we have seen God bless us with a harvest that has picked up where these saints left off. God has blessed us not only with another piano player, but her husband now plays in our praise team! We have three new teachers teaching Sunday school and just welcomed almost twenty new members to our church family in April. And through these times of heartache the family at Pana First has reached out in love to not only these families, but numerous others in their time of grief with dinners, opening the church for funerals and most importantly, opening their hearts to love those left behind through the hurt and heartache that death can cause. Truly through the love and care of the people at Pana First the community of Pana has learned that through the love and blood of Jesus they do not have to grieve as those with no hope but that through victory in Jesus even death has lost its sting!

And that is our goal and our theme at Pana First in the coming church year. To be the one who will be the hands and feet of Jesus to a lost and dying world. **To love your family into the family of God.** I love being a pastor of a church that wants to be a lighthouse for the Lord. I thank God for my wonderful wife, Vicki, and my children Jennifer and Stephan. They are my joy and little peace of heaven right here on earth. Most of all I want to thank God. Every time I tell Him that I can't do this job, He reminds me that He can. With God's blessings, Jesus' love, and the Holy Spirit's power Pana First is going to keep going, keep growing in Spirit and in numbers.

## ***PARIS FIRST***

Dr. Toler, Dr. Spruce and Members of the Assembly:

I write from the blessing tree of God! The Lord is refreshing my spirit as I reflect on the past year. Our congregation has watched, with amazement, the week by week progression of our faithful Lord. Christ continues to renew the spirit, the hope, and the life of His Church in Paris, Illinois. God has again proven His resources and desire to bless the church that is committed to His plan.

Financially, it has been a banner year, through faithful tithing, mission-mindedness and sacrificial giving.

Spiritually it has been Hallelujah Time, as the Holy Spirit drew us up close to His heart in worship. God's anointing upon His preached word has yielded fruit at the altar, both during a good Fall Revival and throughout the year. Souls have been saved; hearts sanctified wholly, bodies healed and burdens lifted, all to the Master's Glory.

We have been blessed to receive 7 New Nazarenes by profession of faith this year. We all wept together for the loss of one of our faithful long-time members, when God called Bob Trine home to be with Him.

We are working to reduce the indebtedness on the parsonage and to make some minor upgrades to the church property. We have a new teen class, have started a choir again, and are working to promote S.S., and praying for an increase in attendance. The Paris Church is in the hands of an awesome God! We look not to the past but to the future. To God be the Glory and Praise!

## **Pittsfield**

Dr. Toler, Dr. Spruce, fellow pastors, members and friends of the Illinois District, I bring my 28<sup>th</sup> report as a pastor in the Church of the Nazarene, my 10<sup>th</sup> report to the Illinois district assembly and this will be my final report as a pastor. I have elected to take retirement from pastoral ministry effective the end of this month, July 31, 2010. I leave a great church that has been consistent throughout its history in lifting up Christ and His "saving and sanctifying" power.

The Pittsfield Church has completed another solid year in attendance and finances supporting the mission of this district and the global church. I am pleased to have been a part of the Pittsfield family for the past 10 years.

We have had several testify to being saved, sanctified and recommitted with one being baptized. Many Sunday mornings have ended with men and women praying around the altar.

We had a wonderful fall revival with Evangelist David Gallimore and Dr. Richard Jordan and music was by Scott and Shelia Davis from Poca, WV. This year's Spring Revival was outstanding with Dr. James Diehl and Bob and Becky Gray.

The Youth Mission Trip to Arizona led by Pastor William Guffey was very exciting. Both the Children and Teens did ministry at Good Samaritan. We hosted the District Children's Spring Quiz Meet with about 80 children participating. Dare-To-Care continues its ministry into the 3<sup>rd</sup> year. We have accepted being a regional collection point for the Christmas Shoebox Program. The Caravan Program is going super with more than 70 kids taking part.

I continue to praise God for his great love and that He saves and sanctifies me and has given me a wonderful wife who loves and supports. May His Name be praised!

## Quincy Emmanuel

Greetings Dr. Toler, Dr. Spruce, Other Fellow Christ-Servants and Delegates,

“Through many trials, toils and snares, I have already come. Tis grace that brought me safe thus far and grace will lead me home.”

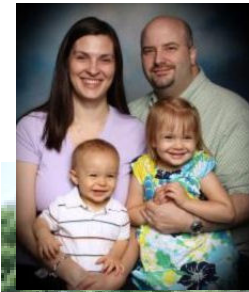

A professor I had once taught me that “if at any point in our ministry we begin to feel adequate in our ministry it is at that moment we should drop to our knees and confess our inadequacy to God.” Ever since, I have prayed that the Lord would keep me totally dependent on Him. This year has brought me face to face with the reality that leading a church requires a constant dependency on the Lord. The difficulty comes when we ask our flock to trust and depend on Him. Some do, some don't. In all honesty, that's what makes our ministry such a challenge sometimes.

Ministry through a year is full of struggles and joys. This year we have suffered through the loss of some of our revered saints. This has caused us to shuffle servants from roll to roll in order to continue the ministries of worship and Sunday School. Our children and youth programs continue to be works in progress. We have arranged, rearranged and re-rearranged our ministries with children and teens in hopes of finding “whatever works” to reach them, disciple them and mature them in their faith. Did I mention our total dependence on God?

God has blessed us this year with the faithful service of many fine Godly men and women who have banded together to see that God's work continues in the mission field of Quincy, IL and East central, Missouri. We have had faithful attendance in our Sunday school classes, Bible studies, worship services, Vacation Bible School, and fellowship gatherings. These saints have been supportive of all that God is doing in and through our church. My prayer this year is that their leadership will be contagious in our congregation for the Lord's sake.

## **Rantoul**

Dr. Toler, Dr. Spruce, members and friends of this sixty-seventh assembly of the Illinois District. This is my 30<sup>th</sup> report for the Rantoul Church and my 36<sup>th</sup> report to the Illinois District.

Although we had it in our hearts to do it ... we did not pay all budgets in full for the first time in several years. Significant sacrifice and service was rendered by our congregation but the economic downturn and drop in numbers put the task out of reach. That does not mean ministry has not taken place. We are grateful for those faithful hearts that stand firm, continuing to keep the faith and believe that God has more for us as we continue to reach out to needy people and lost souls.

New people are coming and pitching in to help turn things around. We believe days of growth lie ahead. By His grace this will be the year of discipleship and growth.

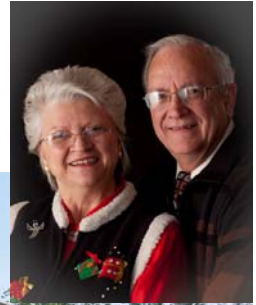

I am grateful for Kathy, my wife of 41 years, without whom life and ministry would not be near as much fun nor as effective. She is a model of piety and hunger for Christ and a faithful steward of the resources God gives us.

Our families by blood and by faith are both precious. To God be the glory!

Respectfully submitted;

## **Roxana**

This past year has been a challenging year for me personally and for the ministry of Roxana Church of the Nazarene. We have had several transitions in ministry leadership and have had to reboot a couple of key ministries of the church. Nevertheless, God has been faithful and we have continued to have a vibrant and significant ministry in our community.

Dr. Spruce likes to ask a question of churches and church boards. The question is simply, "What year is this?" Of course it is 2010. We all know that. The second question might be more difficult. "What year is it in your church?"

Here's the point. We all agree that the Church is an enduring and eternal reflection of a non-changing God. And, we would agree that the church is not supposed to be shaped by the world, but is called to shape its world. I also understand, however, that we have to speak in a language that people understand if the gospel is going to be communicated. This principle was established when God became flesh and incarnated the Living Word in a particular time, place, language, and culture in order to communicate His love to fallen humanity. This principle is further illustrated on Pentecost when God revealed that His Word needed to be understood in every language, culture, race, and gender, by offering it in every tongue present. So, the question that I have to keep asking myself is, "Are we still communicating the unchanging Word effectively to the culture in which we live and serve?" In order to do so better, here are some things that we are or should be thinking about.

I think we need to find ways to go digital. In the coming year, I want to increase our presence on the web. I would also like to create a presence on Facebook and to develop some form of blogging-- about the sermon or just about God-stuff in general. This current generation is much more comfortable "talking" about things in the virtual world than they are in the real world. I think the opportunities online are unlimited. I have also been exploring ways to create an organic church community using web resources to distribute the message and Sunday School content.

I am still wondering what opportunities we have to expand our physical presence in this community. Certainly, I think that we have to think about alternate services in terms of time, format, location, and culture. I do not want to be in the position where we simply say to the world around us, "If you can't meet Jesus in a church building at 10 a.m. on Sunday then you can just go to ..." well, you know what I am saying. Please pray with me that we might see where the harvest is ripe and be willing to step out into those fields.

In His Grace

## **Royalton First**

Dear Dr. Toler, Dr. Spruce and delegates to the assembly.

This is my fifteenth report as Pastor of the Royalton First Church of the Nazarene. We have had a very God anointed and blessed year. We have witnessed God moving in some amazing ways. The most wonderful happening is the salvation experiences that have taken place this year. There is nothing greater than someone coming to know Jesus Christ as their Savior and Lord. We have witnessed God move in awesome ways during revival meetings. I am so encouraged by what God is doing in the lives of the people and how they have grown in His grace.

We have had an increase in attendance and in our finances. This is the kind of thing that happens when you're concerned about souls. The greatest desire I have is to see the lost find their way home by choosing to follow Jesus. When being faithful to God He will return it to us one hundred fold. I am so privileged to be a part of God's working in His kingdom. I thank Him for the opportunity to be called to be a messenger in His Church. I know in my heart I am so undeserving of this awesome opportunity. I claim 1 Corinthians chapter nine because God and His Church owe me nothing. If anybody owes anybody anything, I owe God everything.

I thank God for an amazing year and I am looking forward to what He has in store for us in the future. I know God is doing things right now that we have yet to see.

## **Salem Grace**

Salem Grace Church of the Nazarene has again experienced many blessings from our Lord across this last year. I continue to be amazed at the wonderful people of our church, and God's faithfulness as we do our best to align our hearts with His. Here are a few exciting notes from the last year.

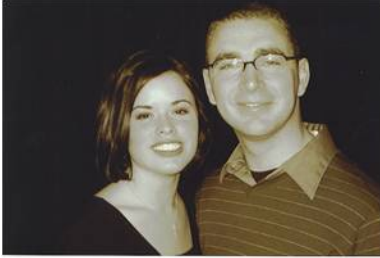

1. We saw 28 people commit to membership to Grace Church of the Nazarene.
2. We saw 20 people give public testimony through baptism of the Lord's work in their life.
3. We have seen a variety of miracles take place in regards to the health of many people in our congregation. God is amazing!!
4. We have a church full of committed volunteers leading the way helping us impact lives on a weekly basis.
5. We saw our average for worship attendance raise by 27 people.
6. We continue to experience financial growth. This year our total raised was up over 40,000 dollars from last year.
7. We added concrete to our parking lot, adding an additional 40 spaces to accommodate the people that God is drawing to our church family.

It is so exciting to have the privilege of leading a church of wonderful people that year after year continues to experience God's blessings of growth and heart transformation. I know that there are many obstacles ahead, but God has been faithful over the last 4 years in ways that I would have never dreamed upon coming to Salem. I continue to do my best to serve the Lord, and the people of Grace Nazarene trusting God on a daily basis for the fruitfulness of ministry.

On a personal note, my life has changed drastically as the Lord has blessed us with 2 children over the last year. Rachel and I prayed for years for children and in October of 2009 brought Tamara and Jarol home from El Salvador. God's faithfulness through our adoption process was so evident, and my faith in Him was strengthened through the process. We are thanking the Lord for an amazing year in our family and our church.

## Shelbyville First

I don't even know what to say without sounding cliché. I guess I would just say that God is doing something in and through our church in Shelbyville. I have been blessed these last 10 years and things just keep getting more exciting. While preparing for our new "Life Center", we began to look back at how God had blessed us to this point in time and ministry. It is just simply amazing!

In the last 8 years we have made over three hundred thousand dollars worth of improvements to our church property, without borrowing or trying to raise money. When we see what God has done, it makes the future seem thrilling rather than daunting. Our goal was to have \$100,000 raised before we started our new building and we have \$180,000 on hand now. That leaves only \$200,000 left to pay. The excitement is not about a new building or not having to fret over finances. We are going to have a building that we can use to draw people to Jesus Christ. If it is only a building it will be a waste, but we intend to have a ministry center and it will be for the glory of God.

There are good, genuine, hard working, God loving people right here in Shelbyville. I am so blessed to be here. I just praise His name for what He is doing.

## **Sherman**

Our Mission Statement is "Seeking God's Heart, Extending His Hands." So, how did we do in fulfilling that Mission Statement?

This has been a year in which we have seen God faithfully direct in the path towards becoming a "House of Prayer". Sunday evenings have been a time devoted to the study of holiness and times of prayer. It has been great to experience God teaching us to cry out to Him on behalf of the church and the lost around us. With this increase in prayer we have seen a corresponding increase in visitors. We are discovering the truth of Oswald Chambers statement, "Prayer isn't preparation for the work, prayer is the work." Though we still have a lifetime journey ahead of us, I believe we have made steps this year in learning to "Seek His Heart" with all of ours.

With prayer as our foundation we did some things to try to build some bridges to our community. Through events such as "Be the Church Sunday", "Family Funfest" and Team Day we continued the effort to build bridges to the surrounding community. With the Sherman area being one of the wealthiest in the region we continue to wrestle with the question of, "what does serving this community look like?" But just as in prayer, God is faithful and will continue to guide us.

As we look forward to a new year we want to continue to "Seek His Heart" in prayer, "Extend His hands" in service as well as "Walk together" in discipleship. Believing this to be God's will I am confident that not only will He show us the way but He will empower us to walk in it.

## Sparta

Over the past year our church has continued to be active within the community. We have picked up new worshipers, at least 4 people. Our attendance has gone up and it appears that growth in the Sparta church is coming our way. We have more people outside the church sending offerings to the church and truly these are financial blessings. I expect our congregation to truly grow when some friend's health issues improve.

We have had possibly the best Bible school in several years. There were nearly 200 children in attendance in which we averaged over 40 children and 10 teachers and helpers per evening.

I believe that God is beginning to move within our church. As the scriptures say, "Wait upon the Lord" and I believe our Lord is moving. I have gotten back into Bible classes and soon hope to receive my district license. I pray that we see new membership and new growth in the church this year. I have always put a number on this, but I have decided to let God send in the people and allow him to work in the way God does best.

## Springfield First

Dr. Toler, Dr. Spruce, Members and Friends of the Assembly,

This is my 28<sup>th</sup> pastor's report for the Church of the Nazarene, and my sixth report for Springfield First Church of the Nazarene. This year we celebrated our 90<sup>th</sup> Anniversary as a church. We realized the great sacrifices of those who went before us, and understood the solid foundation, which was laid by others, has made it possible for us to have a vibrant and alive church today. We celebrate the rich heritage we have.

We did a number of things to recognize our ninety years of impacting our community, our world, and the individual lives of people for Christ. We became involved in Angel Food Ministry, and bought 90 boxes of Thanksgiving Boxes, which were donated to the Inner City Mission of Springfield. We received 342 \$90 gifts to help us once again meet our World Evangelism Fund obligation. We started a ministry to Lee Elementary School, in Springfield, where 90% of the students come from low-income families. We bought winter coats, provided school supplies, and have had dozens of volunteers give hundred of hours of time as mentors and classroom aides.

Momentum, a Friday night outreach ministry to teens, continues to impact the lives of teens and their families. Each Friday evening around 200 teens fill up our building, for sports, video games, food, and hanging out. At each Half Time a message is presented and two different times the teens were given a chance to respond to the Gospel presentation and we saw dozens of teens become Christ-followers as they asked Him into their lives.

We have purposely taken the church outside the four walls of the building to let our community know the difference Christ can make. So, our teens once a month have been involved in service projects around our community. Twice a year we have a "Coffeehouse Comedy" where our community is invited to a night of laughter and great desserts. We also have sponsored "The Neighborhood Connection," a giant block party with live music, games, food, and a 5K Walk/Run all for the benefit of Hope Institute, a school that ministers to the special needs of children with autism. We continue to provide monthly meals for Helping Hands of Springfield, and the Ronald McDonald House.

We have also ministered to the needs of those within the church by strengthening our Small Group Ministry; and we received our first ever "White Bucket Offering," which is set aside to assist those within the Body of Christ who are facing financial difficulties. Our Women Ministries also began a once a month "Craft Connection" where women have come together not only to make crafts, but to also build relationships.

Through serving and loving our world, and loving those within the community of Christ, we have also focused on deepening our love for God. Our worship team has led us in vibrant worship experiences, our Wednesday evening Prayer Gatherings have taught us to rely more on the Lord, and our eight-week study called "The Pursuit," really focused the entire church on the importance of pursuing the heart of God in all things, at all times, and in all relationships.

90 years has not nearly been long enough to make the impact we want to for Christ; and so as a church we are committed to following the directive Paul gave the people of the Colossian church, *"And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through Him."* (Colossians 3:17 NIV)

## **Springfield Trinity**

Reporting to Illinois District Church of the Nazarene from Springfield Trinity.

God is blessing here at Trinity. We have taken in four new members by profession of faith.

We have had two revivals; one with Gary Haines and another with Chuck Millfuff and Brian Arner.

Nine teens have worked their way to go to Nazarene camp.

I have held two successful revivals, one in Limestone, Illinois and another at Mt. Carmel, Illinois.

Several have died this last year and these losses have brought about some challenging situations.

We are very hopeful that this next year will be much better. God is good.

## **Taylorville First**

Dr. Toler, Dr. Bowling, Dr. Spruce and members of the Illinois District,

This is my third report for the Taylorville First Church of the Nazarene. 2009-2010 has been another good year for our church.

We have had several great events in our church this year. We had a great revival with Rev. Doug Haynes that helped our people spiritually. We have had several concerts with area musicians. We have our local clothing giveaway each quarter that draws 200 people during each giveaway. We had another successful Vacation Bible School. We had 128 in church that Sunday. We saw 3 people baptized in November. We have our Christmas activities such as the live Nativity, Children's Program (which drew 109 people) and Christmas Eve Service that are always a good time for the church. The year ended with a great Lenten season and Easter. We hosted a Lenten lunch for our community and a few of us fasted from Good Friday to Easter Sunday Morning. We broke our fast with communion during Sunrise Service. We had a good Easter Sunday Morning with 122 attending the activities.

We have also made improvements to our fellowship hall this year. With the help of the Pana church, we were able to roof our fellowship hall. We have also painted the fellowship hall on the inside and have added a new glass door to our building. We plan on painting the outside this summer.

We have also had some physical growth this year. We have taken in 10 new members by profession of faith. We are now averaging 75 in worship and 50 in Sunday School. Our income has also raised to over \$80,000.00. This is the first time that we have hit this number since 2003. God is blessing us physically and we continue to see new people walk through our doors. With our physical growth we were also able to minister to three families during funerals this year.

It has been another good year of ministry in our church. I hope that we will continue to be obedient to the direction that God leads us. I hope in this upcoming year that our church will continue to draw closer to each other and to God. I also hope that we continue to grow in number across the board and pay our allocations again.

It is a privilege to Pastor a great group of people whom I love. I could not do it without God's strength, grace, guidance, a wonderful wife and son.

## **Tuscola**

Hello and blessings, to all our brothers and sisters in Christ from Tuscola Church of the Nazarene. What an awesome God we serve.

Another year has gone by and it seems like it went so very fast. The last year has been filled with some highs and lows. We have had to say goodbye to loved ones that have passed. We have also rejoiced though that God's spirit is moving amongst his people.

We have seen new members come into the fold and lives are being transformed by the working power of the Holy Spirit, praise God. As we seek to minister to our community, we have seen the Spirit of God move before us to prepare the way.

The outreach ministries that we have implemented have went over better than we ever anticipated. We are very happy to report that God has blessed us in so many areas even in the areas of financial needs. We recently installed brand-new central heating and air conditioning in the church. We are also very pleased that we again have been able to meet our financial obligation to the district with our budgets paid 100%.

We are looking forward to seeing all of you at District assembly again this year. We are looking forward to seeing old friends and making new ones in Christ.

When we look ahead to the year to come we do so with enthusiasm and excitement for where our God shall lead us. We know that the year ahead will also be filled with ups and downs, but we praise God for He is in control.

From Tuscola we will pray that you will stay faithful and true, and that God will richly bless each and every one of you.

In His service  
Pastor Joe Carter

## **Urbana Lighthouse**

Dr. Toler, Dr. Spruce, fellow Pastors, guests and friends of the assembly,

It has been a great year at Lighthouse Church. We have been blessed with seeing many new families arrive. We have been blessed with seeing these people make a decision for Christ as well. We have seen people step up and become more involved in the ministry of the church and we have seen people venture into the sanctifying grace of our Lord Jesus Christ. I am privileged to work with such a great group of people who yearn to learn more about Jesus and grow in His will for their lives. To reflect on all of the blessings would take more than this report is allowed so I will highlight.

We had a tremendous Advent season this year. Each Sunday the church was filled with standing room only as we ventured into the season. Lives were changed and with that we held our first Christmas Eve service. It was a great service night of reflection and keeping the reason in perspective. We ended the year with an outward expression of an inward faith to begin the New Year. With some that had accepted Christ, and as one man put it "I feel like a new man", we had the opportunity to hold our first baptismal service. With the help of a neighboring church we partnered to hold a joint baptismal service, baptizing 3 men, all with amazing testimonies, and all who had previously been unchurched. This service was held the first Sunday evening of 2010 to allow these newly baptized men the chance to start their year off with a testimony.

From there we moved into our biggest ministry outreach yet. With a message about "Windows and Mirrors" we took our vision to the community. We became involved with Upward Sports and these same men who were baptized also volunteered as coaches, prayer partners and sometimes referees for our Upward Basketball program. This Christ-centered program allowed us to reach out to over 200 individuals and has been a blessing from day one. We learned as a group that missions took effort, but we also learned God's grace is sufficient. New seeds are planted as a result of this ministry and we are proof that "little is much when God's in it".

This group of people at Urbana Lighthouse is a welcoming group of people that reaches out to anyone and everyone as they see the need and the urgency of the message of Salvation. These are but a few of the blessings we have received. It is my pleasure and my blessing from the Lord to be His instrument in leading this new-plant, new-start Church of the Nazarene. Our building is packed each week and we must move on, and we know God has the plan as we expand the ministry in the Urbana area.

Respectfully,  
Wayne Clevenger

## **Vandalia**

Dr. Toler, Dr. Spruce and District family,

Nick Briggs and I have been working at Vandalia First for 3 months. We feel so blessed to call Vandalia HOME. God is working as He opens doors for us. All we have to do is be brave enough to walk through them, so we know what His expectations are on the other side.

We have a Tuesday Bible Crafter's For Jesus Bible Study and are making cards and scrapbooking as we study God's Word. Some of the members go to the church on Wednesday morning and serve juice, milk and doughnuts to the high schoolers who hang out in front of the building before school. The first of June, we are starting a movie night on Friday. We will show an appropriate movie for teens and have a devotion, popcorn and drinks. We hope to soon have a youth pastor in place, who will be an asset to the program.

God has called me, as an elder in the Church of the Nazarene, to "preach the Word". I do not intend to fail Him. He is my first priority. I want to have and teach that blessings come, not from what God gives us, but from our intimate relationship with Him. That's my desire: to teach others to step out in faith and walk on the mountain and commune with the Father, so that their joy may be full.

We covet your prayers, as we start a neighborhood blitz, to reach people who are unchurched and need a Savior and people who will love them right where they are and then help them to grow into the beautiful creation God has planned for them to be.

In His Name,

Pastor Lila Chaplin

## **Virden**

Dr. Toler, Dr. Spruce, Members and Friends of the Assembly:

This is my 1<sup>st</sup> report for the Church of the Nazarene as the pastor in Virden. As I reflect upon the past nine months I know that God has had His hand of mercy, grace and growth on our church. God has begun a good work by bringing unity to the congregation and having new families begin to come and be committed to worship and ministry.

We have seen God's hand in the changing of lives by 5 Salvation experiences that culminated in 5 Baptisms. We have had 18 new members brought into the church 9 by profession of faith and 9 transfers.

Many miracles have taken place as God has taught us to pray and stand firm in faith. Cancer is in remission, a beating victim with a 5% chance of living is able to talk and walk and praise God. A child paralyzed for many years is beginning to respond to love and prayer, with smiles and head nods to questions. Our congregation knows the power of effectual, fervent prayer and God is working.

During our October fest we were able to minister to 200 families by giving out hot dogs, popcorn, and candy. The bond fire and hayride were definite hits. We continued the tradition of Christmas Baskets to the needy in the community and through the generosity of our people we placed 15 baskets in homes. We sang Christmas Carols at each door and ended the evening by singing at the local nursing care facility. The annual trip to Lambert's was a hit with a chili cook off and silent auction to raise funds for the trip. The bus trip saw 47 in attendance and I have to say my Steak Dinner was wonderful, thank you Church family.

Much work is being done on the parsonage and a hardy thanks to the district work and witness teams that have been and are helping. I would like to add a hardy thank you to my congregation for their support with hard work and finances to make this project complete. All of you are a gift from God, again Thank You.

I see clearly the way God is leading this church in Virden, and we will be obedient to Him in all that He asks us to do as He builds His Kingdom.

Respectfully submitted,  
Ronald Lundahl

## **West Union**

Praise God From Whom ALL Blessings Flow. The congregation and Pastor of the West Union Church of the Nazarene are praising God for all He has done for us.

We have had an unusual year, with the loss of some members moving their membership, to the death of a member, to the decline in attendance, which in effect resulted in the fact that we were unable to pay our budgets this year. But in the midst of all that God is still in control.

Starting a new program called "Thirty Something", that meets on Sunday nights away from the church building was started with three and is now up to about fifteen. The Fellowship and Devotions that is implemented with this group has been very beneficial to everyone. There are new folks starting to come and we are blessed.

We believe God is not finished with us yet, and we need to be mindful of what the Lord has in store for us. We want to be willing and ready to do the Lords will.

Respectfully Submitted,

## **Good Samaritan Ministries**

What started as a small ministry from a tiny home in the Washington Park Community has grown into a large-scale outreach program with a fully functioning ministry center. The newly opened Good Samaritan Ministry (GSM) Center is a 6,000 square foot facility complete with fully functioning kitchen, resource room, nursery, restroom and shower facilities, a free laundry facility, and a worship center for the Washington Park community.

Good Samaritan Ministries of the Metro East is a Nazarene Compassionate Ministry Center and is registered with the IRS as a 501(c) 3 organization, supported by generous gifts from local organizations, churches, and individuals. Without volunteers and the donation of their time, talent and treasury, GSM could not function.

Our mission is simple: to provide help to those in need by befriending them and pointing them to their true hope in Christ Jesus. To that end, we provide physical, emotional, and spiritual nourishment through a wide variety of ministry opportunities, and purposely target individuals and families that are experiencing difficulties making ends meet. Our main emphasis is to provide a hand up, not just a hand out and help people get their "feet back under them".

To meet material needs, we provide canned goods, non-perishable items, and clothing to those in need. The GSM facility provides free shower and laundry facilities. We also provide up to 3 grants (monthly) of \$250.00 for families needing help with house payments, utilities, medical bills, or other emergency needs.

Through GSM we are able to offer free counseling and job search services to those needing assistance and are open 4 days a week, including Bible study and Discipleship. The highlight of GSM is the Saturday worship service at the center. Here, people from the Washington Park community, volunteer workers, and many others gather together to worship our Lord. These powerful services are the catalyst for what God is doing in the lives of people through GSM.

With the beginning of the new Church year comes renewal of operating expenses such as liability insurance and other annual expenditures. As our ministry grows, so do operational costs. We are seeing more and more new families come to our center for assistance. If the recession has affected you in any way, just imagine how much further behind it has put the low income families that we have been assisting through this ministry.

God has been truly blessing this ministry and has been making it pretty clear that it's time to take it to the next level. Please pray for us for wisdom and guidance as we seek his direction. A gift of any size would be greatly appreciated at such a crucial time as this. All donations are completely tax deductible. Please consider Good Samaritan Ministries as a trusted place to invest your giving. Visit our website at [www.gsmmetro.org](http://www.gsmmetro.org) to give online through pay pal or contributions can be mailed to GSM at P.O. Box 68 Collinsville, IL. 62234.

Thank you, Terry J Wasser, Executive Director

## **Hopeful Heart Ministries, Inc.**

Greetings Dr. Toler, Dr. Spruce, Members and Friends of this Assembly--

What an extraordinary Joy it is to extend Compassion to others In Jesus Name!

Here are some "Fast Facts" about Hopeful Heart Ministries, Inc.

### **WHO WE ARE:**

We are a recognized 501(c)3 charitable organization and registered Nazarene Compassionate Ministry, comprised of concerned and loving Nazarenes from the following Churches: Decatur Parkway Church of the Nazarene, Decatur Westside Church of the Nazarene, Decatur Trinity Church of the Nazarene and Decatur Oak Grove Church of the Nazarene.

### **WHAT WE DO:**

We exist to "minister to the Decatur area by providing social, physical, material, educational and Spiritual assistance to those needing help and hope in their life." We accomplish this mission by offering tangible assistance in the form of food, clothing, blankets and other items to the needy, and by extending an invitation to meet and know Jesus Christ. The ministry is continually unfolding as we continually seek to offer other assistance as resources and the gifts and talents of our volunteers allow.

### **WHERE ARE WE GOING?**

....all over the City of Decatur! Praise the Lord!

With the purchase this year of a School Bus from the Dupo Bluffview Church, we will soon be a completely "Mobile" Compassionate Ministry Center, going into Decatur Neighborhoods and distributing goods as needed, working with other Community organizations to provide assistance, and hosting "Backyard Bible Schools" for kids. Please pray for us as we are working hard to get the bus renovated into a Ministry Center on wheels and get "ready to roll." Pray also that the Lord will open doors and hearts as we travel the City to reach the lost and hurting with His Love.

### **WHAT DOES OUR FUTURE HOLD?**

Our future is as bright as God's love for the lost! We pray for volunteers with hearts to meet the needs...We welcome new ideas and "guests" at any of our meetings.

We appreciate donations of any amount to help us meet needs and reach hearts! Please check out our website or call one of our Directors for more information. We are proud to serve Our Lord and Our District for the Sake of Our Savior!

## REPORTS

NOTES:

## **District Missionary's Report to the District Assembly 2009-2010**

Members and friends of the District Assembly, it is a joy to present to you my third report as District Missionary. Let me begin by thanking my partners in leadership: thanks to Dr. Spruce and those who have served on the Mission Strategy Team this year: Philip Alvord, Kevin Donoho, Allen Ebber, Randy Miller, Greg Breeden, Jerry Gravatt, Bruce McEwen, Timothy Mondy, and Bob Turner. You have served so faithfully this year! Thanks also to our NewStart pastors, who serve on the frontline of our mission: Bill Brandon, Highland; Gary Clark, Marion Oasis Community; Wayne Clevenger, Urbana Lighthouse; Jerry Gravatt, and his recent successors, Nick Briggs and Lila Chapman, at Vandalia.

Our District continues to show their support for our mission. The Mission Strategy Team has distributed over \$21,000 in grants this year. With those grants we provided assessments, ministry materials, property improvements, and pastoral support for NewStart pastors. We also funded Church Assessments and Church Health Surveys for several of our Refocusing churches.

We sponsored and enjoyed two District Team Days this year. The first, in February, was held at Decatur First Church, and the second, in March, at Salem Grace. Approximately 220 attended the Decatur event and 100 attended at Salem. That means over 300 pastors and leaders received encouragement, training, and support in these events. Thanks to Pastor Tim Crump and Kevin Donoho and to our host churches for making these venues available. And to all our presenters who provided such excellent workshops. Thanks to Allen Ebber, our pastor at Pana, and Lara Mondy from Centralia, who did most of the work and planning this year. These events continue to be an annual highlight on our District.

I have personally worked with eleven churches this year making ReFocus presentations and coaching with their pastors. We have worked with New Church Specialties and her representatives to provide training opportunities for our pastors and leaders: the Organic Church workshop last fall with Darrell McLearn and our on-site New Church University with Lonnie Bullock and Tim Gates this past Spring. Each brought challenging information and inspiration to our pastors and leaders. Seeds for church health and discipleship were planted that will no doubt bear fruit in the years to come.

I worked with the PALCON planning committee to put together a day of training for bi-vocational pastors this year. There we met and heard Dr. Dennis Bickers who we will be hosting here in September (11<sup>th</sup>) for our own seminar on small church health and bi-vocational ministry. We also plan to have another training opportunity in the Spring.

The future finds us continuing to work toward a ReStart at Granite City with the hopes of replanting a missional church in that area. We continue to pray about a NewStart in Effingham, where we envision a new congregation launched as a cooperative effort between several surrounding churches. We are seeking a church planter who will help us. Would you join us in praying for the Lord to send laborers into this harvest field?

New funding is in place this year to support church planters. In order to help us in cultivating church planters among us, we will be working with the Exponential Church Planting Network to provide materials for our pastors and

churches in the hopes of awakening those in our congregations whom Christ may be calling.

Our stated goals remain: That every church should take the church health survey, develop a written church action plan, and target new communities for NewStarts. Our pastors also need to be involved in a coaching relationship to provide accountability and encouragement.

Finally, and primarily, I am trusting God to do a new work in our District. That work is nothing that I can accomplish on my own, but indeed is something that must first begin in my own heart and in my own church at Casey. I am leading our own ReFocusing effort there and learning firsthand how God revives a church around a new vision. I am praying for our pastors and churches across our District to do the same.

Each of us has a responsibility, pastors and leaders alike to become Christ focused and mission driven. The one place that we can begin is in our own hearts. Your own renewal is the key to your church's renewal, and your church's renewal is the key to our District's renewal. Let us draw near to God, in the hopes that he will draw near to us, and fulfill His mission through: ***To develop healthy, multiplying, holiness churches and pastors with a new passion, for new people, and a new Illinois!***

*Respectfully submitted,*  
Mark S. Copley

#### **Administrative Associate**

It continues to be a blessing to be able to work with Dr. Jim Spruce and learn from him.

The privilege has been mine to work with Rev. Mark Copley, District Missionary, the District Advisory Board, various other district boards and committees along with local churches as the opportunity has been afforded to me.

Nina and I thank you for allowing us to be a part of the administrative team that serves this great district.

This is my sixth report to you as your Administrative Associate, and my 37<sup>th</sup> year as a minister of which 29 of those have been on the Illinois District.

I preach quite often concerning Martha and the indictment that is made about her in Luke 10:40 that she was distracted. Every time I read that scripture I ask God to examine my life to see if the legitimate things of life are distracting me from doing the most important and keeping first things first. In the day we live in it is easy to become distracted doing legitimate "church" things and lose sight of the most important.

It reminds me of the following story **The Lifesaving Station** by Theodore Wedel.

"On a dangerous seacoast where shipwrecks often occur, there was once a crude little lifesaving station. The building was no more than a hut, and there was only one boat; but the few devoted members kept a constant watch over the sea. With no thought for themselves, they went out day and night, tirelessly searching

for the lost. Some of those who were saved, and various others in the surrounding area, wanted to be associated with the station and give their time, money, and effort to support the work. New boats were bought and new crews trained. The little lifesaving station grew.

Some of these new members of the lifesaving station were unhappy that the building was so crude and poorly equipped. They felt that a more comfortable place should be provided as the first refuge of those who were saved from the sea. They replaced the emergency cots with beds and put better furniture in the enlarged building. Now the lifesaving station became a popular gathering place for its members, and they decorated it beautifully and furnished it exquisitely because they used it as sort of a club. Fewer members were not interested in going to sea on lifesaving missions, so they hired lifeboat crews to do this work. The lifesaving motif still prevailed in this club's decoration, and there was a memorial lifeboat in the room where the club initiations were held.

About this time a large ship was wrecked off the coast, and the hired crews brought in boatloads of cold, wet, half-drowned people. They were dirty and sick, and some of them were foreigners. The beautiful new club was in chaos. Immediately, the property committee hired someone to rig up a shower house inside the club, where victims of shipwrecks could be cleaned up before coming inside.

At the next meeting, there was a split in the club membership. Most of the members wanted to stop the club's lifesaving activities because they felt they were unpleasant and a hindrance to the normal social life of the club. A small number of members insisted upon lifesaving as their primary purpose and pointed out that they were still called a lifesaving station. The small group's members were voted down and told that if they wanted to save lives, they could begin their own lifesaving station down the coast.

They did and as the years went by, however, the new station experienced the same changes that had occurred in the old station. It evolved into a club, and yet another lifesaving station was founded. History continued to repeat itself, and if you visit that seacoast today, you will find a number of exclusive clubs along that shore.

Shipwrecks are frequent in those waters, but most of the passengers drown."

As Disciples of Jesus, our primary task is to go and make disciples. **"18** Then Jesus came to them and said, "All authority in heaven and on earth has been given to me. **19** Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, **20** and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.'" Matt 28:18-20 (NIV) To put it another way, we are to go and save lives. Unfortunately, we sometimes lose sight of our purpose and get distracted. We need to recover our passion for lifesaving. We need to be doers of the Word and not hearers only. **"22** Do not merely listen to the word, and so deceive yourselves. Do what it says." James 1:22 (NIV)

Let's not become distracted but keep the first things first and our eyes upon Jesus as we go about making disciples.

*Respectfully submitted,*  
Douglas E. Haynes

"Citation of Merit"

**Rev. Mark Copley**

Mark came to Illinois in 2002 as Senior Pastor of the Casey First Church of the Nazarene. In his first two years here, he led the church through a ReFocusing process, which has opened new avenues of ministry and outreach in their community. He has served on the Illinois District Missional Strategy Team since 2003, and now leads that team as District Missionary.

Mark serves as a catalyst for change and has led each of his congregations through significant transitions in order to remain relevant and missional. Most recently, he has led the church in Casey to embrace recovery ministries. He relishes creative thinking and is addicted to seeing lives transformed by the love of Christ.

Prior to his coming to Illinois he pastored the Abingdon Church of the Nazarene, Abingdon, VA from 1991-2002. In 1997 Mark received the "Pastor of the Year Award" from Eastern Nazarene College while serving on the Virginia District.

He has written articles published in *Holiness Today*, *The Preacher's Magazine*, *The Standard*, local newspapers, and promotional materials for the Appalachian Ministries Educational Resource Center in Berea, KY.

Mark is married to Candy and they have a daughter, Bethany, who is a student at Olivet Nazarene University.

Mark's educational training includes Trevecca Nazarene University, 1979-1982 (Religion); Nazarene Bible College, 1985-1987 (A.B.S. – Biblical Studies); Nazarene Theological Seminary, 1987-1991 (Theology); Emmanuel School of Religion, 1994-1998 (M.Div.) Thesis: *"A Voice Crying in the Marketplace: The Problems and Possibilities of Preaching in the Postmodern Era"*.

On August 12, 1993 he was ordained an elder in the Church of the Nazarene by the Virginia District.

## B. INSTRUCTIONS TO STUDENTS

### Eligibility

The board serves only the persons who are properly enrolled. Enrollment is open only to local preachers, deacons-Christian education, deacons-compassionate ministries, deacons-music ministries, and prospective ministers of music who qualify according to the Manual, 410.

### Courses

There are seven general courses administered by the Ministerial Studies Board; elders, deacon of administration, deacon of compassionate ministries, deacon of Christian education, deacon of music, deacon of youth, and lay minister (*Handbook of Ministerial Studies*).

Ministers, deacons and deaconesses will not be ordained without having completed their respective courses. An exception to this is provided for all commissioned song evangelists who held this status immediately prior to the 1986 assembly season. Those becoming commissioned song evangelists will complete the deacon track in music ministries. Those interested in commissioned or registered song evangelists' credentials should study carefully all requirements as listed in *Handbook on Ministerial Studies*, 446, "The Song Evangelist."

### Modes of Study

The options for the course of study are listed below (by preference) as recommended and approved by the Illinois District Ministerial Studies Board.

1. A Nazarene university or an accredited university, pursuing a degree in a religious field of study.
2. Nazarene Theological Seminary.
3. Nazarene Bible College or NBC Ministry Preparation Program.
4. Northwest Nazarene University Online Module Courses
5. Nazarene Bible College: NBC Track.

The Course of Study is under the immediate supervision of the District Board of Ministerial Studies. Students are advised to pursue preparation or ordination by

selecting one of the above-mentioned modes of study. Each student is assigned an advisor to work with in establishing a plan of study.

The courses required of college students are in the Manual, 424.3. The competency statements for ministerial education are listed in Manual, 424.3. All college and university programs must meet these competency statements for course of study.

### C. REGULATIONS FOR MINISTERIAL COURSE OF STUDY

1. It is no longer necessary for students to purchase the *Sourcebook for Ministerial Development*. This information and more can now be found on the Clergy Education website (<http://nazarenepastor.org/clergyeducation/>) A Candidate Handbook can be downloaded for free from <http://www.nazarenepastor.org/ClergyEducation/LinkClick.aspx?link=Resources%2fUSAHB.pdf&tabid=74&mid=501>.

2. Each student is encouraged to take four courses each year. The general church requires 2 courses per year to be passed, to allow a student to continue. After the district license is granted to the student, only ten years is allowed to complete the 24 required courses, Manual 427.4. At 2 per year, the student will not succeed. Thus, the Illinois District has chosen to encourage students to complete 4 courses per year. All course work must be completed by the end of the assembly year (April) in order for the student to receive credit for that assembly year. The only exception is for those students enrolled in an institution of higher learning in which the class may not conclude until the board meets in May.

3. A student is placed in a study level based on the number of courses completed regardless of the level of the courses. The only exception is that the course on the Manual of the Church of the Nazarene must be completed before level one is considered complete (unless the student is enrolled in a religion program at a Nazarene institution) and before the student is eligible for a district license.

4. The secretary may not enroll anyone except by written letter from the applicant to include the following information: name (first, middle and last); address; telephone number; e-mail address; course of study desired; church where current membership is held; letter of recommendation from the church pastor where membership is held; copy of local license granted by that church; and official transcripts from colleges or other schools beyond high school. It will be the obligation of the student to see that all the information is sent to the secretary. An application form will be made available for anyone expressing interest in enrolling with the Board of Ministerial Studies.

5. Prior to being issued a graduation certificate, all students must be reviewed by the Ministerial Studies Board. The only exceptions are Nazarene Bible College graduates of the Bible Studies Course who are immediately issued a graduation certificate. No student will be graduated from the course of study without completing an internship program.

6. When a student moves to another district, the secretary of the Ministerial Board should transfer the student's records to the new district by contacting the secretary of that district's Board of Ministerial Studies. Students are strongly advised to keep copies of course record sheets and final grades. The District is not responsible for loss of data when transferring to another district.

7. Candidates should be prepared to appear annually before the Board of Ministerial Studies. These meetings will be scheduled by the district office and notification of the meetings will be sent to you.

8. Files for inactive students will be maintained by the Board of Ministerial Studies for no longer than 10 years.

9. Students are required to keep an active e-mail account while enrolled in the course of study.

#### College Students

College students are responsible to submit to the board documentary evidence of academic standing in harmony with *Manual*, 427.1, 427.4.

College students are reminded to plan their curriculum in harmony with *Manual*, 424.1 and 424.3. Yearly updates should be submitted to the secretary of the Board of Ministerial Studies. The Board of Ministerial Studies will evaluate the final transcript at graduation, and no requirements stated in the Manual will be waived.

### D. CONTINUING EDUCATION

"Once a minister has fulfilled the expectations of the educational foundations for ministry, he or she will continue a pattern of lifelong learning to enhance the ministry of which God has called him or her. A minimum expectation is 20 contact hours each year (2 accredited continuing education units (CEU's) (*Manual* 424.6)).

In order to facilitate the fulfillment of this requirement, a number of qualified events will be promoted through the district and by other means. An individual may receive CEU's by participating in a qualified event sponsored by the district, the general church, one of our colleges or universities or other approved method. When CEU's are available for a sponsored event, notification of the same will be made at the event and the participants will have the opportunity to sign up for credits. Credits will be based upon the participant attending the entire event and fulfilling other requirements (if applicable) for the event (such as extra reading or writing when appropriate). In all cases, it is the individual participant's responsibility to qualify him or herself for CEU credits.

The Board of Ministerial Studies appoints a continuing education director who shall be responsible to facilitate CEU qualified events and to resource individuals in obtaining CEU credits for events attended. Individuals may also contact the Department of Clergy Development directly with questions or for qualifying and awarding CEU credits for courses taken. All determination of CEU qualifications

shall be made by the Office of Ministry. All records of CEU's obtained shall be retained by the Department of Clergy Development and by the individual himself/herself. Courses taken for degree programs are not eligible for CEU credit.

### **Mission Strategy Team to the District Assembly 2009-2010**

Members and friends of the assembly, it is my privilege to present to you my third report as chairman of the District Mission Strategy Team. The Mission Strategy Team this year included the following members: Dr. James R. Spruce (chairman, ex-officio); Mark Copley, District Missionary; Philip Alvord, Kevin Donoho, Allen Ebblor, Randy Miller, Greg Breeden, Jerry Gravatt, Bruce McEwen, Timothy Mondy, Bob Turner. We want to especially acknowledge the frontline work of our NewStart pastors and their sponsoring congregations: Jerry Gravatt (Vandalia – sponsored by Pana, and supported by Shelbyville); Wayne Clevenger (Urbana Lighthouse – supported by Ogden); Gary Clark (Marion-Harrisburg Oasis Community); and Bill Brandon (Highland).

The Mission Strategy Team distributed over \$21,000 in grants this year. With those grants we provided assessment, coaching, ministry materials,

property improvements, and pastoral support to our NewStart churches. We also funded Church Assessments and Church Health Surveys. And, we paid for every willing pastor and his leaders to attend New Church University. Nearly thirty did so.

This year, the Mission Strategy Team planned and presented two Team Days. The first, in February, was held at Decatur First Church, and the second, in March, at Salem Grace. Approximately 220 attended the Decatur event and 100 attended at Salem. That means 320 pastors and laypeople received encouragement, training, and support in these two events. Thanks to Pastor Crump and Donoho and to our host churches for making these venues available, and to all our presenters who provided such excellent workshops. Thanks to MST member Allen Ebblar, and Laura Mondy, pastor's wife at Centralia who did much of the work of planning this year. We hope that many churches will attend these events again this year.

Our shared vision includes: new church plants, reaching various people groups, stronger zone leadership and cooperation, and using new methods and means to reach new people. These aims are in line with our goals, listed here, which remain unchanged:

- 1. The churches of the Illinois District shall have a written strategic plan for reaching the lost and church growth.***
- 2. The pastors of the Illinois District shall be involved in a coaching movement and maintain coaching relationships.***
- 3. The churches of the Illinois District shall strive for church health using the church health survey and the Natural Church Development process (or the Nazarene Missional Church Survey).***
- 4. The churches of the Illinois District shall have a clearly stated target area and plan for involvement in a NewStart project.***

Our proposed budget reflects this vision with increased funding for church planters, NewStarts and ReFocusing churches.

Much thanks to all of those who have served on the Mission Strategy Team this year. Together, we are stewards of the mission of our district: ***To develop healthy, multiplying, holiness churches and pastors.*** Our vision for a new passion, for a new people, and a new Illinois remains to be seen. Let's pursue it together in Christ!

*Respectfully submitted,*

MARK S. COPLEY, *Chairman*

DISTRICT MISSION STRATEGY TEAM

## **Christian Cultural Engagement**

A. WHEREAS, in times when our culture desperately needs the Church to be a living example of Christ-like holiness and love, we strongly urge:

1. All our sisters and brothers in Christ to remember that we are called to be the Body of Christ in our world being empowered by the Holy Spirit to the glory of God the Father. As a result, we urge our brothers and sisters to remember the importance of corporate Christian worship and the practice of spiritual disciplines within the family and individually, believing that these are important ways by which the Holy Spirit shapes us into a holy people.
2. That pastors, evangelists, and leaders live and teach the scriptural doctrines of the new birth and entire sanctification, believing that the Holy Spirit bears witness to both works of grace through the infilling of His Spirit, and that the one biblical evidence of the latter is the cleansing of the heart by faith from original sin manifested by the fruit of the Spirit in Christian service: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control (Gal 5:22-24).
3. That the church manual be made available to all in the church who desire it and the Articles of Faith (Manual, Part II, para 1-22, pgs. 28-37) and the Covenant of Christian Character (Manual, Part II, Articles 27-27.3, pgs. 38-40) be read, or printed, and distributed to the church body at least once a year admonishing each Nazarene to diligently pursue a lifestyle that honors God, the church and one another.
4. That new converts be lovingly nourished and instructed in the way of holiness.
5. That all of our people, "in putting off the old to put on the new and holy way of life as well as the mind of Christ" (Eph 4:17-24), take to heart The Covenant of Christian Conduct of our church which gives guidance in areas of Christian Ethics, Entertainment, Marriage & Divorce, Abortion, Human Sexuality, Christian Stewardship, etc. (Manual, Part III, para 33-41, pgs 46-60).

B. WHEREAS, ethics and values are constantly being questioned and changed by our society, the church must strengthen itself in its commitment and conduct. Therefore, this committee felt it vitally important to not only reaffirm our belief in Scripture and our Wesleyan guidelines, but to also provide useful information in this document to resource both laity and clergy to make the church both a beacon of hope and a model of holiness to our families, community and world. (Matthew 5:10-17; Ephesians 5:1-2,8-14; I Peter 1:13-17).

We encourage our people to work with and in public institutions as a means of Christ-like engagement with our culture on the local, State, National, and Global levels.

1. Each local church should strive to provide educational and equipping opportunities such as:
  - a) Special Christian Speakers & professionals,
  - b) In-service topical seminars and open forum discussions, and
  - c) Consider initiating special ministries that reach out to the needy in the congregation and community.

2. Our people should show Christian stewardship by becoming involved in civic, community and school functions and cooperating with other churches and civic agencies who share our ministry objectives. Our pastors, youth workers and parents should maintain an awareness of the activities and promotions of organizations within the local school system and unite in an effort to oppose activities that do not comply with New Testament moral standards. Examples of civic organizations to offer aid and service to:
  - a) Pregnancy Resource Centers
  - b) Homeless Shelters
  - c) Habitat for Humanity
  - d) Credible Christian Counseling Centers
  - e) Food & Clothing Pantries
  - f) Nursing Homes; Senior Adult Organizations
  - g) Appropriate Parent/Teacher Organizations

3. We should actively monitor our State and Federal Legislature on issues which pertain to, and affect our church and community and express appreciation to individuals/organizations that promote legislature and programs which edify. We urge church leaders to make available the names and addresses of government officials and stress the importance of voting in local, state and national elections to ensure that issues pertaining to the biblical ideals of faith, family, and social justice are addressed. We encourage the

above while being simultaneously mindful that our commitment to Christ our Lord must always be far greater than our commitment to any political party, agenda, or association.

4. That each local church provides its members with ample opportunities to see beyond our own borders and mature into "global" Christians by staying informed about world events (both natural and political) and the persecution of fellow believers that we might pray for "the increase of His government and peace" on the earth. In addition, we urge the promotion of sacrificial giving for the cause of world evangelism and personally participating in Work and Witness when and where possible.

C. This report is a re-affirmation of our ethical and moral standards, as set forth by the General Assembly of the Church of the Nazarene. It is the prayer of this committee that these suggestions and resources will benefit individuals and churches committed to fulfilling the Great Commission. For only through personal involvement can we go into the "fields white unto harvest" (John 4:37).  
LET US GO!

## **Church Growth**

We, your Committee on Church Growth, make the following recommendations to the district assembly for consideration:

### *Commission*

We recommend that every church emphasize the Great Commission (Matthew 28:16-20) in every facet of their ministry. We are reminded that the Bible should always be our main source and that the Great Commission remains as our primary motivation for church growth.

### *Prayer*

Remember that prayer should be the foundation for all church growth, and that without prayer; little of lasting value will be accomplished. We also recommend that the church provide opportunities for concentrated prayer and fasting during the church year.

### *Mission/Vision/Purpose*

We encourage every church to develop a mission statement, a vision statement, and a clear statement of purpose. These three key elements will ensure that we stay focused on God's plan for the local church. There are numerous books and other resources available to assist the church with this task. Any church needing assistance should contact the district superintendent and/or the district missionary.

### *Responsibility List*

That every church maintain an accurate, up-to-date list that includes the name, current address, and telephone number for every person on their responsibility list. This will allow for better, more consistent follow-up and accountability.

### *Calling*

That absentees be contacted through a regular, systematic approach. This is not solely the responsibility of the pastor, but should be a shared ministry within the church among the laity.

### *Discipleship*

Emphasis should be given not only to evangelism, but also the discipleship. The new Christian should be encouraged to seek the experience of Heart Holiness which leads to a growing and productive Christian as a way to fulfill the Great Commission (Matthew 28:20).

### *Lay Ministry*

We encourage our churches to develop a partnership between the pastor and the laity, which provides for every member to be involved in church ministry (discipleship/ evangelism).

### *Education*

That pastors and laymen take full advantage of educational and CEU opportunities, including seminars, workshops, videos, books, and especially the quality CLT programs that our denomination offers.

### *Evangelism*

That new and innovative methods of outreach and evangelism be explored. Consider how the resources of the local church, human and financial, can be utilized most effectively to see souls saved.

### *New-Start / Restart*

We believe every church on the Illinois District can and should become involved in prayer, creating or supporting new church starts. Churches can provide funding and or personal involvement of the local church body in calling, canvassing, etc.

### *Refocus*

That churches be encouraged to be involved in determining their church life cycle and whether or not they need to enter into a refocusing process such as the New Church Specialties. Contact the district missionary for more information.

### *Personal Evangelism*

It is the privilege and duty of every Christian to share their faith with others. We encourage all churches to provide specialized training for various types of personal evangelism. Personal responsibility for evangelism should be emphasized.

### *Revivals*

We encourage our churches to give top priority to annual revival campaigns. We strongly urge the use of full-time evangelists in the Church of the Nazarene. We also encourage the use of all media possibilities (TV, radio, etc.) to potentially reach as many as possible with the gospel.

### *Servant Evangelism*

That methods of servant evangelism be employed in churches of all sizes and in all areas. Jesus Himself came to serve and to give, not to be served or become successful. Let us willingly choose to follow Christ's example as we minister to others. Such acts of kindness can serve to bridge the gap between the church and the world.

### *Finances*

Set aside a portion of the annual church budget for purposes of outreach and evangelism. The Bible says, "Where your treasure is, there your heart will be also."

### *Evangelism Committee*

We encourage each church to review and implement the guidelines for a local Evangelism Committee as stated in the 2005-2009 *Manual*, pages 70-71, and section 110-110.8.

### *Global Church Growth Award*

It should be the goal of every church to introduce each new convert into the membership of the Church of the Nazarene.

We challenge every church to establish minimum goals according to the following guidelines.

Category	<i>Morning Worship Attendance</i>	<i>Number of New Nazarenes</i>
Category 1	0-49	6 new Nazarenes
Category 2	50-79	9 new Nazarenes
Category 3	80-99	12 new Nazarenes
Category 4	100-399	The lesser of 12 percent of previous year's worship attendance or 43 new Nazarenes
Category 5	400-899	11 percent of previous years worship attendance
Category 6	900 and up	100 new Nazarenes

Churches will be grouped according to size to compensate for variation in ability. Morning worship attendance will be used to determine the size categories.

This award will be based on achievement in three areas:

1. New Nazarenes
2. Significant involvement in sponsoring a new church,
3. Payment of all budgets (including district and educational).

*Respectfully submitted,*

RICHARD KEELEY, *Secretary*

DAVID SORENSEN, *Chairman*

## **Ministerial Staff Support**

We, your Committee on Ministerial Staff Support, submit the following in order to care for the welfare of our spiritual leaders and encourage their commitment to our spiritual guidance.

The district office and the Pastoral Support Committee want to assist pastors and church boards in understanding their roles in providing adequate compensation for its pastors and staffs. Support of the pastor by the church is an expression of the belief in the call of God on the life of the pastor rather than a job where monies are paid for services rendered. Adequate compensation enables a pastor to fulfill his or her calling.

Pastoral support extends beyond the compensation and benefits for the pastor and staff and includes those expenses incurred by pastoral staff which is necessary to conduct the business of the church. Each church pays a sum to a pastor's ministry, which is divided into several categories: compensation, benefits and expenses. The sum of these categories is considered the cost of ministry to the local church, not all of which is to be considered the income of the pastor.

The district Pastoral Support Committee has developed guidelines for local pastoral support committees to evaluate their commitment to the ministry of the pastor. Anyone wanting further assistance in assessing or planning adequate compensation may contact the district office. In addition to consideration for the local pastors, churches should also establish a remuneration policy for pulpit supply, including travel expenses.

### *Senior Pastor*

The senior pastor is the leader of the church and a leader in the local community.

### *Bi-vocational Pastor*

A bi-vocational pastor supplements income by means other than church compensation. Churches should view the circumstances that cause the pastor to supplement income as a temporary situation to be resolved as soon as possible. The goal is to remove as many worldly concerns from the pastor as possible, so that the pastor may attend more intently on his or her life's calling. Recognizing that small and young churches may have difficulty in providing adequately for their pastor and family, we urge such churches to use what they are able to provide to the best advantage of their pastor and to strive toward the goal of full support.

### *Associate Pastor and Staff*

An associate pastor is defined as a partner in ministry, on staff, whether receiving compensation or not. The church is to work toward a similar benefit package for the full-time associate as for the senior pastor (guideline to the church: an amount equal to 70 to 80 percent of the senior pastor's compensation package). Associate pastor and staff salaries should be negotiated in accordance with the recommendations of the senior pastor.

### *Retired Pastor*

A retired pastor is a minister with retirement status. We recommend that retired pastors be employed for pulpit supply as frequently as possible. Retired pastors usually live on meager retirement benefits and may welcome the opportunity to provide for pulpit supply. Retired pastors are a source of experience and expertise that is available to the local church.

### *Evangelist*

Often, the evangelist's only source of income is from meetings held at various local churches. We recommend that a full-time evangelist's minimum remuneration for such a meeting be an amount equal to twice the local senior pastor's weekly cash salary for each full Sunday in the special meeting (as recommended by the Evangelism Ministries of the Division of Local Church Growth). The local senior pastor's weekly cash salary and prorated insurance and

Social Security benefits should all be included in the compensation. Additional compensation for housing and travel-related expenses should be paid in a separate check, allowing for maximum tax benefit for the evangelist.

### *I. For the Pastor*

#### **A. Concerning Salary:**

1. That for all full-time pastors, every church provides a minimum of \$450 per week salary. By definition, salary should not be deemed to include reimbursements and cost of ministry expenses listed below in Section B, Paragraph 1. The Advisory Board is to make the distinction between full-time and bi-vocational pastors. That churches which are legitimately unable to provide for such remuneration recognize that their pastor is bi-vocational and, therefore, able and obligated to supplement his or her income. We recommend that the district superintendent or designated personnel monitor the suggested minimum weekly salary on the basis of the materials provided by the general church's worksheet and, when necessary, give strong counsel to church boards to provide the above-stated minimum salary and benefits.
2. That the church place, as an employee benefit, an amount equal to 10 percent of the ministerial staff's monthly salary in a tax-sheltered annuity each month for his/her retirement. This is the third leg of the retirement tier recommended by the Pensions and Benefits office of the general Church of the Nazarene.
3. That the church review the ministerial staff salary at least annually and that increases reflect at least cost-of-living increases. That a letter be sent once a year from the district superintendent to the local church board secretary reminding the board of its responsibility in this area, and that a written summation of the board's action shall be returned to the district superintendent within 30 days of the local board meeting.
4. That any significant increase in the annual amount raised for all purposes by the church during a pastor's tenure be taken into consideration at the time salary and benefits are reviewed.

B. Concerning Reimbursements:

1. That the church pays reimbursements for all church-related expenses, and that among these are standard mileage reimbursement at the recommended IRS rate for personally-owned automobiles. To avoid additional financial burden on the pastor and staff during these days of rapidly increasing gasoline prices, the church board is strongly encouraged to monitor and comply with any increases the IRS may possibly make on its recommended mileage rate during the calendar year. Entertainment expenses, office supplies, continuing education expenses (books, tuition, conferences, etc.), gifts and all other reimbursable expenses deemed appropriate by the IRS should also be included.
2. Church-related expenses of pastoral staff should be qualified on the basis of material from General Headquarters, as well as the Internal Revenue Service. Every church should provide adequately to prevent financial strain to the parsonage family, and that every church provides 100 percent Social Security and full family hospitalization. That churches be allowed to maintain their present insurance program, and if churches propose a change, the change should be approved by the district superintendent and the District Advisory Board.
3. That the church provides the ministerial staff expense to all church-related functions, including the district and general assemblies. Lodging, meals and transportation shall be a part of this expense.
4. That the churches encourage and financially support its ministerial staff to continuing education through school, seminars and conferences.
5. That each local church board provides funds for the purpose of sending its ministerial staff to the general assembly.

C. Concerning Housing:

1. That the church provides housing and utilities and/or adequate housing allowance.
2. That the church equips the parsonage with a stove, refrigerator, air conditioning, washer, dryer, draperies, curtains and carpeting.
3. That a minister could request the church board to adjust his/her compensation for any year in which it is anticipated that the minister will purchase major appliances and/or furniture.
4. That the fair-rental value and the designated additional parsonage allowance should be entered into church board records at the beginning of each calendar year. When a housing allowance is established in lieu of a parsonage, a review of the allowance should be made annually regarding payment, taxes, utilities and repairs.

5. That the Board of Trustees of the local church inspect the parsonage once each year in order to continue to provide for quality living conditions. No parsonage family should be expected to live in substandard housing. This inspection should be scheduled with the pastor and spouse and be done in their presence. Any necessary changes seen at this inspection should be completed as soon as possible.
6. That the local church board makes all necessary arrangements for the ministerial staff's moving expenses.

D. Concerning the Ministerial Staff's General Emotional and Spiritual Welfare:

1. That the church continually lifts the parsonage families in prayer.
2. That the church remembers the ministerial staff's family with suitable gifts at appropriate times during the year and consider a gift of no less than one week's salary at Christmas.
3. That the church provide for vacation and time off according to the following scale (this schedule refers to total years in ministry):
  - a. One year in the ministry: two weeks vacation
  - b. Two to ten years in the ministry: three weeks vacation
  - c. Ten to twenty years in the ministry: four weeks vacation
  - d. Twenty or more years in the ministry: five weeks vacation  
(District Assembly, Family Camp, ministerial retreats and seminars, and working in Teen or Children's Camps are not to be considered as part of this vacation time allowance.)
4. In order to benefit the church and the health of the pastor, the church should encourage the pastoral staff to take a minimum of one day per week for family time.
5. That the church allow the senior pastor the privilege of holding a full week revival or speaking engagement of one or more days, not to exceed seven days per year, with the church to be responsible for pulpit supply without loss of salary to the pastor.
6. That the local church offer the pastor/staff two mental health days each month to be taken at the pastor's discretion, to be used at a time when workload or individual stress is overwhelming.
7. That the local church make available to its pastor a one month sabbatical at the end of each five years of uninterrupted ministry to that same church.

*II. For All Full-time Evangelists (Song and Otherwise)*

A. Concerning Salary:

1. That evangelists be paid at least an amount equal to twice the

pastor's salary or a minimum of \$500 for each Sunday of the meeting.

2. That, in addition, Social Security on the amount of salary be summarily paid.

3. That evangelists be notified in writing at the time the meeting is scheduled of the minimum remuneration they can expect to receive from the local church.

4. That local churches avoid canceling previously scheduled revivals.

5. That a local church canceling a revival without notifying the evangelist at least 30 days in advance be obligated to pay the minimum remuneration in full, unless the evangelist is able to reschedule the same date.

B. Concerning Reimbursements and Housing

1. That churches provide for all travel expenses, lodging and food during the meeting.

2. That local churches having full-time evangelists as members pay one-half the cost of the district hospitalization insurance.

3. That local churches having full-time evangelists as members provide for their expenses to general and district gatherings.

C. Concerning the Evangelist's General Emotional and Spiritual Welfare:

1. That finances for revivals be raised in advance of the scheduled meeting.

2. That the local church sends a Christmas gift to all evangelists who have served the church during that calendar year.

3. That local churches having full-time evangelists as members provide encouragement and support for their ministry through prayer and such tangible ways as love offerings and remembering them on their birthdays and anniversaries.

*III. For Retired Ministerial Staff*

A. Concerning Reimbursements:

1. That local churches having retired ministers as members provide for their expenses to general and district gatherings they wish to attend.

B. Concerning Their General Emotional and Spiritual Welfare

1. That local churches having retired ministers as members remember them often, such as at birthdays, anniversaries and Christmas, with gifts of gratitude for their years of faithful service in the Kingdom.

2. That the Illinois District gives a one-time love gift to all elders upon their retirement. We recommend a minimum of \$1,000.

We ask that each local church board secretary and pastor receive a copy of this report from the district superintendent and that the same shall be read or distributed by the church board secretary to the church board as a reminder of their responsibilities. The church board secretary shall notify the district superintendent in writing concerning the fulfillment of this policy.

*Respectfully submitted,*

JIM HIGH, *Secretary*

MICHAEL TAPSCOTT, *Chairman*

## **INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors  
Illinois District Church of the Nazarene

We have audited the accompanying statement of assets, liabilities and net assets – modified cash basis of the Administration, Home Mission, Camp Ground, District Reserve, Olivet Nazarene University, Medical, Nazarene Missions International, Church New Start, Camp Meeting, Sunday School and Discipleship Ministries International and Nazarene Youth International funds of the Illinois District Church of the Nazarene as of April 30, 2010, and the related statements of support, revenue and expenses and cash flows – modified cash basis for the fiscal year then ended. These financial statements are the responsibility of the District's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraphs, we conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, these financial statements were prepared on a modified cash basis, which is a comprehensive basis of accounting other than generally accepted accounting principles.

As more fully described in Note 1 to the financial statements, the modified cash basis of accounting requires fixed assets be stated at cost, net of accumulated depreciation. Management has informed us that the District has stated its properties at estimated costs and appraised values versus historical costs as required by the modified cash basis of accounting. In addition, no depreciation expense has been recorded in the financial statements. The effect of this departure on the financial statements has not been determined.

In our opinion, the financial statements referred to above (except for the effects of valuing fixed assets at estimated costs and appraised values) present fairly, in all material respects, the assets, liabilities, and net assets of the Administration, Home Mission, Camp Ground, District Reserve, Olivet Nazarene University, Medical, Nazarene Missions International, Church New Start, Camp Meeting, Sunday School and Discipleship Ministries International and Nazarene Youth International funds of the Illinois District Church of the Nazarene as of April 30, 2010, and its support, revenue and expenses and cash flows for the year then ended, on the basis of accounting described in Note 1.

Our audit was made for the purpose of forming an opinion on the statement of assets, liabilities and net assets – modified cash basis and the related statements of support, revenue and expenses and cash flows – modified cash basis. The accompanying supplementary information contained on pages 11 through 26 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements referred to above and, in our opinion, the information is fairly presented in all material respects in relation to the financial statements taken as a whole.

### Basis of Accounting

The financial statements are presented using a modified cash basis of accounting. This basis of accounting recognizes assets, liabilities, net assets, revenues, and expenses when they result from cash transactions. This basis is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

As a result of the use of this modified cash basis of accounting, certain assets and their related revenues (such as accounts receivable) and certain liabilities and their related expenses (such as accounts payable) *are not recorded* in these financial statements.

## NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### Basis of Presentation

Financial statement presentation follows the requirements of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-For-Profit Organizations. Under SFAS No. 117, the District is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The District has no restricted net assets.

### Property and Equipment

The District has recorded its property and equipment at appraised and estimated values, which is not in conformity with the modified cash basis of accounting. Depreciation has not been computed on fixed assets.

### Income Taxes

The District is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. In addition, the District has been determined by the Internal Revenue Service not to be a private foundation within the meaning of Section 509(a) of the code.

### Cash and Cash Equivalents

The District considers all highly liquid investment instruments with maturities of

three months or less to be cash equivalents.

Investments

The District has adopted SFAS No. 124, "Accounting for Certain Investments Held by Not-for-Profit Associations." Under SFAS No. 124, investments in mutual funds with readily determinable fair values are reported at their fair values in the Statement of Assets, Liabilities and Net Assets – Modified Cash Basis. The District carries investments in marketable securities with readily determinable fair values in the Statement of Assets, Liabilities and Net Assets – Modified Cash Basis. Unrealized gains and losses are included in the change in net assets in the accompanying Statement of Support, Revenues and Expenses – Modified Cash Basis.

Use of Estimates

The preparation of the financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Loans Receivable and Payable and Transfers between Program Accounts

Loans between programs have a zero net effect on the Statement of Assets, Liabilities and Net Assets – Modified Cash Basis and have been eliminated. In addition, transfers between programs have a zero net effect on the Statement of Support, Revenue and Expenses – Modified Cash Basis and have been eliminated.

NOTE 2 – CONCENTRATION OF CREDIT RISK

The District maintains a material amount of its cash and cash equivalents at one financial institution. Accounts at this institution are insured by the Federal Deposit Insurance Corporation (FDIC). The total cash at this institution exceeds FDIC limits. There was no excess of the FDIC limit as of April 30, 2010.

NOTE 3 – INVESTMENTS

Investments are stated at fair value and consist of mutual funds. Fair values as of April 30, 2010 are summarized as follows:
